AN INSTANT #1 NEW YORK TIMES BESTSELLER? Named one of the most anticipated novels of the season by People, Associated Press, Time, Los Angeles Times, Parade, St. Louis Post-Dispatch, The Guardian, Publishers Weekly, and more. From the #1 bestselling authors Hillary Clinton and Louise Penny comes a novel of unsurpassed thrills and incomparable insider expertise—State of Terror. After a tumultuous period in American politics, a new administration has just been sworn in, and to everyone's surprise the president chooses a political enemy for the vital position of secretary of state. There is no love lost between the president of the United States and Ellen Adams, his new secretary of state. But it's a canny move on the part of the president. With this appointment, he silences one of his harshest critics, since taking the job means Adams must step down as head of her multinational media conglomerate. As the new president addresses Congress for the first time, with Secretary Adams in attendance, Anahita Dahir, a young foreign service officer (FSO) on the Pakistan desk at the State Department, receives a baffling text from an anonymous source. Too late, she realizes the message was a hastily coded warning. What begins as a series of apparent terrorist attacks is revealed to be the beginning of an international chess game involving the volatile and Byzantine politics of Pakistan, Afghanistan, and Iran; the race to develop nuclear weapons in the region; the Russian mob; a burgeoning rogue terrorist organization; and an American government set back on its heels in the international arena. As the horrifying scale of the threat becomes clear, Secretary Adams and her team realize it has been carefully planned to take advantage of four years of an American government out of touch with international affairs, out of practice with diplomacy, and out of power in the places where it counts the most. To defeat such an intricate, carefully constructed conspiracy, it will take the skills of a unique team: a passionate young FSO; a dedicated journalist; and a smart, determined, but as yet untested new secretary of state. State of Terror is a unique and utterly compelling international thriller cowritten by Hillary Rodham Clinton, the 67th secretary of state, and Louise Penny, a multiple award-winning #1 New York Times bestselling novelist. A daring rogue intent on finding the love of his life, Lord Alec Knight comes to the rescue of the spirited Becky Ward, a young lady on the run after stumbling upon a deadly secret about her cousin, the murderous Prince Mikhail Kurkov. A special 75th anniversary edition of Richard Wright's powerful and unforgettable memoir, with a new foreword by John Edgar Wideman and an afterword by Malcolm Wright, the author's grandson. When it exploded onto the literary scene in 1945, Black Boy was both praised and condemned. Orville Prescott of the New York Times wrote that "if enough such books are written, if enough millions of people read them maybe, someday, in the fullness of time, there will be a greater understanding and a more true democracy." Yet from 1975 to 1978, Black Boy was banned in schools throughout the United States for "obscenity" and "instigating hatred between the races." Wright's once controversial, now celebrated autobiography measures the raw brutality of the Jim Crow South against the sheer desperate will it took to survive as a Black boy. Enduring poverty, hunger, fear, abuse, and hatred while growing up in the woods of Mississippi, Wright lied, stole, and raged at those around him—whites indifferent, pitying, or cruel and Blacks resentful of anyone trying to rise above their circumstances. Desperate for a different way of life, he may his way north, eventually arriving in Chicago, where he forged a new path and began his career as a writer. At the end of Black Boy, Wright sits poised with pencil in hand, determined to "hurl words into this darkness and wait for an echo." Seventy-five year later, his words continue to reverberate. "To read Black Boy is to stare into the heart of darkness," John Edgar Wideman writes in his foreword. "Not the dark heart Conrad searched for in Congo jungles but the beating heart I bear." One of the great American memoirs, Wright's account is a poignant record of struggle and endurance—a seminal literary work that illuminates our own time. Psychopathic hard man, Marvin, is drawn into a deadly game of cat and mouse with the murderer of his lover, Goldie, and the police. As he teams up with Goldie's twin sister and friends, he finds himself taking on the corrupt authorities and the influential man behind it all - Cardinal Rock.--Amazon.com.

Hiroshima is the story of six people--a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a

German Catholic priest—who lived through the greatest single manmade disaster in history. In vivid and indelible prose, Pulitzer Prize-winner John Hersey traces the stories of these half-dozen individuals from 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city, through the hours and days that followed. Almost four decades after the original publication of this celebrated book, Hersey went back to Hiroshima in search of the people whose stories he had told, and his account of what he discovered is now the eloquent and moving final chapter of Hiroshima.

From the New York Times bestselling author of *The Night Circus*, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks. As he turns the pages, entranced by tales of lovelorn prisoners, key collectors, and nameless acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells, crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life.

Step into the perfumed parlors of the Everleigh Club, the most famous brothel in American history—and the catalyst for a culture war that rocked the nation. Operating in Chicago’s notorious Levee district at the dawn of the last century, the Club’s proprietors, two aristocratic sisters named Minna and Ada Everleigh, welcomed moguls and actors, senators and athletes, foreign dignitaries and literary icons, into their stately double mansion, where thirty stunning Everleigh “butterflies” awaited their arrival. Courtesans named Doll, Suzy Poon Tang, and Brick Top devoured raw meat to the delight of Prince Henry of Prussia and recited poetry for Theodore Dreiser. Whereas lesser madams pocketed most of a harlot’s earnings and kept a “whipper” on staff to mete out discipline, the Everleighs made sure their girls dined on gourmet food, were examined by an honest physician, and even tutored in the literature of Balzac. Not everyone appreciated the sisters’ attempts to elevate the industry. Rival Levee madams hatched numerous schemes to ruin the Everleighs, including an attempt to frame them for the death of department store heir Marshall Field, Jr. But the sisters’ most daunting foes were the Progressive Era reformers, who sent the entire country into a frenzy with lurid tales of “white slavery”—the allegedly rampant practice of kidnapping young girls and forcing them into brothels. This furor shaped America’s sexual culture and had repercussions all the way to the White House, including the formation of the Federal Bureau of Investigation. With a cast of characters that includes Jack Johnson, John Barrymore, John D. Rockefeller, Jr., William Howard Taft, “Hinky Dink” Kenna, and Al Capone, *Sin in the Second City* is Karen Abbott’s colorful, nuanced portrait of the iconic Everleigh sisters, their world-famous Club, and the perennial clash between our nation’s hedonistic impulses and Puritanical roots. Culminating in a dramatic last stand between brothel keepers and crusading reformers, *Sin in the Second City* offers a vivid snapshot of America’s journey from Victorian-era propriety to twentieth-century modernity. Visit [www.sininthesecondcity.com](http://www.sininthesecondcity.com) to learn more! “Delicious... Abbott describes the Levee’s characters in such detail that it’s easy to mistake this meticulously researched history for literary fiction.” — New York Times Book Review “Described with scrupulous concern for historical accuracy...an immensely readable book.” — Joseph Epstein, *The Wall Street Journal* “Assiduously researched... even this book’s minutiae makes for good storytelling.” — Janet Maslin, *The New York Times* “Karen Abbott has pioneered sizzle history in this satisfyingly lurid tale. Change the hemlines, add 100 years, and the book could be filed under current affairs.” — USA Today “A rousing racy yarn.” —Chicago Tribune “A colorful history of old Chicago that reads like a novel... a compelling and eloquent story.” — The Atlanta Journal-Constitution “Gorgeously detailed” — New York Daily News “At last, a history book you can bring to the beach.” — The Philadelphia Inquirer “Once upon a time, Chicago had a world class bordello called The Everleigh Club. Author Karen Abbott brings the opulent place and its raunchy era alive in a book that just might become this year’s *The Devil in the White City*.” — Chicago Tribune Sunday Magazine (cover story) “As Abbott’s delicious and exhaustively researched book makes vividly clear, the Everleigh Club was the Taj Mahal of bordellos.” — Chicago Sun Times “The book is rich with details about a fast-and-loose Chicago of the early 20th century... *Sin* explores this world with gusto, throwing light on a booming city and exposing its shadows.” — Time Out Chicago “[Abbott’s] research enables the kind of vivid description à la fellow journalist Erik Larson’s *The Devil in the White City* that make what could be a dry historic account an intriguing read.” — Seattle Times “Abbott tells her story with just the right mix of relish and restraint, providing a piquant guide to a world of sexuality” — The Atlantic “A rollicking tale from a more vibrant time: history to a ragtime beat.” — Kirkus Reviews “With gleaming prose and authoritative knowledge Abbott elucidates one of the most colorful periods in American history, and the result reads like the very best fiction. Sex, opulence, murder — What’s not to love?” — Sara Gruen, author of *Water for Elephants* “A detailed and intimate portrait of the Ritz of brothels, the famed Everleigh Club of turn-of-the-century Chicago. Sisters Minna and Ada attracted the elites of the world to such glamorous chambers as the Room of 1,000 Mirrors, complete with a reflective floor. And isn’t Minna’s advice to her resident prostitutes worthy advice for us all: “Give, but give interestingly and with mystery.” — Erik Larson, author of *The Devil in the White City* “Karen Abbott has combined bodice-ripping salaciousness with top-notch scholarship to produce a work more vivid than a Hollywood movie.” — Melissa Fay Greene, author of *There is No Me Without You* “*Sin in the Second City* is a masterful history lesson, a harrowing biography, and - best of all - a superfun read. The Everleigh story closely follows the turns of American history like a little sister. I can’t recommend this book loudly enough.” — Darin Strauss, author of *Chang and Eng* “This is a story of debauchery and corruption, but it is also a story of sisterhood, and unerring devotion. Meticulously researched, and beautifully crafted, *Sin in the Second City* is an utterly captivating piece of history.” — Julian Rubinstein, author of *Ballad of the Whiskey*

*The Jungle* is a 1906 novel written by the American journalist and novelist Upton Sinclair (1878–1968). Sinclair wrote the novel to portray the lives of immigrants in the United States in Chicago and similar industrialized cities. Many readers were most concerned with his exposure of health violations and unsanitary practices in the American meatpacking industry during the early 20th century, based on an investigation he did for a socialist newspaper. The book depicts working class poverty, the lack of social supports, harsh and unpleasant living and working conditions, and a hopelessness among many workers. These elements are contrasted with the deeply rooted corruption of people in power. A review by the writer Jack London called it, "the Uncle Tom's Cabin of wage slavery." Sinclair was considered a muckraker, or journalist who exposed corruption in government and business. He first published the novel in serial form in 1905 in the Socialist newspaper, *Appeal to Reason*, between February 25, 1905, and November 4, 1905. In 1904, Sinclair had spent seven weeks gathering information while working incognito in the meatpacking plants of the Chicago stockyards for the newspaper. It was published as a book on February 26, 1906 by Doubleday and in a subscribers' edition.

A one-night stand with a single, widowed dad can change everything. “What the f\*ck have I done?” aren't the first words you want to hear after a one-night stand. Yet that's what he gave me. Dallas Barnes is tall, dark, and handsome. He's also scarred, rough, and broken down by burdens. A single dad. A widower. A lost soul. We found each other in the back of a dark pub. One night can change everything.

Number one bestselling science writer Jonah Lehrer explores the “only happiness that lasts”—love—in a book that “is interesting on nearly every page” (David Brooks, *The New York Times Book Review*). Weaving together scientific studies from clinical psychologists, longitudinal studies of health and happiness, historical accounts and literary depictions, child-rearing manuals, and the language of online dating sites, Jonah Lehrer's *A Book About Love* plumbs the most mysterious, most formative, most important impulse governing our lives. Love confuses and compels us—and it can destroy and define us. It has inspired our greatest poetry, defined our societies and our beliefs, and governs our biology. From the way infants attach to their parents, to the way we fall in love with another person, to the way some find a love for God or their pets, to the way we remember and mourn love after it expires, this book focuses on research that attempts, even in glancing ways, to deal with the long-term and the everyday. The most dangerous myth of love is that it's easy, that we fall into the feeling and then the feeling takes care of itself. While we can easily measure the dopamine that causes the initial feelings of “falling” in love, the partnerships and devotions that last decades or longer remain a mystery. “Lehrer uses scores of detailed vignettes to traverse a complicated intellectual landscape, eventually arriving at modern theories of love...He is a talent” (USA TODAY), and *A Book About Love* decodes the set of skills necessary to cultivate a lifetime of love. Love, Lehrer argues, is not built solely on overwhelming passion, but, fascinatingly, on a set of skills to be cultivated over a lifetime.
