Winner of American Library Association Schneider Family Book Award! Bobby Phillips is an average fifteen-year-old-boy. Until the morning he wakes up and can't see himself in the mirror. Not blind, not dreaming-Bobby is just plain invisible. There doesn't seem to be any rhyme or reason to Bobby's new condition; even his dad the physicist can't figure it out. For Bobby that means no school, no friends, no life. He's a missing person. Then he meets Alicia. She's blind, and Bobby can't resist talking to her, trusting her. But people are starting to wonder where Bobby is. Bobby knows that his invisibility could have dangerous consequences for his family and that time is running out. He has to find out how to be seen again-before it's too late.

Let me ask you a question. What does a girl have to do to feel safe, and protected in this World? This is a question that I've asked myself many times over and over, and still, I have no answers for it! You see, when I tell you, that I have a story to tell? Gurl! Do I ever!

On a Saturday morning, Mike Nolan, a hard-driving, hard-living lawyer in his early fifties, was hit by a truck during a 40-mile bike ride on New Jersey's Route 35 and given up for dead. Instead, after months of recovery, Mike looked the same as he always had. The only difference? He had absolutely no memory. Guys Like Us, like a reverse memoir, is the attempt by his son, Sean, to tell Mike who he is through

recollections of rare moments together and tales of the Nolan family on the Jersey shore. The Nolans, a clan planted in Ocean County by Mike's father, Joe, are people who suffer no fools and take no prisoners; you had better wear thick skin when they are around. Three strong characters? Joe, Mike and Sean? dominate Guys Like Us. Add an enormous Cadillac that Joe and Sean bomb around in, Sean behind the wheel at the ripe age of eight. Stir in the boardwalks and beaches of the Jersey shore and near-lethal family feuds, and the pot boils. Sean Nolan does not fall far from the tree. It doesn't take long for Sean to realize he has to tell Mike, among many other things, how impossible he could be. And that dark secrets, long held in a young boy's heart, are out of reach to him forever. Giving his father back his memory, one funny, painful moment at a time, Nolan paints a poignant, often hilarious, portrait of their shared past.

SOON TO BE A MAJOR MOTION PICTURE • From #1 New York Times bestselling author Sophie Kinsella, a novel with the same wicked humor, buoyant charm, and optimism as her beloved Shopaholic series. Meet Emma Corrigan, a young woman with a huge heart, an irrepressible spirit, and a few little secrets: Secrets from her boyfriend: I've always thought Connor looks a bit like Ken. As in Barbie and Ken. Secrets from her mother: I lost my virginity in the spare bedroom with Danny Nussbaum while Mum and Dad were downstairs watching Ben-Hur. Secrets she wouldn't share with anyone in the world: I have no idea what NATO stands for. Or even what it is. Until she spills them all to a handsome stranger on a plane. At least, she thought he was a stranger. . .

This charming and bittersweet coming-of-age story featuring two girls of color falling in love is part *To All the Boys I've Loved Before* and part *Simon vs. the Homo Sapiens Agenda*. Sixteen-year-old Sana Kiyohara has too many secrets. Some are small, like how it bothers her when her friends don't invite her to parties. Some are big, like the fact that her father may be having an affair. And then there's the one that she can barely even admit to herself—the one about how she might have a crush on her best friend. When Sana and her family move to California, she begins to wonder if it's finally time for some honesty, especially after she meets Jamie Ramirez. Jamie is beautiful and smart and unlike anyone Sana's ever known. There are just a few problems: Sana's new friends don't trust Jamie's crowd; Jamie's friends clearly don't want her around anyway; and a sweet guy named Caleb seems to have more-than-friendly feelings for her. Meanwhile, her dad's affair is becoming too obvious to ignore. Sana always figured that the hardest thing would be to tell people that she wants to date a girl, but as she quickly learns, telling the truth is easy...what comes after it, though, is a whole lot more complicated.

Shooting Ladders is a book of advice written to a little girl named Tori. She was four years old when the author started writing the first topic, and she was eight years old when he finished the last topic. But he didn't write it for the Tori of then or even the Tori of now; instead he wrote it for the Tori of the future, as something to help her make the right decisions in her late childhood/early adult years and throughout her life. The book contains the author's opinions on hundreds of various subjects—some of them practical, many of them philosophical; some serious, some whimsical. On a typical subject, the author tells a story from his own personal experiences and then adds a moral lesson for her to learn

from the story. Although he's not trying to tell her what to think; he is trying to guide her into making the proper decisions in life. The author hopes that she'll carefully weigh all the options and choose the paths that lead her to a good and happy life

Hailed as one of the greatest novels of all time, Tolstoy's epic unfolds during the Napoleonic invasion of Russia and encompasses episodes of romance and historical scope as well as insightful social observation.

Satyajit, a successful movie director, has accomplished all that there is to achieve fame, success, and wealth yet he harbors a sense of discontentment within. While the audience cheers for his brand of cinema and the industry fills its coffers by amassing collections from his films, he, personally, is dejected at the prospect of making yet another of those ostentatious, melodramatic romantic family dramas. His inability to find a balance in his relationships and his core need to live up to his potential makes him search for answers and leads him to a realization that his anguish is a result of the projection of his frustration on those who care about him. When he lays his hands on a script that has the potential to fulfill his heart's desire, he grabs the opportunity with both hands and sets out on a trip to research and unearth more details. During the course of this road trip, he meets different people who not only provide him the necessary answers that would turn his vision into a magnum opus but also provide a deep understanding of the eternal principles of life and, most importantly, the unchanging and

universal truth.

National Book Award finalist Julie Anne Peters delivers a moving, modern classic love story with a coming out theme -- now with a fresh, redesigned cover! With a steady boyfriend, the position of Student Council President, and a chance to go to an Ivy League college, high school life is just fine for Holland Jaeger. At least, it seems to be. But when Cece Goddard comes to school, everything changes. Cece and Holland have undeniable feelings for each other, but how will others react to their developing relationship? This moving love story between two girls is for fans of Nancy Garden's classic young adult coming out novel, *Annie on My Mind*. With her characteristic humor and breezy style, Peters has captured the compelling emotions of young love.

Meg Langslow is at Trinity Episcopal locking up after an event and checking on the toucan Meg's friend Rev. Robyn Smith is fostering in her office. After hearing a hammering in the columbarium (the small building where cremated remains are held), Meg finds an elderly parishioner lying dead on the floor of the crypt. Several niches have been chiseled open; several urns knocked out; and amid the spilled ashes is a gold ring with a huge red stone. The curmudgeonly victim had become disgruntled with the church and ranted all over town about taking back his wife's ashes. Did someone who had it in for him follow him to the columbarium? Or was the motive grave robbery? Or did he see someone breaking in and investigate? Why was the ruby left behind? While the Chief Burke investigates the murder, Robyn recruits Meg to contact the

families of the people whose ashes were disturbed. During this task, Meg learns many secrets about Caerphilly's history--and finds that the toucan may play a role in unmasking the killer. Clues and events indicate that a thief broke into the church to steal the toucan the night of the murder, so Meg decides to set a trap for the would-be toucan thief--who might also be the killer. Toucan Keep a Secret is the twenty-third book in New York Times bestselling author Donna Andrews' hilarious Mag Langslow mystery series.

"The Head of the House of Coombe" – Lord Coombe is considered to be the best-dressed man in London. During one of his social forays, he meets a selfish young woman named 'Feather' with the face of an angel and he slowly drifts into her circle. Feather has a daughter named Robin, of whom she takes little notice. Robin hates Coombe because he separates her from her only friend, a little boy named Donal. Lord Coombe, however, grows fond of Robin and secures her a bright future, but only one person knows the secret of Coombe's determination to watch over her. "Robin" is a sequel to The Head of the House of Coombe. It is the eve of the Great War and British soldiers are leaving to fight the Kaiser. Robin and Donal are destined to find each other again after being parted after their first meeting as children about 15 years earlier. Their love blossoms, but now they have to part again, as Donal is the prime cannon fodder and leaves off to war. After some time, the word comes that Donal is missing and presumed dead, leaving Robin shattered, with a child on the way.

The Mysteries of Mary shows how the life of the Blessed Virgin Mary is perfectly and intimately identified with that of her Son. It is both a reflection on the most profound moments in Mary's earthly life, from the Immaculate Conception to Cana to Pentecost, and a systematic approach to the doctrine of Mary's spiritual maternity. Mary is the mother of all the faithful because she educates us as a mother, showing us through her example, her life, how we must live the mysteries of faith, hope, and the growth of charity. The early mysteries of Mary's life show us unswerving faith as Mary's soul and flesh are prepared to receive Jesus in the Nativity of the Lord. Through trial, charity is rooted and grows in Mary's heart, until finally that heart is pierced in the mysteries of sorrow. At last, the hope for the resurrected Lord blossoms in glory. Having endured with her Son the agonies of Calvary, Mary most immediately and fully experiences His return to life indeed, from the first beat of His glorious heart. The mysteries of Mary's life are signs that truly point us to the saving grace of Jesus. Highly recommended to anyone who wishes to imitate Mary through growth in the theological virtues of faith, hope, and charity.

to worry about. But for Eleuia, a quiet Aztec slave, life doesn't seem so different. She is far from the commotion and uneasiness in the heart of the city. It isn't that the Spaniards' arrival has no effect on her. She has seen the Spaniards. She had heard the rumors. When she sees a horse for the first time the magnificent creature fascinates her. She can hardly believe it when such an animal comes to be in her possession. She tries to do everything she can to conceal it, even when she has to break the rules. The horse means so much to Eleuia, because she can always have a special friend. But hiding the animal proves to be harder than she thought. When the family discovers that she has the horse, Eleuia has to promise to let her horse go--a promise she knows she will break. After that secrecy is even more important. But is it possible to keep the secret forever? When the warriors begin the long battle, Eleuia discovers that it might not be so easy to conceal her beautiful horse--and herself.

From the vital voice of Elijah Anderson, *Black in White Space* sheds fresh light on the dire persistence of racial discrimination in our country. A birder strolling in Central Park. A college student lounging on a university quad. Two men sitting in a coffee shop. Perfectly ordinary actions in ordinary settings—and yet, they sparked jarring and inflammatory responses that involved the police and attracted national media coverage. Why? In essence, Elijah Anderson would argue, because these were Black people existing in white spaces. In *Black in White Space*, Anderson brings his immense

knowledge and ethnography to bear in this timely study of the racial barriers that are still firmly entrenched in our society at every class level. He focuses in on symbolic racism, a new form of racism in America caused by the stubbornly powerful stereotype of the ghetto embedded in the white imagination, which subconsciously connects all Black people with crime and poverty regardless of their social or economic position. White people typically avoid Black space, but Black people are required to navigate the “white space” as a condition of their existence. From Philadelphia street-corner conversations to Anderson’s own morning jogs through a Cape Cod vacation town, he probes a wealth of experiences to shed new light on how symbolic racism makes all Black people uniquely vulnerable to implicit bias in police stops and racial discrimination in our country. An unwavering truth-teller in our national conversation on race, Anderson has shared intimate and sharp insights into Black life for decades. Vital and eye-opening, *Black in White Space* will be a must-read for anyone hoping to understand the lived realities of Black people and the structural underpinnings of racism in America.

Compelling and Controversial....The Melon Boys is a story of the South in the summer of 1968, soon after the assassination of Martin Luther King, Jr. Its fictitious account brings to light real events that took place outside the view of TV cameras and the 6 O'clock evening news. This was the South of the migrant worker and sharecropper, where white social backlash exacted a terrible price on ordinary blacks. In turbulent times, everyday life can require great courage, and friendships can lead to ultimate tests of loyalty. For college student Matt Mayer, the job of migrant worker turns into the education of a lifetime in this context. After he befriends two black co-workers, he finds himself in the path of danger

more than once. He is quickly driven to decide if he should follow the unwritten rules that dictate day-to-day race relations, or honor the bonds of friendships he has formed. How can a white college student from the Midwest, with little exposure to any race but his own, make sense of the complex social rules of a still segregated South? And, more importantly, how will his experience shape the man he will become?
