Ida B. Applewood believes there is never enough time for fun. That's why she's so happy to be homeschooled and to spend every free second outside with the trees and the brook. Then some not-so-great things happen in her world. Ida B has to go back to that Place of Slow but Sure Body-Cramping, Mind-Numbing, Fun-Killing Torture—school. She feels her heart getting smaller and smaller and hardening into a sharp, black stone. How can things go from righter than right to a million miles beyond wrong? Can Ida B put together a plan to get things back to just-about perfect again?

The Evidence-Based Inquiry Using Primary Sources series for grades 1 to 6 will engage students in a world of inquiry and discovery. Inquiry-based learning is active learning that elicits a higher level of reading comprehension. The pages of these books contain exciting and fascinating real-world photographs, advertising, recipe cards, theater programs, posters, letters, and maps, as well as other interesting items that document history. Each book highlights 15 primary sources across four pages each. The first three pages of each set present the same primary source with text that is differentiated for three reading levels. The last page of each set offers questions and prompts to encourage higher-level thinking and inquiry.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow

her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. “*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin From the Paperback edition.

Sourcebook contains End-of-the-Unit Assessment Tasks for each Curriculum Unit along with suggestions of what the teacher should look for when evaluating student work.* Contains both English and Spanish blackline masters.

In 1773, Phillis Wheatley published a book of poetry. It was a great accomplishment that made her very famous. Only a year before, Phillis had had to take a test to prove that she was the actual author of these poems, because Phillis Wheatley was a slave. Who would believe that an African girl could be the author of such poetry? Phillis did! She believed in herself, and took every opportunity she could to make her life better. She believed in the power of her words, and her writing to prove her talent, and used the power of words to change a life.
