Joyce Meyer explains that a life without purpose is a life not worth living. We all need a reason to get up everyday. We all need to reach for something beyond ourselves. Over the centuries, millions of people have asked, "What am I here for? What is my purpose?" We are born; we live; and we die. We cannot do anything about being born or dying, but we can do a lot about how we live. Download the free Joyce Meyer author app.

The average person has 70,000 thoughts every day, and many of those thoughts trigger a corresponding emotion. No wonder so many of us often feel like we're controlled by our emotions. Our lives would be much improved if we controlled them. In *LIVING BEYOND YOUR FEELINGS*, Joyce Meyer examines the gamut of feelings that human beings experience. She discusses the way that the brain processes and stores memories and thoughts, and then - emotion by emotion - she explains how we can manage our reactions to those emotions. By doing that, she gives the reader a toolbox for managing the way we react to the onslaught of feelings that can wreak havoc on our lives. In this book, Meyer blends the wisdom of the Bible with the latest psychological research and discusses: the 4 personality types and their influence on one's outlook, the impact of stress on physical and emotional health, the power of memories, the influence of words on emotions, anger & resentment, sadness, loss & grief, fear, guilt & regret, the power of replacing reactions with pro-actions, and the benefits of happiness.

Joyce Meyer is not satisfied with the status quo. She believes that we each need to become a revolutionary and practice love every day. And if Joyce has her way, the revolution will spread - person by person, house by house, town by town, until the old culture of selfishness and greed gives way to a new culture of concern for others. The book is a revolutionaries' manual, a hands-on primer for bringing the Golden Rule to life in the twenty-first century. Meyer starts out by giving some stunning statistics. Right now...210,000 children will die this week because of poverty; 640 million children do not have adequate shelter; every day, 3,000 children are abducted into the sex-trafficking industry; every day, 16,000 children die from hunger-related causes. She goes on to say that although crisis is global, the solution is local. We can't solve the world's problems, but that isn't a reason to remain idle. *LOVE REVOLUTION* focuses on personal behavior on the local scale. It's not just a call to action; it is a call to being: being the person who goes out of your way to encourage someone who's out of hope; being the one who smiles at a stranger; being the one who is willing to do something for nothing. The paradox: when we do something for nothing, what we often get is something far greater.

Readers are invited to start the morning off right with #1 New York Times bestselling author Joyce Meyer's devotions for each day of the year.

Leonard Ravenhill's call to revival is as timely now as it was when first published over forty years ago. The message is fearless and often radical as he expounds on the disparity between the New Testament church and the church today. *Why Revival Tarries* contains the heart of his message. A.W. Tozer called Ravenhill "a man sent from God" who "appeared at [a] critical moment in history," just as the Old Testament prophets did. Included are questions for group and individual study.

Rev. Hagin describes in fascinating detail all of his major visions of Jesus in the book *I Believe in Visions*. These visions have dramatically influenced Rev. Hagin's half century of ministry.

The heart of Jesus is sacred, and the lessons and examples it provides to us are paramount in our daily mission to follow in His footsteps. Max Lucado poses the question "what if, for one day and night, your heart was replaced by the heart of Christ?" That thought-provoking question leads to many personal revelations demonstrating that we can recast our hearts to be more like that of Jesus, and the blessings created by the transformation will unleash ripples to the widest edges of our lives and those around us. In his insightful book, *The Making of a Leader*, Frank Damazio lays out for the serious student a broad discussion of what it means to be responsible for a group of "followers."

In Effective Prayer Charles Spurgeon urges men to come before the presence of God striving in prayer. Let us earnestly plead that the blessings of God's merciful promises would be given, for Christ's sake, on the merit of His attributes. "If God's mercies came to us unasked, they would not be half so useful as they now are, when they have to be sought for; for now we get a double blessing, a blessing in the obtaining, and a blessing in the seeking. The very act of prayer is a blessing."

Nearly everything we do in life is the result of our habits. The good ones bring peace, joy and power into our lives, and the bad ones steal our peace and joy and prevent our success. In this book, Joyce Meyer explains how to develop good habits -- the things you really want to do -- and break the bad ones, putting an end to frustration, discouragement and stress that drains your energy. The most important habit comes first: the God habit. Next comes a willingness to work for the results you want. Joyce reminds us that, "if we don't pay the price for freedom, we will end up paying the price for bondage". Next comes the power of our words. Our words and the thoughts that propel them have tremendous power over our actions, and repeated actions are the basis of our habits. There are eleven more habits that Joyce discusses in depth, including the habits of happiness, faith, excellence, responsibility, generosity, discipline, decisiveness and confidence. "Choose one area and begin," she urges. "Don't feel overwhelmed by all the changes that are needed. One thing at a time, one day at a time is the best plan. Celebrate every day of success, and when you make mistakes, shake off the disappointment and keep going forward." You can transform your life, one habit at a time.
