

Nature Speak Signs Omens And Messages In Nature

The Open Access version of this book, available at www.taylorfrancis.com/books/9781472453983, has been made available under a Creative Commons Attribution-Non Commercial-No Derivative 4.0 license. Experiences of hearing the voice of God (or angels, demons, or other spiritual beings) have generally been understood either as religious experiences or else as a feature of mental illness. Some critics of traditional religious faith have dismissed the visions and voices attributed to biblical characters and saints as evidence of mental disorder. However, it is now known that many ordinary people, with no other evidence of mental disorder, also hear voices and that these voices not infrequently include spiritual or religious content. Psychological and interdisciplinary research has shed a revealing light on these experiences in recent years, so that we now know much more about the phenomenon of "hearing voices" than ever before. The present work considers biblical, historical, and scientific accounts of spiritual and mystical experiences of voice hearing in the Christian tradition in order to explore how some voices may be understood theologically as revelatory. It is proposed that in the incarnation, Christian faith finds both an understanding of what it is to be fully human (a theological anthropology), and God's perfect self-disclosure (revelation). Within such an understanding, revelatory voices represent a key point of interpersonal encounter between human beings and God.

Winner of the International Lannan Literary Award for Nonfiction Animal tracks, word magic, the speech of stones, the power of letters, and the taste of the wind all figure prominently in this intellectual tour de force that returns us to our senses and to the sensuous terrain that sustains us. This major work of ecological philosophy startles the senses out of habitual ways of perception. For a thousand generations, human beings viewed themselves as part of the wider community of nature, and they carried on active relationships not only with other people with other animals, plants, and natural objects (including mountains, rivers, winds, and weather patterns) that we have only lately come to think of as "inanimate." How, then, did humans come to sever their ancient reciprocity with the natural world? What will it take for us to recover a sustaining relation with the breathing earth? In *The Spell of the Sensuous* David Abram draws on sources as diverse as the philosophy of Merleau-Ponty, Balinese shamanism, Apache storytelling, and his own experience as an accomplished sleight-of-hand of magician to reveal the subtle dependence of human cognition on the natural environment. He explores the character of perception and excavates the sensual foundations of language, which—even at its most abstract—echoes the calls and cries of the earth. On every page of this lyrical work, Abram weaves his arguments with a passion, a precision, and an intellectual daring that recall such writers as Loren Eiseley, Annie Dillard, and Barry Lopez.

For those who want to infuse their self-care routine with a little magic, this mystical guidebook provides readers with simple spells to enhance their daily lives. Topics range from relationships and emotional health to self-love, work, school, and more. *Spellwork for Self-Care* takes an old-fashioned approach to the practice of self-soothing. As young people flock to the well-worn paths tread by the witches of yore by using tarot card readings, astrological sign analysis, and herbal home remedies for mental and physical ailments, the practice of witchcraft has morphed into a form of spirituality for millennials and Generation Z. This book of 40 spells combines witchy spiritual practices with our culture's hunger for self-care, creating a compact resource for those seeking alternate paths to better mental, spiritual, emotional, and physical health.

An animal-by-animal guide that reveals the meaning behind each encounter we have with animals • Provides sophisticated psychological insight into encounters with more than 150 animals, birds, reptiles, insects, and aquatic life • Explores how animals reflect our inner world, drawing our attention to inner turmoil, relationship issues, spiritual growth, and the deepest needs of the soul • Explains how the meaning of each encounter depends on whether the animal was hunting, fleeing, hiding, or acting indifferent when sighted We each feel connections to animals in our own way. Some of us have pets. Others admire animals in the wild. Because the outer world often reflects our internal states and animals are highly sensitive to our energies, each encounter with an animal signals something about our inner world and innermost concerns. The spontaneous, surprising contacts are the telling ones: a sparrow landing next to you, a fox darting across the road, or a bee alighting on your hand. However, even regular encounters with our pets can draw attention to our inner world and what needs to be thought over and grappled with, from psychic turmoil and relationship issues to spiritual growth and the deepest needs of the soul. Providing sophisticated psychological insight into encounters with more than 150 animals, birds, reptiles, insects, and aquatic life, Regula Meyer explores the messages each animal provides for us on a personal level when we encounter them. She explains how the meaning of each encounter depends on whether the animal was hunting, fleeing, hiding, or acting indifferent when sighted. For example, a fleeing animal is prompting you to pursue a subject consciously, while a hiding animal tells you to patiently observe something and draw insights from it. The author shows how animal encounters in the wild cause us to contemplate the present moment and inspire the flow of our perceptions, leading us to meditate on important concerns we may be ignoring or unaware of. Pets and other animals we see every day act as intensifiers of the energy for which they stand. With this animal-by-animal guide, you can discover the deep meaning behind your encounters with animals and the messages they bring as oracles of our souls.

From the acclaimed Nobel Prize winner: Two girls who grow up to become women. Two friends who become something worse than enemies. This brilliantly imagined novel brings us the story of Nel Wright and Sula Peace, who meet as children in the small town of Medallion, Ohio. Nel and Sula's devotion is fierce enough to withstand bullies and the burden of a dreadful secret. It endures even after Nel has grown up to be a pillar of the black community and Sula has become a pariah. But their friendship ends in an unforgivable betrayal—or does it end? Terrifying, comic, ribald and tragic, *Sula* is a work that overflows with life.

A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into

an inspiring tale of self-discovery, *The Alchemist* has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

There is a distinct hint of Armageddon in the air. According to *The Nice and Accurate Prophecies of Agnes Nutter, Witch* (recorded, thankfully, in 1655, before she blew up her entire village and all its inhabitants, who had gathered to watch her burn), the world will end on a Saturday. Next Saturday, in fact. So the armies of Good and Evil are amassing, the Four Bikers of the Apocalypse are revving up their mighty hogs and hitting the road, and the world's last two remaining witch-finders are getting ready to fight the good fight, armed with awkwardly antiquated instructions and stick pins. Atlantis is rising, frogs are falling, tempers are flaring. . . . Right. Everything appears to be going according to Divine Plan. Except that a somewhat fussy angel and a fast-living demon -- each of whom has lived among Earth's mortals for many millennia and has grown rather fond of the lifestyle -- are not particularly looking forward to the coming Rapture. If Crowley and Aziraphale are going to stop it from happening, they've got to find and kill the Antichrist (which is a shame, as he's a really nice kid). There's just one glitch: someone seems to have misplaced him. . . . First published in 1990, Neil Gaiman and Terry Pratchett's brilliantly dark and screamingly funny take on humankind's final judgment is back -- and just in time -- in a new hardcover edition (which includes an introduction by the authors, comments by each about the other, and answers to some still-burning questions about their wildly popular collaborative effort) that the devout and the damned alike will surely cherish until the end of all things.

When you're born, you're given your own individual magical word—your name. It holds the keys to your soul's energies and abilities. If you come to know and use your name properly, you can uncover your soul's purpose, manifest abundance, and open up to unlimited possibilities. *The Sacred Power in Your Name* includes entries for nearly two hundred names with meanings, affirmations, sound and chakra elements, and meditations. Using the techniques and information in this book, you will be able to: Analyze the sounds and rhythms of your name Transform your name into a magical incantation Awaken creative energies related to your name Create an inner talisman Discover your purpose in life Use your name for empowerment and healing Your name is your direct link to the infinite possibilities of the universe. In this book, you will discover new worlds and wonders as you uncover the true power of your very own magical word. Praise: "Ted explores the names themselves, and he goes into every nuance of naming. This is a very in-depth study of the sacred power of names."—Phoenix McFarland, author of *The New Book of Magical Names*

Everyone is affected by color. We use colors to describe our physical health, our emotions, even our spiritual experiences. Now you can learn how to use color to restore health and balance energy. Popular author Ted Andrews presents an effective system for developing your innate healing skills, including a chart that lists the beneficial colors for over fifty physical conditions. With this easy-to-follow guide, you will learn the basics of color healing, why it works, and simple techniques for healing yourself and others using colored lights, candles, cloths, and charged water. Discover how to: Use color to balance and restore your energy Determine which colors you need using simple assessments Project and absorb the healing properties of color Develop the ability to "sense" color with easy, fun exercises

In this 10 year anniversary edition of Ted Andrews' best selling and award winning book on animals, Ted expands and revises the entire work. In 1999 it was chosen Best Spirituality Book, Best Non-Fiction Book, Best General Interest Book and BOOK OF THE YEAR. It now contains nearly 200 animals not found in his modern classic ANIMAL-SPEAK.

This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel *Freak the Mighty*, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

In this revision of Ted's critically acclaimed book, *More Simplified Magic*, Ted Andrews continues to make Qabalistic teachings understandable and accessible to the average individual. This sequel to his ground breaking work, *Simplified Qabala Magic* (Llewellyn Publications), explores the power of pathworking.

Find life guidance from the powerful ancient knowledge of animals. In many Native American traditions, animals are considered to be our older, wiser brothers and sisters. Their behavior can help us better understand ourselves, heal old wounds, adapt to new situations, or warn us of dangers. *Animal Energies* shows us how to interpret our physical and spiritual encounters with animals in ways that enable us to achieve balance in the natural world. Colorfully illustrated and easy-to-reference, the book presents little-known facts about the habits of fifty-eight North American animals, including their strengths and vulnerabilities. By using these ancient animal energies, we are guided gently through life's challenges and obstacles. We may soar with the eagle and run with the wolves, yet even the earthworm has something to teach us. This updated edition of *Dancing Otters and Clever Coyotes* includes more personal animal encounters and an updated foreword from the authors. Join them as they share what they've learned from Native American elders and from their own personal journeys, reminding readers of the inherent bond that humans have with all things in nature.

Discover your psychic powers and learn to use the wonders of nature and the world around you as magical tools of divination. • Practical and enjoyable exercises help readers reconnect with their innate psychic sensitivity. • Includes 75 methods and practices of divination from around the world. Since the beginning of time, diviners and seers have been finding signs and omens in the world around them—in pools of water, tea leaves, delicate patterns of cracked animal bones, and the ripples of clouds in the sky. Because these observers have been able to tap into a

deeper level of awareness, they have come to sense hidden truths in powerful and mysterious ways. In modern times we call those who possess these abilities "psychic," but native cultures accepted that each of us has an innate sixth sense and can learn how to read the forces of nature that appear before us. In this fascinating and enlightening guide, historian and psychic Sarvananda Bluestone shows us how our innate knowledge can be rediscovered, allowing us to become far more in tune with our surroundings than we ever dreamed possible. He teaches us to use everyday objects and the wonders of nature as magical tools that offer a window into the future--and ourselves. Whether watching birds cross the morning sky or divining the subtle energies of the earth, you will see the world in an entirely new light. Filled with practical exercises, *How to Read Signs and Omens in Everyday Life* demonstrates how the discovery of the power within ourselves requires nothing more than a little guidance and a willingness to see.

Noted healer and author Ted Andrews reveals how unbalanced or blocked emotions, attitudes, and thoughts deplete our natural physical energies and make us more susceptible to illness. *The Healer's Manual* shows specific techniques—involving color, sound, fragrance, herbs, and gemstones—to restore the natural flow of energy. Use the simple practices in this book to activate healing, alleviate aches and pains, and become the healthy person you're meant to be.

Nature - Speak Signs, Omens and Messages in Nature Dragonhawk Pub

The celebrated, Walkley Award-winning author on how global warming is changing not only our climate but our culture. Beautifully observed, brilliantly argued and deeply felt, these essays show that our emotions, our art, our relationships with the generations around us – all the delicate networks that make us who we are – have already been transformed. In *Signs and Wonders*, Falconer explores how it feels to live as a reader, a writer, a lover of nature and a mother of small children in an era of profound ecological change. Building on Falconer's two acclaimed essays, 'Signs and Wonders' and the Walkley Award-winning 'The Opposite of Glamour', *Signs and Wonders* is a pioneering examination of how we are changing our culture, language and imaginations along with our climate. Is a mammoth emerging from the permafrost beautiful or terrifying? How is our imagination affected when something that used to be ordinary – like a car windscreen smeared with insects – becomes unimaginable? What can the disappearance of the paragraph from much contemporary writing tell us about what's happening in the modern mind? Scientists write about a 'great acceleration' in human impact on the natural world. *Signs and Wonders* shows that we are also in a period of profound cultural acceleration, which is just as dynamic, strange, extreme and, sometimes, beautiful. Ranging from an 'unnatural' history of coal to the effect of a large fur seal turning up in the park below her apartment, this book is a searching and poetic examination of the ways we are thinking about how, and why, to live now. 'Only the finest of writers can hope to convey the mercurial nature of the times we are living through: the sense of slippage; of terror and beauty. Falconer is such a writer. *Signs and Wonders* is an essential collection.' Sophie Cunningham, author of *City of Trees* 'Delia Falconer is one of the best writers working today, and in *Signs and Wonders* she demonstrates everything that makes her writing so necessary. Brave, beautiful, and breathtaking in its elegance and intelligence, it is, quite simply, a marvel.' James Bradley 'Scintillating. Delia Falconer is at the peak of her powers as a critic, and as an observer of the natural world. *Signs and Wonders* looks outward from Sydney, and from literature, to trace the contours of our environmental moment.' Rebecca Giggs, author of *Fathoms*

Open your heart and mind to the wisdom of the animal world. *Animal Speak* provides techniques for recognizing and interpreting the signs and omens of nature. Meet and work with animals as totems and spirit guides by learning the language of their behaviors within the physical world. *Animal Speak* shows you how to: Identify, meet, and attune to your spirit animals Discover the power and spiritual significance of more than 100 different animals, birds, insects, and reptiles Call upon the protective powers of your animal totem Create and use five magical animal rites, including shapeshifting and sacred dance This beloved, bestselling guide has become a classic reference for anyone wishing to forge a spiritual connection with the majesty and mystery of the animal world.

"Anyone can learn to see and experience the aura more effectively." -Ted Andrews If you've ever felt immediately comfortable-or uncomfortable-around someone you've just met, you've probably sensed a person's aura. Now you can learn to actually see the aura-the energy field that surrounds the human body. Popular author Ted Andrews presents simple and effective techniques for not only seeing auras, but also deciphering what the aura reveals about a person's physical, emotional, and spiritual self. Discover how to: See the colors of the aura and interpret their meanings Make simple tools to measure the aura Cleanse, strengthen, and protect your own aura Increase your sensitivity and intuition Boost your energy and improve your health

"My heart is afraid that it will have to suffer," the boy told the alchemist one night as they looked up at the moonless sky." Tell your heart that the fear of suffering is worse than the suffering itself. And that no heart has ever suffered when it goes in search of its dreams." Every few decades a book is published that changes the lives of its readers forever. *The Alchemist* is such a book. With over a million and a half copies sold around the world, *The Alchemist* has already established itself as a modern classic, universally admired. Paulo Coelho's charming fable, now available in English for the first time, will enchant and inspire an even wider audience of readers for generations to come. *The Alchemist* is the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found. From his home in Spain he journeys to the markets of Tangiers and across the Egyptian desert to a fateful encounter with the alchemist. The story of the treasures Santiago finds along the way teaches us, as only a few stories have done, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life's path, and, above all, following our dreams.

Brimming with insights and packed with information, this book draws you out, quite literally, into nature to experience a new, well thought through pattern of spiritual practice. Bruce Stanley gives you all the resources you'll need, both practical and theoretical, to get going with a group or on your own. The Forest Church movement begun by Bruce Stanley is gaining momentum in the UK, and has now been brought to the United States.

The author of the bestselling "*Buckland's Complete Book of Witchcraft*" writes a handbook for anyone who wishes to communicate with spirits, as well as for the less adventurous who simply want to satisfy their curiosity about the subject.

Before GPS, before the compass, and even before cartography, humankind was navigating. Now this singular guide helps us rediscover what our ancestors long understood—that a windswept

tree, the depth of a puddle, or a trill of birdsong can help us find our way, if we know what to look and listen for. Adventurer and navigation expert Tristan Gooley unlocks the directional clues hidden in the sun, moon, stars, clouds, weather patterns, lengthening shadows, changing tides, plant growth, and the habits of wildlife. Rich with navigational anecdotes collected across ages, continents, and cultures, *The Natural Navigator* will help keep you on course and open your eyes to the wonders, large and small, of the natural world.

Boxed set of book and 40 full-color omen cards. *Feathered Omens* is a book and card divination kit. This contains 40 omen cards with full-color images of birds with their meaning and significance. The book describes how to use the cards for insight, divination and answers to everyday situations and questions.

Have you ever taken a walk in the woods and felt like you were not alone? That's because you weren't! Forests, lakes, mountains, caves—even your garden—are alive with the spirits of nature. Faeries are real, and you can learn to commune with a whole world of unseen beings, including elves, devas, and nature spirits. With an open mind and a little patience, you can begin to recognize their presence all around you. This book will help you deepen your connection to the natural world as you explore the magical, mystical world of the faerie folk. Discover hidden truths in faerie tales and use them as pathways into the faerie realm. Learn the basic habitats, powers and behaviors of faeries, elves, and other nature spirits. Read personal accounts of actual faerie encounters. Invoke fire spirits for traditional psychic readings. Share the magic and knowledge of twenty tree spirits. Find the elementals—gnomes, undines, sylphs and salamanders—with which you resonate most. Contact water sprites, mermaids and other water spirits. Find wood nymphs and the "lady of the woods" raw dragons into your environment with the right fragrances. Attract a faerie godmother into your life. Recapture the magic and wonder of a world where trees still speak and every flower tells a story. Explore the faerie realm—a place where faerie tales can and do come true.

In this revision of Ted's critically acclaimed book, *TREASURES OF THE UNICORN*, Ted opens the world of unicorns and Faeries as powerful archetypes of the natural world. Learn to recognize and tap into these archetypes for magic, healing and a return to childlike wonder.

The ultimate unofficial guide to the hit program *Charmed*, this is both a book of spells and a key to the mysteries of the show. *The Book of Shadows* celebrates the best of *Charmed*, from its roots in the ancient tradition of Wicca to insider information on the show's stars. N.E. Genge not only provides fascinating background details for the show's Wiccan elements, but also guides readers in performing their own magic. Fans with a witchy bent will learn about the tools of magic and divination and the casting of spells. Recipes and rituals—from those that beckon love or bless a new business venture to those that bequeath strength or bestow fortune—are all included. *The Book of Shadows* is a sassy celebration of witches, sisterhood, and magic. This book has not been prepared, approved, licensed, endorsed, or in any way authorized by any entity that created or produced *Charmed*.

A spellbinding book offers a historical and psychological tour of the tradition of seeking and receiving oracles--messages of guidance and illumination from a source beyond the conscious self.

The *ANIMAL-SPEAK POCKET GUIDE* is a companion to the best selling *ANIMAL-SPEAK* and *ANIMAL-WISE*. It contains a dictionary of abbreviated meaning and messages of more than 250 animals. This portable guide will enable readers to begin uncovering the meaning of their animal encounters wherever they go. Initial guidance is readily at hand until deeper study can be done.

Featuring folklore, symbology and practical rituals alongside ancient crafts and modern techniques this beautifully illustrated book contains over 50 creative ways to use the gifts of the natural world to make charms, talismans, amulets, altars and much more. These natural offerings provide us with protection, good fortune and healing. Being in nature helps us to relax and connect with our innate knowing. When we're connected, we naturally want to collect: a pink shell, sycamore key, a pinecone, or a pure white pebble that calls to us. *Nature's Hidden Charms* is an invitation to reach into the natural world, understand folklore and to explore and discover the hidden symbols and gifts that even the tiniest twig or stone can bring. Inside this treasure trove you will learn how to:

- Prepare to open the senses to intentionally connect with nature
- Create and make amulets, charms, alters, talismans and natural mandalas
- Work with plants, trees and herbs throughout the seasons
- Understand the folklore, history and symbology surrounding the plants and practices featured
- Recognise and explore symbols that speak to you in the natural world

From making a healing lavender pouch to evoking the sacred power of the circle or arranging your charms as a mandala for meditation, this book is for anyone wanting to slow down, connect with nature and enjoy the simple pleasures of the natural world.

You've probably heard the expression, "If these walls could talk..." With psychic touch, or psychometry, you can learn to read the energy of objects, places, and people. Popular author Ted Andrews presents a positive and straightforward system for developing your psychic skills. With this guide, learn the basics of psychometry, why it works, and simple techniques for doing your own readings. Using psychic touch, you can tune in to the world around you in a fascinating new way. Discover how to: Find lost objects and people. Sense health imbalances. Assess places and objects for harmonious or challenging energy. Use psychic skills responsibly and ethically. Enjoy a richer and more informed perspective on life.

What am I supposed to do? What choice should I make? What can I expect in the coming months? Where do I go from here? Answers can be found in nature and now they can also be found in *The Nature-Speak Oracle*. With the help of this book, readers will: learn to read signs and omens in nature; interpret the meaning of landscapes; discover how plants speak; and, explore the lessons and meaning of the plant kingdom through extensive dictionaries of landscapes, trees, flowers, herbs; and more.

Learn shapeshifting - and transform your life. Some of the most powerful secrets of the ancient shapeshifters, alchemists, shamans and magicians are revealed. With this information readers will be able to awaken the power of animals and nature within them and develop the ability to communicate with and express their totem's medicine more powerfully. Also, readers will learn to travel in the dream and spirit worlds. Through *The Art of Shapeshifting*, inner spirits and potentials will be awakened, empowering a person's being and transforming their lives.

In every moment the universe is whispering to you. Even ordinary events in your life carry communications from the realm of the Spirit. . . . Whether we are conscious of it or not, the universe is communicating to us through signs. In this mind-opening book, renowned healer and author Denise Linn shows that coincidence, synchronicity, and those premonitions we've all experienced are never accidents but a kindly world's way of trying to nudge us in the right direction. Drawing on firsthand true stories and native wisdom from around the world, Linn helps us regain our innate capacity to listen to the universe, to use the signs that speak to us every day of our lives. Step by step, she shows us how to call for a sign, how to create the best conditions for receiving it, and how to interpret the signs we receive, with the most comprehensive dictionary of signs ever compiled. Designed to help you develop your own ability to interpret signs as they call to you, the dictionary entries give you a starting point for understanding what your signs are communicating. For instance . . .

- * An abyss might symbolize a chasm in your life. Is there something that seems impassable to you?
- * A storm can indicate internal conflict. It can also indicate that the air is clearing in regard to a situation in your life.
- * A crossroads signifies that a time of decision is ahead. Take time and tune in to your intuition before choosing your future path.
- * Smoke can be a warning of danger. Is there a situation in your life that's about to go up in flames? Smoke can also indicate a lack of clarity.

With this powerful, easy-to-use guide, Denise Linn helps us to reconnect with the magic of our inner selves to make the right decisions and choices in our lives.

Inside, readers will: Learn to read signs and omens in nature; Interpret the meaning of landscapes; Discover how plants speak; Explore the lessons and meaning of the plant kingdom through extensive dictionaries of landscapes, trees, flowers, herbs and more.

A little more than two thousand years ago, the Roman poet Virgil wrote his *Georgics*, a long poetic sequence about agriculture, suffused with profound reflections on the relationship between humanity, nature, and the divine—and reflecting the political turmoil of his times. California poet Karen An-hwei Lee, inspired by Virgil, has created her own dense, richly-layered collection of “Neo-Georgics,” constituting an extended exploration of such motifs as happiness, olive groves, vineyards, soil chemistries, the seacoast, and the birth of trees. In Lee’s contemporary rendering we confront an environment blighted by our carbon footprint; advancements in agricultural technology and genetic engineering; the digital age; fossil fuel transportation; and vanishing bees. *Rose Is a Verb* explores the ancient tradition of agrarian labor, including tilling the soil and interpreting weather signs and war omens. The poems flash with verbal ingenuity and mind-bending allusions—challenging the heart and mind but repaying slow, careful readings many times over. A meditation on the natural environment, this collection serves as a biomythography of procreation and a reflection on the meaning of happiness.

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Have you ever experienced a feeling of déjà vu . . . or had recurring dreams of a particular place or time . . . or felt instantly close to some person? All these experiences provide clues to past lives. With *How To Uncover Your Past Lives*, you'll learn how knowledge of past lives can help you gain clear insight into your spiritual purpose for this lifetime. Popular author Ted Andrews teaches you how to safely and easily explore past-life memories using self-hypnosis, meditation, dowsing, fragrance, and crystals. Discover how to: Use past-life awareness as a tool for spiritual growth Recognize soul mates and their role in your life Understand the true meaning of a twin soul Let go of self-defeating behaviors and beliefs from past lives Gain insight into your life's purpose
