The culmination of more than 25 years of clinical work and research, this is the authoritative presentation of cognitive processing therapy (CPT) for posttraumatic stress disorder (PTSD). Written by the treatment's developers, the book includes session-by-session guidelines for implementation, complete with extensive sample dialogues and 40 reproducible client handouts. It explains the theoretical and empirical underpinnings of CPT and discusses how to adapt the approach for

specific populations, such as combat veterans, sexual assault survivors, and culturally diverse clients. The large-size format facilitates photocopying and day-to-day use. Purchasers also get access to a Web page where they can download and print the reproducible materials. CPT is endorsed by the U.S. Departments of Veterans Affairs and Defense, the International Society of Traumatic Stress Studies, and the U.K. National Institute for Health and Care Excellence (NICE) as a best practice for the treatment of PTSD.

"This is LIFE, people! You've got air coming through your nose! You've got a heartbeat! That means it's time to do something!" announces Kid President in his book, *Kid President's Guide to Being Awesome*. From YouTube sensation (75 million views and counting!) to Hub Network summer series star, Kid President—ten-year-old Robby Novak—and his videos have inspired millions to dance more, to celebrate life, and to throw spontaneous parades. In his *Guide to Being Awesome*, Kid President pulls together lists of awesome ideas to help the world, awesome interviews with his awesome celebrity friends (he has interviewed Beyoncé!), and a step-by-step guide to make pretty much everything a little bit awesomer. Grab a corn dog and settle in to your favorite comfy chair. Pretend it's your birthday! (In fact, treat everyone like it's THEIR birthday!) Kid President is here with a 240-page, full-color *Guide to Being Awesome* that'll spread love and inspire the world. Listen -- can you hear it? The explosive sequel to *THE ROAR!* From a whisper...to a scream! Telepathic twins Mika and Ellie at last are reunited. But if they're ever to free the brainwashed, microchipped child soldiers, they must pretend to play along with the tyrant Mal Gorman's maniacal plan, even as they mind-read his every evil thought.

Members of an elite squadron of mutants, the brother and sister have specialized skills that will enable them to steal the top-secret formula for an age-reversing drug developed by rebel scientists on the wild side of The Wall. Juiced by these potent pills, the cadaver-like Gorman foresees a future in which he'll be forever young - released from the machinery that now supports him. Unless, that is, Ellie and Mika have a master plan of their own: to bring the all-powerful Gorman to his knees, and face-to-face with his greatest fear.

New Mexico's Spanish legacy has informed the cultural traditions of one of the last states to join the union for more than four hundred years, or before the alluring capital of Santa Fe was founded in 1610. The fame the region gained from artist Georgia O'Keefe, writers Lew Wallace and D.H. Lawrence and pistolero Billy the Kid has made New Mexico an international tourist destination. But the Spanish annals also have enriched the Land of Enchantment with the factual stories of a superhero knight, the greatest queen in history, a saintly gent whose coffin periodically rises from the depths of the earth and a mysterious ancient map. Join author Ray John de Aragn as he reveals hidden treasure full of suspense and intrigue.

New York City in 1897 and young escapologist Harry Houdini is struggling to get the recognition he craves from the ruthless entertainment industry. When toy

tycoon Branford Wintour is found murdered in his Fifth Avenue mansion, detectives call upon Houdini to help solve this mysterious crime. When Harry and his brother Dash reach the scene of the murder, they discover that Wintour was killed seemingly by a magic trick...

Being healthy is much more than being physically fit and free from disease. Health is the state of well-being in which all of the components of health -- physical, emotional, social, mental, spiritual, and environmental -- are in balance. To be truly healthy, you must take care of all six components. - p. 11.
