

Loom Knitting Primer By Isela Phelps

If you have struggled to knit with needles, loom knitting is an easy craft to master. From beautiful baby booties to toys and blankets that will be treasured for generations, this book can help you knit unique designs for any baby or toddler. A sequel to the popular 'Loom Knitting Accessories', this comprehensive book reveals everything you need to know to create fun and adorable loom knits. There are more than 30 quick-and-easy inspiring projects for no-needle knitting - from cute and colourful baby mittens to sweaters, beanies, and even costumes.

The designs in this book utilize a variety of creative stitch patterns and interesting yarns. Loomers of every skill level will find something new and exciting to make. Learn basics, find valuable reference information, see knitting math explained, and get the most out of your knitting skills including chart reading and needle pattern converting. Multiple patterns are included.

Expert Beth Smith teaches you everything you need to know to spin your own yarn, from choosing a spinning wheel to every stage of preparing your fiber, plying, winding off, and finishing. Fully illustrated step-by-step instructions make it simple and easy! Includes how-to instructions for using knitting looms and ten projects.

Learning to create knit garments without needles is the focus of this stitch-pattern collection and instructional reference. By using long looms, crafters can simplify two-color work, master larger projects, and make double-knit fabrics with more options for surface texture. From simple scarves to detailed felted slippers, the designs in this resource will allure seasoned experts looking for new ways to knit, as well as beginner-level stitchers who are still trying to master using needles. Projects are accompanied by instructional photographs and include a baby blanket, an afghan, a tasseled scarf, a shawl, and a garden party table setting.

KNITTING. Socks are amazing to create. A bit of magic happens when you are playing with your yarn and loom. It all starts just like a hat, just a simple tube and then you begin knitting a flat panel and you incorporate a few short rows and you have as if by magic made a small cup to fit your heel perfectly. Socks are the perfect project to have around. Portable, fun and easy! If this is your first time working socks on a loom, don't worry. Flip to the Socks 101 and take the class sock. It is easy and fast and you will be getting the technique down in a few hours. The projects are divided into 7 categories: Simple Socks, Texture Socks, Lace Socks, Colour Socks, Fanciful Socks, Kids Socks and even Footsies - describing other foot coverings. 50 patterns in all, you are sure to find one that appeals to family members and friends. Get going, grab your loom and sock it to them. Warning: Socks are addictive!

Transform your home and make unique gifts using a loom! Here are 35 colourful and quick loom knitting projects – using Lucy Hopping's helpful instructions you will soon be whipping up creative gifts and vibrant home decorations in no time. Start with Colourful Gifts and make a cute pineapple keyring, a twisted headband and stylish French-knitted necklaces that would make lovely gifts. Once you feel a bit more confident, move onto Bags & Cases and try making a unique backpack with bright pompoms, an expanding shopper and a handy tablet case. In For Kids there are exciting things to make and give, including the sweet finger puppets, a knitted doll and kitten socks. Finally, in Home Accessories there are fun ideas that will liven up your

décor – whip up a patchwork pillow, a trendy pouffe, lampshades and much more. There is something for everyone and the projects include ideas for variations so you can match your decorations to your home and personalise your gifts.

Welcome to the blossoming trend of flower looming! It's simple, it's quick, it's fun, and you can create a wonderful selection of stunning flowers from just a few scraps of yarn. This book includes detailed instructions for making 30 beautiful flowers, including a chart, written instructions and a large colour photo; plus all the know-how you need to make your own flowers such as yarn and colour selection, and looming and joining techniques. A template to make your own light-weight, sturdy card loom has also been added to get you started on your loom-making journey. You can use single flowers as embellishments for a variety of accessories and garments, or join them together to make a wide variety of items: five inspirational projects have been specially designed by Haafner, from an elegant shawl to a gorgeous necklace, all of which are shown and explained in easy to follow step-by-steps.

Loom knitting with the All-n-One Loom. Book contains 11 loom knit projects using the All-n-One Loom.

This full color and fully illustrated book can be used by either a beginning or an experienced loom knitter. The animals in this book are quick and easy projects. They are made from a series of knitted tubes that are stuffed and assembled into charming animals. All the steps needed to produce each animal are carefully explained. The book is written for adults, but is suitable for children with adult help and supervision. Knitting instructions are provided for several dogs, cats, and rabbits. A pattern for a bear is included. Many of the animals can be made so that they can be posed. The crafter can select different kinds of yarn to get a completely different look for some of the animals. Smaller patterns yield animals that are a suitable size for pets for either 18" or for mini dolls.

An affectionate and humorous celebration of every aspect of the craft of knitting, from buying--and hiding--massive quantities of yarn to wrestling with projects that go seriously awry to prescriptions for alleviating the stress brought on by holiday knitting. This witty collection represents a pitch-perfect send up of one of the most rapidly growing hobbies today. Including 75 cartoons, deftly rendered in pen and ink with watercolor wash, and several humorous short essays, every knitter is sure to find elements of themselves in this collection.

A companion volume to the Loom Knitting Primer furnishes detailed, easy-to-follow instructions, illustrations, and diagrams for more than thirty projects, ranging in difficulty level from simple to advanced, for hats, socks, scarves, shawls, sweaters, and other accessories. Original. 20,000 first printing.

Provides tips and patterns for knitting on a knitting board, and includes beginners' basics and information on such finishing details as creating buttonholes and joining sleeves.

Everyone loves hand-knitted socks! And now you can knit custom socks for everyone on your gift list--even if you've never knitted anything before! Fans of the adjustable KB Sock Loom will love this companion book, which provides a handy guide to the loom's basic instructions plus 11 great designs for preemies to adults. It also includes handy tips on how to adjust the sizes to fit a larger or smaller foot. You'll be an expert in no time! The designs feature mock cables, beaded cuffs, several rib patterns, stripes,

garter blocks, a toeless pedicure sock, and spiral tube socks and a hat for preemies. Make hats, scarves, sweaters, an afghan and more-- without knitting needles!-- Detailed, illustrated instructions are included to introduce the knitter to loom cabling techniques.

I've compiled 10 of my favorite Loom Knit Stitch patterns that I shared on my website in this little eBook. I do want to warn you that these patterns are not written in a conventional manner. I wanted to make them simple enough for beginners to be able to read and to follow. To make things even easier every pattern includes a step by step video tutorial.

"Popular loom knitting maven Isela Phelps is back with a new book containing patterns for afghans, blankets, and throws. As the projects are arranged from beginner to advanced, new loom knitters can progress through the designs while learning and mastering techniques along the way. An illustrated introductory chapter explains and demonstrates everything you need to know about loom knitting and serves as a great refresher course. A finishing section helps you achieve expert results and provides instructions for how to personalize your designs with a range of embellishments. "--

Are you frustrated because you don't have the exact knitting loom listed in the pattern? Are you still trying to find an elusive purple Knifty Knitter Adult Hat Loom? Help is here, my loomy friends! The GoodKnit Kisses' Knitting Loom Guide is an essential resource book for loom knitters. This book is loaded with information about knitting looms. It's NOT a "how-to" book that teaches you to loom knit, but it's a tool to help you find the best loom for your project. You can quickly and easily find the loom you're looking for in the intuitive, organized charts. What's Inside? 1. Looms by Brand - Each loom maker has a dedicated list that includes all their looms both current and discontinued. If there is a specific brand you prefer you can check there first to see if they make a loom in the size you need. (Discontinued looms are specially marked so you know they are no longer available.) 2. Loom by Gauge - Loom gauge tells you how big your stitches will be. When you find a pattern but don't have the exact loom the designer used you can look for a loom of the same gauge and peg count. You might be surprised to find that you already have a loom of the correct gauge in your inventory. Both loom gauge and center to center peg measurements are listed in the charts for your convenience. 3. Adjustable Looms - These looms can increase or decrease the number of pegs used when loom knitting in the round. They are great for decreased hat crowns, making multiple sizes of socks and shaping stuffed animals. Adjustable looms are marked in all the charts, but they also have a dedicated section of the book to save you time. 4. Double Knitting Looms - If you love double knitting, this is a must. Now you can find all the looms that can be used to double knit in every gauge from Extra Fine to Jumbo. 5. I also talk about what the looms are made of: Wood vs. Plastic and the pros and cons of both materials. 6. The Loom Gauge Equivalence Chart in the back of the book details the best yarn sizes (both US and UK/Aus sizes) for each loom gauge including the average stitches per inch knitting gauge for each size. I also list the equivalent knitting needles or crochet hooks for each gauge for those that like to convert patterns. Charts include the Gauge, C2C (center to center peg measurement in inches), Brand, Loom Name/Type, Peg count, whether the loom is adjustable or used for double knitting, and the color of the loom (if plastic) or loom base material. Our goal was to give you as much information about each loom as possible. This is a must-have book for your loom knitting library. Get your copy today and grab one for a fellow loomer. Believe me they'll thank you! Start your new loom knitting adventure today and you'll never look back!

Offers step-by-step instructions for knitting on a loom and includes patterns for fourteen projects for scarves, hats, afghans, shawls, and stockings.

Loom knitting uses a circular or rectangular loom, or knitting board, consisting of a frame with pegs. Looms are easy and fun to use, even without conventional knitting experience. You can create almost anything, from knitted tubes for hats or socks to flat panels for scarves, shawls and sweaters.

The "must-have" book for loom knitters by the top expert on the subject is now updated to reflect the newer looms on the market. Like the previous edition this new edition still contains everything you need to know about loom knitting, like gauge, yarn thickness, increasing, decreasing, color work, different cast on and off methods, and more.

Additionally, it includes Isela's precise and easy how-to instructions, now newly updated, for making basic stitches and variations, and for using all the different types of looms, round and long looms, currently in the market. The project section is also updated to include more specific information about the looms used, with a handy chart of all the looms, with their gauges, currently on the market. But what hasn't changed is the straightforward information and the need for this book, making it the one to have for all loom knitters. If you only purchase one loom knitting book, this is the one to get!

Discover how fast and easy it is to knit a cozy, cuddly afghan for yourself or a loved one! With the KB Afghan Loom and this handy guide of beautiful designs and expert how-to, anyone can quickly and easily learn to knit a beautiful 5-foot wide afghan with no sewing. Afghan Loom Projects features 15 designs and in a variety of shapes and sizes, from a whimsical mermaid blanket to stunning super blankets for queen-size beds. This hand-picked collection is ideal for beginners and advanced loom knitters alike and features rich and unique stitch patterns including cables, diamond brocade, seeded columns, flutter stitch, and eyelet rib. With Afghan Loom Projects, any crafter can discover the fun of loom knitting while proudly providing their family and friends with the warmth and love of a hand-made blanket.

Loom knitting uses a circular or rectangular loom, or knitting board, consisting of a frame with pegs. Looms are easy and fun to use, even without conventional knitting experience. You can create almost anything, from knitted tubes for hats or socks to flat panels for scarves, shawls and sweaters.

Novice knitters will discover the delights of working up quick-knit ideas with Alison's clear, practical approach. Starting with materials, she shows how different yarns can be used - from wool and cotton to mohair and ribbon. Experimenting is fun too. String, raffia and fabric can be used to create wonderful textured textiles. Stitches, techniques and patterns follow with clear photographs showing how to start. Casting on, increasing, decreasing, shaping, joining in colours and more, are all illustrated in easy sequences, with a range of beautiful, practical ideas - from scarves, hats and cushions, to cardigans, sweaters and throws. This book is for anyone who is interested in textiles and the joy of working with different textures, colours and natural materials. It is for anyone who wants to give something handmade as a gift, and it is for anyone who wants to experience the pleasure of knitting something special by hand.

Who knew you could actually knit without needles? Put down those complicated knitting projects that take forever to finish. Knitting Without Needles brings cool home, gifts, and clothing accessories--cowls, totes, rugs, poufs, scarves, and more--within arm's reach. An all-in-one resource for a new kind of craft, this book shows you how to loop yarn with your fingers or your forearms with thirty patterns that are simple to follow and produce stylish results. Best of all, many of them knit up fast--in less than an hour! Even if you've never picked up knitting needles, you can easily master the techniques to make fun knits with kids and for kids (a princess crown, baby booties) and even last-minute gifts (a statement necklace for your fashionista friend). With stunning photography, plenty of step-by-step photos, and a detailed

resource section, Knitting Without Needles is your go-to for a new way to knit. Whether you are creating a layette for your new arrival, or making a personal gift for a friend's baby, this book is for you. Packed with pretty little garments and accessories, heirloom blankets, and toys, there are more than 30 projects to tempt you. No knitting experience is necessary and the no-needle technique is quick and easy to master. Designs are grouped to cover all ages from newborn to three years with easy-to-follow instructions, all explained step-by-step, so you can't go wrong. Toys, gifts, and nursery essentials complete the collection. Yes, you can knit without using needles! Let a knitting wheel hold your work while you create hats, belts, scarves, handbags, and so much more. It's so simple, even a child can do it. And since there are no slippery needles to grip, the knitting wheel is the perfect creative tool for anyone whose fingers are sometimes stiff or painful. We'll show you how to use the round wheel and the straight wheel to create beautiful knitted fabric. Just follow the easy instructions. You'll soon finish a mohair evening bag, a "fur" wrap, a warm shrug, or any of 14 fun, fast, and fabulous accessories.
