But now that she has, her life will never be the same"-- Antes de ella estaba vacío. Antes de ella nada tenía sentido. Antes de ella no sabía lo que era el amor. Dos almas. Un destino. These exquisite twin novellas chronicle the difficult choices that reshape the lives of two very different families. In Ordinary Love, Smiley focuses on a woman's infidelity and the lasting, indelible effects it leaves on her children long after her departure. Good Will portrays a father who realizes how his son has been affected by his decision to lead a counterculture life and move his family to a farm. As both stories unfold, Smiley gracefully raises the questions that confront all families with the characteristic style and insight that has marked all of her work.

Se te magoo com o que não digo, como ora insinuas, Se penetras em meus sonhos, em divagações e desejos, Sinto de novo a calidez de teu corpo, toda minha e nua, E seco tuas lágrimas vertidas com meus ansiosos beijos. Bem sabes quanto te quero ter de novo em meus braços, Sorver o perfume de tua pele, acariciar teus cabelos, Acolher-me em teu colo e incontido em mil abraços, Sentir-te novamente minha, com amor, esmero e zelo.

The romance between Tessa and Harry continues as forces try to tear them apart. By the author of After Ever Happy and After We Fell. Original.

Seventeen-year-old Mara cannot remember the accident that took the lives of three of her friends, but after moving from Rhode Island to Florida, finding love with Noah, and more deaths, she realizes that uncovering something buried in her memory might save her family and her future.

The acclaimed author presents an anthology of "confrontational and at times confounding . . . stories to get lost in" by Colum McCann, Victor Lodato and others (Kirkus Reviews). In his introduction to this one hundredth volume of the beloved Best American Short Stories, guest editor T. C. Boyle writes, "The Model T gave way to the Model A and to the Ferrari and the Prius . . . modernism to postmodernism and post-postmodernism. We advance. We progress. We move on. But we are part of a tradition." Boyle's choices of stories reflect a vibrant range of characters, from a numb wife who feels alive only in the presence of violence to a new widower coming to terms with his sudden freedom, from a missing child to a champion speedboat racer. These stories will grab hold and surprise, which according to Boyle is "what the best fiction offers, and there was no shortage of such in this year's selections." The Best American Short Stories 2011 includes entries by Denis Johnson, Louise Erdrich, Elizabeth McCracken, Aria Beth Sloss, Thomas McGuane, and others.

Lara Bailey isn't in Rocky Springs for the hot springs, the resort activities or the fabulous skiing. She has come to Colorado for one reason and one reason only: to find and get close to Marcus Colter, the eldest Colter brother. Unfortunately, trouble finds her in the form of Tate Colter rather than Marcus. The youngest Colter brother is arrogant, cocky, smart, and tenacious in his attempts to find out why she wants to find Marcus even though she's never met him. Lara isn't willing to divulge that information, and Tate is determined to uncover her motives. It makes Tate one hot, wickedly sexy, adorably dimpled, alpha male pain in her backside. Lara is really confused when Tate helps her out of a difficult and potentially dangerous situation. It leaves Lara wondering if he really is the cocky, arrogant jerk that he pretends to be, or if there isn't much more to Tate Colter than she'd initially thought. Tate Colter wants Lara Bailey in his bed...badly. When she completely blows him off and ignores him when they meet, he's even more determined to find out her secrets and get her to submit to the molten desire that radiates between the two of them. The fact that she's one tough female, a woman who can give back exactly what he dishes out, makes her even more intriguing to him. Sparks fly as Tate and Lara become involved in a battle of wits and wills that will ignite flames of passion and desire like neither one of them have ever experienced. But when deception is discovered and a betrayal takes place, can these two adversaries who are so much alike work together without letting the white-hot passion burning between them incinerate them both?

Raised by a single mother, it's always been Izumi—or Izzy, because “It's easier this way”—and her mom against the world. But then Izumi discovers a clue to her previously unknown father's identity...and he's none other than the Crown Prince of Japan. Which means outspoken, irreverent Izzy is literally a princess. In a whirlwind, Izumi travels to Japan to meet the father she never knew and discover the country she always dreamed of. But being a princess isn't all ball gowns and tiaras. There are conniving cousins, a hungry press, a scowling but handsome bodyguard who just might be her soulmate, and thousands of years of tradition and customs to learn practically overnight. Izumi soon finds herself caught between worlds, and between versions of herself—back home, she was never “American” enough, and in Japan, she must prove she's “Japanese” enough. Will Izumi crumble under the weight of the crown, or will she live out her fairy tale, happily ever after? Look for the sequel, *Tokyo Dreaming*, in 2022!

Recounts Hardin's first encounters with Tessa and their ensuing love affair that became a vortex pulling in everyone around them.

Six interlinked short stories that follow Evelyn Ross - the character from Amor Towles's bestselling novel *Rules of Civility* - to Hollywood in 1938. 'Impossibly glamorous' *The Times* 'Achingly stylish' *Guardian* Near the end of *RULES OF CIVILITY*, the fiercely independent Evelyn Ross boards a train from New York to Chicago to visit her parents, but never disembarks. Six months later, she appears in a photograph in a gossip magazine exiting the Tropicana Club on Sunset Boulevard on the arm of Olivia de Havilland. In this chain of six richly detailed and atmospheric stories, each told from a different perspective, Towles unfolds the events that take Eve to the heart of old Hollywood. Beginning in the dining car of the Golden State Limited in September 1938, we follow Eve to the elegant rooms of the Beverly Hills Hotel, the fabled tables of Antonio's, the amusement parks on the Santa Monica piers, the afro-Cuban dance clubs off Central Avenue, and ultimately the set of *Gone with the Wind*. With the glamour and grit of the studio system's golden age as a backdrop, Towles introduces in each story a memorable new character whose fate may well be altered by their encounter with Eve. But in following the thread of these varied encounters, we also watch as Eve forges a new and unexpected life for herself in late 1930s Los Angeles.
