Hit the slopes in Aspen, discover the Old West in Durango or marvel at the splendor of the Rockies, all with your trusted travel companion. Get to the heart of Colorado and begin your journey now!

This diner in Plainview, Indiana is home away from home for Odette, Clarice, and Barbara Jean. Dubbed "The Supremes" by high school pals in the tumultuous 1960s, they've weathered life's storms for over four decades and counseled one another through marriage and children, happiness and the blues. Now, however, they're about to face their most challenging year yet. Proud, talented Clarice is struggling to keep up appearances as she deals with her husband's humiliating infidelities; beautiful Barbara Jean is rocked by the tragic reverberations of a youthful love affair; and fearless Odette is about to embark on the most terrifying battle of her life. With wit, style and sublime talent, Edward Kelsey Moore brings together three devoted allies in a warmhearted novel that celebrates female friendship and second chances.

A crack team of New York Times journalists tackles the nation's most persistent problem--the racial divide--examining the subtleties of race relations in America today through a vast collection of essays that follow people from all backgrounds and every corner of society. Reprint. 17,500 first printing.

Blacks and Latinos have transformed the American city—together these groups now constitute the majority in seven of the ten largest cities. Large-scale immigration from Latin America has been changing U.S. racial dynamics for decades, and Latino migration to new destinations is changing the face of the American south. Yet most of what social science has helped us to understand about these groups has been observed primarily in relation to whites—not each other. *Just Neighbors?* challenges the traditional black/white paradigm of American race relations by examining African Americans and Latinos as they relate to each other in the labor market, the public sphere, neighborhoods, and schools. The book shows the influence of race, class, and received stereotypes on black-Latino social interactions and offers insight on how finding common ground may benefit both groups. From the labor market and political coalitions to community organizing, street culture, and interpersonal encounters, *Just Neighbors?* analyzes a spectrum of Latino-African American social relations to understand when and how these groups cooperate or compete. Contributor Frank Bean and his co-authors show how the widely held belief that Mexican immigration weakens job prospects for native-born black workers is largely unfounded—especially as these groups are rarely in direct competition for jobs. Michael Jones-Correa finds that Latino integration beyond the traditional gateway cities promotes seemingly contradictory feelings: a sense of connectedness between the native minority and the newcomers but also perceptions of competition. Mark Sawyer explores the possibilities for social and political cooperation between the two groups in Los Angeles and finds that lingering stereotypes among both groups, as well as negative attitudes among blacks about immigration, remain powerful but potentially surmountable forces in group relations. Regina Freer and Claudia Sandoval examine how racial and ethnic identity impacts coalition building between Latino and black youth and find that racial pride and a sense of linked fate encourages openness to working across racial lines. Black and Latino populations have become a majority in the largest U.S. cities, yet their combined demographic dominance has not abated both groups' social and economic disadvantage in comparison to whites. *Just Neighbors?* lays a much-needed foundation for studying social relations between minority groups. This trailblazing book shows that, neither natural allies nor natural adversaries, Latinos and African Americans have a profound potential for coalition-building and mutual cooperation. They may well be stronger together rather than apart.

In 2007, while researching mountain culture in upstate South Carolina, anthropologist John M. Coggeshall stumbled upon the small community of Liberia in the Blue Ridge foothills. There he met Mable Owens Clarke and her family, the remaining members of a small African American community still living on land obtained immediately after the Civil War. This intimate history tells the story of five generations of the Owens family and their friends and neighbors, chronicling their struggles through slavery, Reconstruction, the Jim Crow era, and the desegregation of the state. Through hours of interviews with Mable and her relatives, as well as friends and neighbors, Coggeshall presents an ethnographic history that allows members of a largely ignored community to speak and record their own history for the first time. This story sheds new light on the African American experience in Appalachia, and in it Coggeshall documents the community's 150-year history of resistance to white oppression, while offering a new way to understand the symbolic relationship between residents and the land they occupy, tying together family, memory, and narratives to explain this connection.

The SMASH HIT SERIES now being developed at SYFY channel -- coming soon from NBC/Universal! Immortality Has Met Its Match... Ever since the Ring of Fire, the world's vampires have seen their mortality. They won't live forever after all — not if the angels who created them decide to snuff them like candles. What do the angels want? What did their command to “restore balance” truly mean? For most, the angels' decrees mean mass murder and mass turnings ... but the humans aren't sheep, and won't just lie down and take it forever. As Deacon Maurice tries to maintain order with Reginald by his side, panic consumes the Vampire Nation. The center begins to fall apart and chaos grows like cancer. But as war between vampires and humans threatens, Reginald begins to discover strange new abilities within him: to navigate through blood history like no other vampire before him. To glamour those who can't be glamour'd. And seemingly, to stop time itself. Fear has reached its tipping point. War is close. Reginald might hold the key to the angels' mystery ... but whatever could help him intervene just might be too late. Keep on reading Johnny B. Truant's blockbuster series, and you'll never look at vampires (or vampire stories) the same way again. ????? "I annihilate these installments like Reginald takes down taquitos. The series keeps getting better." -- Hilary ????? "I simply love this style of humor, Reggie rocks on and finds new friends and of his own style of complex skills sets. Yes sir five stars and I purchased all five books." -- C.E. Wright ????? "One would never think you'd root for an obese, out of shape vampire ... one would be wrong. Reginald is still an unexpected, yet inspiring hero. I just started reading the series last night and am already through book 3 of the series ... finding it hard make me self stop reading 'cause I want/need to know what happens next." -- M E Pulliam ????? "I was hooked when I heard the \_concept\_ of this series... now look what you've done! Probably the best installment to date, totally LOVE the intensity and 'reality' of the Vampire Nation (seriously? Fangbook... I laughed SOooo hard with the parallels to today's society and the vainglorious presumption of the culture at large)." -- Leanne Overlander This fresh twist on the tired old undead myth is the third in the Fat Vampire series by Johnny B. Truant — author of many bestselling series including *Invasion*, *The Beam*, *Unicorn Western*, *The Dream Engine*, *Robot Proletariat*, and more. In this vibrant and original novel, Christopher Columbus Wong, orphan son of a Chinatown bachelor community, is trying to invent a family for himself while all around him American popular culture is reinventing itself with sex, drugs, and rock n roll. Christopher finds himself on a wild journey with his gay older brother, Peter, a pan-Pacific TV chef; the defrocked, deranged, and eroding ex-director of a Chinatown settlement house, Reverend Ted Candlewick; the sharp-eyed, conspiring matriarch Auntie Mary, the bridge between the conflicting values that make up this cultural stew; and Uncle Lincoln, a bachelor, short order cook, and, quite possibly, Christopher and Peter's father. Further complicating Christopher's voyage are his ex-wives: Winnie, a Hong Kong immigrant looking for a green card, and Melba, an American orphan of the counterculture. Set against the backdrop of America's wars in Asia and the assimilation of that experience the refugees, the stereotypes, the food *Eat Everything Before You Die* is an ironic commentary on the identities the children of Chinese American immigrants concoct from their questionable histories, cultural practices, and survival strategies. Chans riotous story will appeal to general readers, particularly those interested in the Asian American experience, and will be of strong, enduring interest to students and scholars in Asian American Studies.

Kenzie Fortune, a practicing criminal attorney, is enjoying success both in and outside of the courtroom. Just when she

thinks everything in her life is coming together, an old client and someone she considers a friend, finds himself needing her legal expertise to beat a major drug case he picked up on a humbug. When it becomes evident that Kenzie won't be able to work her usual magic, bitter, the client decides to pull a stunt of his own. Kenzie, surprised and hurt by the treachery, panics, then tries to fix everything. The stress she finds herself facing begins to strain her perfect relationship, her law practice and her psyche. Unbeknownst to all involved, Kenzie is willing to go the extra mile to protect her livelihood, her reputation and her life as she knows it. In the midst of everything, even she finds out things about herself she never knew.

Detailed and timely information on accommodations, restaurants, and local attractions highlight these updated travel guides, which feature all-new covers, a two-color interior design, symbols to indicate budget options, must-see ratings, multi-day itineraries, Smart Travel Tips, helpful bulleted maps, tips on transportation, guidelines for shopping excursions, and other valuable features. Original.

Moonshadow: A Moonshadow Novel

The Rough Guide to Yellowstone & Grand Teton is your definitive guidebook to this storied region of the American west, designed to help you best enjoy your trip to Yellowstone and Grand Teton national parks. Whether you want to know how to avoid Yellowstone's notorious high-season crowds, when and where to spot a moose in Grand Teton, or simply where to eat and sleep in either Yellowstone or Grand Teton, this detailed guide has everything you need, including full-colour photos, richly detailed maps, reviews on every single restaurant and lodge within Yellowstone and Grand Teton, and comprehensive looks at Yellowstone and Grand Teton's various gateway towns, including Jackson, West Yellowstone, Gardiner, Cooke City and Cody. The guide also takes a detailed look at hiking in Yellowstone and Grand Teton, with two full chapters dedicated to the best day and overnight hikes found inside each park.

EATING WELL WHEN YOU'RE EXPECTING provides mums-to-be with a realistic approach to navigating healthily and deliciously through the nine months of pregnancy - at home, in the office, at Christmas, in restaurants. Thorough chapters are devoted to nutrition, weight gain, food safety, the postpartum diet, and how to eat when trying to conceive again. And the book comes with 150 contemporary, tasty, and healthy recipes that feed mum and baby well, take little time to prepare, and are gentle on queasy tummies. At the heart of the book are hundreds of pressing questions every mother-to-be has: Is it true I shouldn't eat any food cooked with alcohol? Will the caffeine in coffee cross into my baby's bloodstream? I'm entering my second trimester, and I'm losing weight, not gaining - help! Is all sushi off limits? How do I get enough calcium if I'm lactose intolerant? I keep dreaming about a hot fudge sundae - can I indulge? (The answer is yes!)

This collection contains four novels and three novellas, including *Playing with Fire*, *Hoofin' It*, *Serial Killer Princess*, *Whatever for Hire*, *Hearth, Home, and Havoc*, *Owl Be Yours*, and *Fowl Play*. *Playing with Fire* What do you get when you mix gorgons, an incubus, and the Calamity Queen? Trouble, and lots of it. For Bailey, catering to the magical is a tough gig on a good day, but she has few other options. She can either keep spiking drinks with pixie dust to keep the locals happy, or spend the rest of her life cleaning up some of the world's nastiest magical substances. Years after helping Police Chief Samuel Quinn escape an unhappy marriage, Bailey is once again entangled in his personal affairs. To make matters worse, Quinn's ex-wife is angling for revenge, tossing Bailey into the deep end along with her sexiest enemy. *Hoofin' It* All Shane wanted was to get away from the wreckage of his career for a while. He picked New York City to provide him with a distraction from his early, unwanted retirement from the police force. New York City delivered, distracting him with three corpses and a miniature llama with a spitting problem and an attitude. If he wants to return to a normal life, he'll have to face off against a sex trafficking ring targeting the woman of his dreams, ancient vampires, murderous criminals, his parents, and an FBI agent with a hidden agenda. Some days, it isn't easy being an ex-cop. *Serial Killer Princess* Why would anyone put a mermaid and a gorgon in the same room together? While Tulip enjoys being alive, her lineage brings her nothing but trouble. Snakes eat fish, and the mer love tearing apart their serpentine nemeses with their hands and teeth. As for the gorgons... she'd rather not think about them at all. The last thing Tulip wants is to rule the mer kingdom. First, she can barely swim. Second, she's packing more than her fair share of her father's genes. Third, what is a landlocked princess supposed to do with an aquatic kingdom? If she gets her way, nothing. Add in her dirty little serial killing secret, and she's an international disaster waiting to happen. *Whatever for Hire* Fetching a cat out of a tree should've been a quick, easy fifty bucks in Kanika's pocket. Instead, following one stray thought, the devil pays her a visit and leaves her with a debt to repay. *Hearth, Home, and Havoc* Dakota never intended to become the single mother of a goddess. To make matters worse, her daughter hadn't quite figured out her role in the grand scheme of things. *Havoc* isn't supposed to be part of Hestia's portfolio, but where the young goddess of the hearth and home goes, trouble surely follows. When Dakota's ex-husband barrels his way back into her life, a heavy dose of havoc is just what the doctor ordered. She just never expected to find love in the midst of murder. *Owl Be Yours* After a wildfire took everything from her, Emily Hall made do surviving as a homeless human by day and as an owl at night. When one of the men responsible for infecting her with lycanthropy comes winging his way back into her life, she must choose between revenge or resuming a normal life. Until Daniel's return, she never dreamed she might be able to have both. *Fowl Play* Instead of a quiet dance retreat where she could escape the insanity of being the daughter of an angel, a succubus, and a lycanthrope, Emma Sansaul plummets into the middle of murder, mayhem, and mischief. As becoming the next victim of a crazed serial killer is not on her itinerary, she's left with no choice but to join forces with Agent Kenneth Bernard to find the murderer, the one man on Earth capable of making her hissing mad one second and in need of a cold shower the next.

After years of secrecy and silence, Rowan McCandless leaves an abusive relationship and rediscovers her voice and identity through writing. She was never to lie to him. She was never to leave him; and she was never supposed to tell.

Persephone's Children chronicles Rowan McCandless's odyssey as a Black, biracial woman escaping the stranglehold of a long-term abusive relationship. Through a series of thematically linked and structurally inventive essays, McCandless explores the fraught and fragmented relationship between memory and trauma. Multiple mythologies emerge to bind legacy and loss, motherhood and daughterhood, racism and intergenerational trauma, mental illness and resiliency. It is only in the aftermath that she can begin to see the patterns in her history, hear the echoes of oppression passed down from unknown, unnamed ancestors, and discover her worth and right to exist in the world. A RARE MACHINES BOOK High comedy combines with war and wizardry in an epic about the Ancient and Honorable Kingdom of the Hydrangeans; the mighty, though rather stupid, warrior Gudge; and the mysterious Black Weasel

BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals, entrepreneurs and corporate executives. Every month, BLACK ENTERPRISE delivers timely, useful information on careers, small business and personal finance.

A dazzling history of Africans in Europe, revealing their unacknowledged role in shaping the continent Conventional wisdom holds that Africans are only a recent presence in Europe. But in African Europeans, renowned historian Olivette Otele debunks this and uncovers a long history of Europeans of African descent. From the third century, when the Egyptian Saint Maurice became the leader of a Roman legion, all the way up to the present, Otele explores encounters between those defined as "Africans" and those called "Europeans." She gives equal attention to the most prominent figures—like Alessandro de Medici, the first duke of Florence thought to have been born to a free African woman in a Roman village—and the untold stories—like the lives of dual-heritage families in Europe's coastal trading towns. African Europeans is a landmark celebration of this integral, vibrantly complex slice of European history, and will redefine the field for years to come.

When Nephele has a terrible freshman year, she does the only logical thing for a math prodigy like herself: she invents a time travel app so she can go back and do it again (and again, and again) in this funny love story, Groundhog Day for the iPhone generation. Fourteen-year-old Nephele used to have friends. Well, she had a friend. That friend made the adjustment to high school easily, leaving Nephele behind in the process. And as Nephele looks ahead, all she can see is three very lonely years. Nephele is also a whip-smart lover of math and science, so she makes a plan. Step one: invent time travel. Step two: go back in time, have a do-over of 9th grade, crack the code on making friends and become beloved and popular. Does it work? Sort of. Nephele does travel through time, but not the way she planned--she's created a time loop, and she's the only one looping. And she keeps looping, for ten years, always alone. Now, facing ninth grade for the tenth time, Nephele knows what to expect. Or so she thinks. She didn't anticipate that her new teacher would be a boy from her long ago ninth grade class, now a grown man; that she would finally make a new friend, after ten years. And, she couldn't have pictured someone like Jazz, with his deep violet eyes, goofy magic tricks and the quietly intense way he sees her. After ten freshman years, she still has a lot more to learn. But now that she's finally figured out how to go back, has she found something worth staying for?

The Supremes at Earl's All-You-Can-EatVintage

Tampa Bay Magazine is the area's lifestyle magazine. For over 25 years it has been featuring the places, people and pleasures of Tampa Bay Florida, that includes Tampa, Clearwater and St. Petersburg. You won't know Tampa Bay until you read Tampa Bay Magazine.

Odette, Clarice, and Barbara Jean meet regularly at the first diner owned by black proprietors in their Indiana city and are watched throughout the years by a big-hearted man who observes their struggles with school, marriage, and parenthood. Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site.

Provides complete travel information on the cities, small towns, and resorts of Florida with advice on transportation, dining, sightseeing, accommodations, sports, shopping, and other attractions

In Twisted: My Dreadlock Chronicles, professor and author Bert Ashe delivers a witty, fascinating, and unprecedented account of black male identity as seen through our culture's perceptions of hair. It is a deeply personal story that weaves together the cultural and political history of dreadlocks with Ashe's own mid-life journey to lock his hair. Ashe is a fresh, new voice that addresses the importance of black hair in the 20th and 21st centuries through an accessible, humorous, and literary style sure to engage a wide variety of readers. After leading a far-too-conventional life for forty years, Ashe began a long, arduous, uncertain process of locking his own hair in an attempt to step out of American convention. Black hair, after all, matters. Few Americans are subject to snap judgements like those in the African-American community, and fewer communities face such loaded criticism about their appearances, in particular their hair. Twisted: My Dreadlock Chronicles makes the argument that the story of dreadlocks in America can't be told except in front of the backdrop of black hair in America. Ask most Americans about dreadlocks and they immediately conjure a picture of Bob Marley: on stage, mid-song, dreads splayed. When most Americans see dreadlocks, a range of assumptions quickly follow: he's Jamaican, he's Rasta, he plays reggae; he stinks, he smokes, he deals; he's bohemian, he's creative, he's counter-cultural. Few styles in America have more symbolism and generate more conflicting views than dreadlocks. To "read" dreadlocks is to take the cultural pulse of America. To read Twisted: My Dreadlock Chronicles is to understand a larger story about the truths and biases present in how we perceive ourselves and others. Ashe's riveting and intimate work, a genuine first of its kind, will be a seminal work for years to come.

"Unflinching and uncompromising, tough and talented, Shane McKenzie stands at the forefront of the next generation of horror writers."

-Bentley Little, Stoker Award winning author of "The Summoning," "The Store," and "The Haunted" "Edward Lee fans are going to dig "All You Can Eat!" My advice? Devour this in one sitting, before it eats you!" - J. F. Gonzalez, Author of "Survivor" and the co-author of the Clickers series. Deep is Texas there is a Chinese restaurant that harbors a secret. Its food is delicious and the secret ingredient ensures that once you have one bite you'll never be able to stop. But when the food runs out and the customers turn to cannibalism, the kitchen staff must take up arms against these obese people-eaters or else be next on the menu!

Inside the changing sheds, the gyms, the hotels and on the field with the All Blacks at each Rugby World Cup - a tournament that grips the nation. Inside the Cup is the definitive story of the triumphs, oddities, heartbreaks, dramas and disasters of every All Black campaign at the Rugby World Cup. New Zealand rugby's master storyteller, Phil Gifford, takes you behind the scenes to relive the action as it happened and as told by those directly involved. You'll find out why Buck Shelford was dropped, which All Blacks were actually sick before the 1995 final,

why Taine Randell believes he shouldn't have been captain in 1999, what exactly led to Graham Henry being reappointed as coach despite the miserable result in 2007, and why Steven Donald is called Beaver. Gifford knows all of the players and personalities - he was there. He details a fascinating and often tumultuous journey, from a boozy dinner in Cardiff where the idea for a global tournament first got off the ground, to the breathtaking finale of the victorious 2011 Cup. Inside the Cup is the perfect book for every true rugby fan.

Readers can embrace the local scene as they hit the slopes in Vail, take a dip in Steamboat's hot springs, or puzzle over ancient cliff dwellings at Mesa Verde. Find choices for every traveler, from hiking and mountain biking to music festivals and fine dining.

Offers up-to-date coverage of every attraction in the theme parks, and includes hotels and restaurants in all price ranges.

Black's Trilogy are three stories of a self made man that is educated and wealthy but still very attached to his roots and his community, the only weakness he has ever had is the love he has had for a woman that for some reason he has never been able to have, Book One: Black's Obsession is the story of how he spends over thirty years in the pursuit of her and the complications and rewards that love and life brings and it tells how you may get what you want but not in the way you may want it. Synopsis from Black's Obsession Three nights before my wedding I called Cinnamon and told her that I loved her as soon as she answered the phone. She responded by saying "I love you too, you are my boy". I told her "No not friendship love, I really love you, the way a man loves a woman love". Before she could answer my fiancé came on the line and said "Girl I really love you too, but I am going to hang up now, I really need to talk to my man".

Written by locals, Fodor's Costa Rica 2019 is the perfect guidebook for those looking for insider tips to make the most out their visit. Complete with detailed maps and concise descriptions, this Costa Rica travel guide will help you plan your trip with ease. Join Fodor's in exploring one of the most exciting countries in Central America. Costa Rica is one of the most popular destinations for travelers in search of natural beauty, outdoor adventure, and sun. A program of flexibility and strength-building exercises, nutritional advice and tasty recipes geared toward men in their 40s promises to help them build muscle and lose weight, have more energy and feel happier, strengthen bones, enjoy better sex, keep their brains sharp, manage stress and look younger.

As much as Americans believe in the promise of an egalitarian, color-blind society, the reality is far from that ideal. People of color consistently lag behind their white counterparts in key quality-of-life areas. Despite many significant gains, widespread structural inequalities continue to exist and thrive. Race and Social Problems takes the long view of this state of affairs, offering both multi-level analysis and a practical blueprint for social justice. It begins by explaining how race-related social problems have changed over the decades. This volume identifies factors contributing to their persistence in this century, most notably the central role of economic disparities in exacerbating related social problems and replicating them for future generations. The chapters expand on this knowledge by detailing innovative and successful strategies for addressing aspects of six major areas of inequality: Poverty: challenging standard American concepts of poverty. Education: approaches toward closing the achievement gap. Intergroup relations: enhancing race dialogues. Family and lifespan: programs targeting families, youth, and elderly. Criminal justice: reducing incarceration and increasing public safety. Health and mental health: promoting positive outcomes. Race and Social Problems casts a wide net across the most pressing social issues, clarifying both the immediate and larger tasks ahead for a range of professionals in such diverse fields as social work, anthropology, communications, criminology, economics, history, law, political science, psychology, public health, and sociology.

Takes the guesswork out of what to eat for breakfast, lunch, and dinner Knowing what to eat with diabetes can be frustrating, but it's the most important way to manage the disease. It's also the area where people give up the fastest, but with Ultimate Diabetes Meal Planner you will never have to ask "What's for dinner?" again. The Ultimate Diabetes Meal Planner includes weekly plans for breakfast, lunch, dinner, and snacks, along with detailed recipes that make using the 16-week meal plan easy. The overall calorie count—based on 1500, 1800, 2000, 2200, or 2500 daily calories—lets you choose the right diet, whether you're looking for weight loss or just healthy living.

With the biting wit of Supersize Me and the passion of a lifelong activist, Joel Berg has his eye on the growing number of people who are forced to wait on lines at food pantries across the nation—the modern breadline. All You Can Eat reveals that hunger is a problem as American as apple pie, and shows what it is like when your income is not enough to cover rising housing and living costs and put food on the table. Berg takes to task politicians who remain inactive; the media, which ignores hunger except during holidays and hurricanes; and the food industry, which makes fattening, artery-clogging fast food more accessible to the nation's poor than healthy fare. He challenges the new president to confront the most unthinkable result of US poverty—hunger—and offers a simple and affordable plan to end it for good. A spirited call to action, All You Can Eat shows how practical solutions for hungry Americans will ultimately benefit America's economy and all of its citizens.

Warning: This novel contains excessive humor, action, excitement, adventure, magic, romance, and bodies. Proceed with caution.

Fetching a cat out of a tree should've been a quick, easy fifty bucks in Kanika's pocket. Instead, following one stray thought, the devil pays her a visit and leaves her with a debt to repay. Owing the devil a favor is bad enough, but her life is turned upside down when it's time to pay the piper. First, she doesn't want the world's sexiest firefighting, kitten-rescuing Scot as an unwilling companion. Since that wasn't bad enough, she doesn't know who wants him dead or why, but there's no way in hell she's going to let someone mar his perfection. Add in the fact the devil wants an heir, and there's only one thing she knows for certain: she's in for one hell of a job.
