Gibson believes that four times in ancient history the Arab people united and poured out of the deserts to conquer other nations. The first is described in the Qur'an as the people of 'Ad. Gibson identifies 'Ad with the Edomites and the Hyksos supported by various archaeological proofs. Years later Arabia united again under the Midianites. Some centuries later the Nabataeans unite Arabia. The Qur'an calls them the people of Thamud. In 600 AD the Arabian Peninsula was united under the flag of Islam. But there is more to this book than a study of the four times when the Arabs demonstrated their greatness. This book also examines the geographical references in the Qur'an cross-referencing them with historical locations. The surprise comes when Gibson examines the Holy City of Islam, known as Mecca. Here Gibson finds evidence that the original Holy City was in northern Arabia in the city of Petra. He theorizes that during an Islamic civil war the Ka'ba was destroyed and the Black Rock moved to its present location. Gibson examines archaeological, historical and literary evidence that support this theory. This book contains many references, as well as some useful appendices including a 32 page time line of Islamic history from 550 AD - 1095 AD, and a 20 page annotated selected bibliography of early Islamic sources in chronological order from 724 AD - 1100 AD plus a list of many early Qur'anic manuscripts. Easy to read, fully referenced with many illustrations and photos.

Why have the Jews been so hated throughout all of history? Why have they been kicked out of European countries well over a hundred times in the past? This book endeavors to answer that question.....at least partially. What is found inside is the fully updated and expanded version of a series of articles that were originally published on the world's most visited Alt-Right website, The Daily Stormer. It documents the extensive role that the Jews have played in the legalization of pornography in America, showing that they have accomplished this by influencing cultural attitudes and spearheading all of the various obscenity trials that resulted in landmark liberalizing Supreme Court decisions.

Kama Sutra Kamasutram, generally known to the Western world as Kama Sutra, is an ancient Hindu text widely considered to be the standard work on love in Sanskrit literature. The text was composed by Vatsyayana, (pronounced Vaats-yaa-yan), as a brief summary of various earlier works belonging to a tradition known generically as Kama Shastra, the science of love. Kama is literally desire. Sutra signifies a thread, or discourse threaded on a series of aphorisms. Tradition holds that the author was a celibate scholar. He is believed to have lived sometime between the 1st to 6th centuries AD, probably during the great cultural flowering of the Gupta period.

"Gaza Writes Back" is a collection of short stories from fifteen young writers in Gaza, members of a generation that has suffered immensely under Israel's siege and blockade. Their experiences, especially during and following Israel's 2008-2009 offensive known as "Operation Cast Lead," have fundamentally impacted their lives and their writing. Indeed, many of these writers saw the war as a catalyst for their writing, as they sought an outlet and a voice in its aftermath. They view the book as a means of preserving Palestinian memories and presenting their narratives to the world without filters. Their words take us into the homes and hearts of moms, dads, students, children, and elders striving to live lives of dignity, compassion, and meaning in one of the world's most embattled communities. These stories are acts of resistance and defiance, proclaiming the endurance of Palestinians and the continuing resilience and creativity of their culture in the face of ongoing obstacles and attempts to silence them. Whether tackling the tragedy that surrounds missile strikes and home raids, or the everyday indignities encountered by Palestinian refugees, "Gaza Writes Back" brings to life the real issues that the people of Gaza face. One prominent theme in many of the stories is the wisdom of parents and grandparents. A sense of longing pervades the book, as the characters in the stories reveal desires ranging from the mundane to the complex--including, in several of the stories, a strong yearning to return to the characters' family homes and properties after many decades in exile. Social differences within Gaza are also sensitively explored. Readers will be moved by the struggles big and small

that emerge from the well-crafted writing, and by the hope and courage that radiates from the authors' biographies. Five years after Operation Cast Lead, these stories remind us that the pain lingers on and the people of Gaza will be forever scarred by the attack. Yet, the call for justice remains forceful and persistent, and these young Gazan writers refuse to let the world forget about them--their land, their people, and their story.

Every Business Is God's Business The notion that labor for profit and worship of God are now, and always have been, worlds apart, is patently false. The Early Church founders were mostly community leaders and highly successful businesspeople. The writing of the Gospels was entrusted to Luke, a medical doctor; Matthew, a retired tax collector; Mark, the manager of a family trust; and John, a food supplier. Lydia was "a dealer in purple cloth." Dorcas was a clothes designer. In this expanded version of the bestselling Anointed for Business, Ed Silvoso focuses on the heart of our cities, which is the marketplace. Yet the perceived wall between commercial pursuit and service to God continues to be a barrier to advancing His kingdom. Silvoso shows Christians how to knock down that wall--and participate in an unparalleled marketplace transformation. Only then can we see God's kingdom invade every corner of our world. Readers will appreciate Silvoso's passionate call to men and women in the workplace to rise to their God-appointed positions. The included study guide will enable the reader to put these revolutionary concepts into action.
