The book demonstrates the uses of traditional and cutting edge lettering tools, from classic calligraphy pens to bling-producing metallic foils and glue pens. It introduces a wide array of lettering styles with complete alphabets sample artworks that show an application. Fully stepped-out illustrations break down each letterform, taking the reader through each stroke and a large collection of gallery images provides further inspiration for how to use creative lettering in artwork. Calligraphy, the art of elegant, beautiful lettering, has increased in popularity over the last several years. From brides who want to address their wedding invitations to do-it-yourselfers who want to prepare certificates or make a family tree, and even for art journalers and scrapbookers who like creative text in their works, calligraphy books and classes are hot. This new-in-paperback book will spark the interest of the calligraphy novice by introducing a new approach to lettering, one that combines a lively combination of traditional lettering styles, fun and scripty modern styles, and artsy street-style lettering, along with project ideas that

Popular Instagram brush lettering artist Kelly Klapstein takes a simple, serene approach to teaching the art of creating beautiful letterforms with easy to use and richly colored brush pens. Kelly begins by guiding you through the tools you'll be using, and the best ways to position pen, hand, and paper. Kelly demonstrates a range of basic strokes along with drill sheets for practice and improvement. In addition to providing detailed instructions and tracing guides for both lowercase and uppercase alphabets, Kelly gives tutorials on freestyle lettering, faux calligraphy, and special effects. Also included are lowercase and uppercase A to Z exemplars for both large and small brush pens. Drill sheets, tracing guides, worksheets, and exemplars are perforated for easy removal.
