Slowly, silently, now the moon
Walks the night in her silver shoon;
This way, and that,
she peers, and sees
Silver fruit upon silver trees;
One spring evening, the fairies gather
in the woods.
Two sleepy children join in the parade
to a wonderful, dream-like fairy party.
Illustrated by bright new talent,
Carolina Rabei, this Walter de la Mare poem
is brought to life with shimmery,
ethereal illustrations, making it the perfect
book for bedtime.
One of four seasonal Walter de la Mare
picture books that form a set,
each with complementing colour
palates and illustrations by rising
young star Carolina.
