Doctor of Natural Medicine and wellness authority Dr. Josh Axe delivers a groundbreaking, indispensable guide for understanding, diagnosing, and treating one of the most discussed yet little-understood health conditions: leaky gut syndrome. Do you have a leaky gut? For 80% of the population the answer is “yes”—and most people don’t even realize it. Leaky gut syndrome is the root cause of a litany of ailments, including: chronic inflammation, allergies, autoimmune diseases, hypothyroidism, adrenal fatigue, diabetes, and even arthritis. Dr. Axe offers simple ways to get these needed microbes, from incorporating local honey and bee pollen into your diet to forgoing hand sanitizers and even ingesting a little probiotic-rich soil. Because leaky gut manifests differently in every individual, Dr. Axe also identifies the five main “gut types” and offers customizable plans—including diet, supplement, and lifestyle recommendations—to
