Doreen Virtue carefully studied and wrote about the history of each of the deities, what role they serve today, how they can help us with specific life problems, and how to call upon each one. Doreen spent time in communication with each divinity to ensure that the being was reachable, and to discover the essence of his or her personality and current dealings with the world - and within these pages, she includes a channeled message or impression from each of the ascended masters and archangels. Many of her channelings were conducted at power points throughout the world, such as Stonehenge in England; the Irish coast; Kona, Hawaii; and the New Zealand rain forest. A comprehensive chart lists a number of life situations such as Addictions, Finding a Soulmate, Emergency Money, Healing Physical Illness, and various personal and family concerns. Beneath each topic is a list of whom to call upon when dealing with that particular challenge. Doreen also includes prayers to help you call upon multiple divinities for specific issues such as "increased clairvoyance" and "resolving conflict."

temples of the lost civilizations of Atlantis. Part spiritual adventure story and part reference book, Angel Medicine is a three-part work that relates the exciting story of Doreen's recovery of memories of Atlantean healing methods along with messages from the Egyptian and Greek prophet and deity Hermes and the angels. The second and third parts of the book reveal the scientific studies, case studies, methods, and charts supporting the importance of love and light in healing. Whether you want to heal yourself or someone else, you're sure to gain additional faith and understanding from reading Angel Medicine.

The Gate of Light describes an ancient healing method used by the Essenes, or The Sons of Light, 2500 years ago, it brings this long forgotten practice to the modern age, complete with practical tools, meditations and visualisations. A companion book to The Law of Light but can be read on its own. Until the discovery of the Dead Sea Scrolls in 1946, there was little known about The Essenes; a brotherhood of holy men and women living together within a community over two thousand years ago. The Essenes considered themselves to be a separate people--not because of external signs like skin colour, hair colour, but because of the illumination of their inner life and their knowledge of the hidden mysteries of nature unknown to other men. The Gate of Light is based on Lars Muhl's lifelong search for God, it doesn't claim any absolute truths but sets out to provide a practice based on Essene teachings that allows us to look at how we judge ourselves and how we live in the world. He asks: What motivates us? How do we create a balance between thoughts, words and actions? How do we align ourselves in relation to our higher self and become the universal light beings we are meant to be? The Essenes understood that everything is interactively connected and that everything is energy. For them, God was the name for the highest form of awareness, something omnipresent and, if a human wished to learn how then they could communicate with this ever present energy and through this communication humans could realize their full potential. Drawing on this ancient knowledge Lars presents a complete practice to help us recognize and answer the above questions. He particularly looks at: Grief and Happiness, Balance and Awareness, Selflessness, Boredom and Renunciation, Loneliness, Gratitude, Silence and Thoughtfulness.

One of the most common ways in which angels speak to us is by showing us repetitive number sequences. Since the publication of her best-selling book Angel Numbers, Doreen Virtue has received even more information from the angels about the meaning of number sequences such as 111, 444, 1234, and so forth. Angel Numbers 101 clearly explains how to receive accurate messages from your angels and heavenly loved ones whenever you see repetitive number sequences on telephone numbers, license plates, receipts, clocks, and such. Every message is completely updated for increased accuracy in understanding your angels' messages. This handy reference guide is small enough to fit into a purse or desk drawer so you'll always know what your angels are saying.

Looks at the history and hierarchy of angels and offers instructions on using divine intuition, use meditation to connect with angels, gain protection from angels, and perform angel card readings.
