The tranquil beauty of a morning sunrise over the Atlantic Ocean is in direct contrast to the savage acts taking place beneath the water's surface. Powerful tails propel half-ton blue marlin at nearly 50 mph, as their bills slash at baitfish. The razor-sharp teach of wahoo cut unsuspecting prey in half. And these predators become the hunted, when anglers venture forth in Offshore Pursuit. Experience what the ultimate sport fishing has to offer: surface eruptions on trolled baits, rods bent in half, drags screaming, and adrenaline pumping. Whether you call blue water your regular fishing grounds or want to experience the thrill for the first time, don't leave success in the hands of Lady Luck. Knowledge and experience are necessary to produce results, and Offshore Pursuit has the information you need to catch big game fish in offshore waters. What baits each species prefers, methods of trolling, types of spreads, how to chunk for tuna, and when and how to use a kite are all covered in detail. Proven methods learned through years of experience are

clearly explained to help you catch more fish. From rigging techniques to tips on how to fight trophy fish, it's all in this book.

Based on popular essays in New York Times' Modern Love and Salon, as well as an Off-Broadway one-person play, *The Pleasure Plan* is a sexual healing odyssey, a manifesto for women to claim pleasure as a priority, and a love story all at once. Fifty percent of adult women have some form of sexual dysfunction at some point of their lives, preventing them from enjoying vibrant, soul-satisfying sex. Such was the case with Laura Zam, who suffered the blame, shame, and embarrassment of feeling bedroom broken. For her, delving between the sheets meant physical pain, zero desire, and emotional scars from being molested in her early years. However, in her late forties, after meeting and marrying the love of her life, Zam was determined to finally fix her sensual self. This is her brave and bawdy plan to triage her flaccid romantic life, stepping into a void where intimacy, self-love, and playfulness could be experienced--the full monty of Eros that had been missing from her existence. *The Pleasure Plan* is what happened when she decided to challenge her hopelessness. In partnership with her initially reluctant husband, she visited 15 healers and tried 30 pleasure-enhancing methods: from dilators and dildos, to hypnosis and hosting a sex brunch, to cleansing chakras, to making love to her husband in front of a geriatric Tantric goddess. Packed with humor, heart, and a healthy dose of prescriptive advice, this book chronicles Zam's insight as she confronts many issues—from mismatched libidos to female erection enlightenment. Throughout this journey, she and her husband grow as individuals and as a couple, both in and out of the bedroom. Fearlessly honest and full of inspiration, Zam peels back the layers—or covers—and exposes her foibles, insecurities, and eventual wisdom as she excavates past traumas, accepts and embraces her worth, and claims her right to be completely alive. Today, Laura works as a sexuality educator, wellness coach, and speaker helping other women who suffer from sexual dysfunction, the effects of trauma, or those who would simply like more pleasure (of all kinds) in their lives. She also consults with health care providers so they may better assist their clients in achieving sexual well-being. While *The Pleasure Plan* is Zam's personal narrative, it demystifies pervasive taboos, encouraging women to make pleasure a priority, while teaching them how to claim (or reclaim) the power of their sexual selves. It also shows men how they can support their partners in this #Metoo era. Healthy, sultry intimacy is a right; it is time for women to learn—through glorious trial and error—how to embrace the sensual side of themselves. . . exuberantly and unabashedly.
