December 1991. Beautiful American banker Alice Liddell has arrived in Moscow as it reels under the collapse of the Soviet Union and suffers a brutal war between mafia gangs for control of the violently changing city. Hired to oversee the privatization of Russia's legendary vodka distillery—the Red October—Alice soon finds her ideals compromised by its director Lev, a gangland member as dangerously seductive as he is ruthless. When a shadowy enemy vows revenge on Lev, and a series of bizarre serial murders erupts in the darkest corners of the city, Alice finds herself being drawn into the dangerously violent underground world of Moscow. "[A] dense, captivating novel of modern-day Russia . . . so fascinating that delighted readers will gulp it down like the novel's free-flowing, ubiquitous vodka."—Publishers Weekly "A potent crime thriller cocktail."—Library Journal

~Anna~ I was three weeks past my seventeenth birthday when I first saw him running like a dog, as prospects do, during a family club function. I knew he was far older than me since he'd served in the Army with my brother-in-law, Deck. He was definitely too old for me in the eyes of everyone else. I knew the rules, and I'd be breaking too many of them for this not to be trouble. He was a prospect, making him off-limits. I wasn't even 18, making me off-limits. I was also a club princess, daughter of the Vice President of the Aces High MC - Charleston Chapter. That, more than anything else, made me off-limits. Still, I watched and waited for the moment when I could make myself unforgettable to him, because my heart had no limits, and it wanted Joker. ~Joker~ Prospecting for the MC was turning out to be a tougher gig than I had originally imagined. I wasn't exactly known for taking blind orders well, or taking shit from anyone in my life, so undergoing prospect hazing was trying my last damn nerve. The never-ending line of patch-chasing females was sure to make the discomfort worth my wait. Then again, I wasn't one to do easy conquests either. The shy cutie who had been staring at me all night from the corner seemed like just the challenge my worn down soul needed. She was a challenge all right. Nearly cost me everything in the end. Now, I'm stuck with a liar, an old lady, and one crazy-ass impending shotgun wedding.

"An extraordinary novel . . . a triumph of insight and storytelling." —Associated Press "A true masterpiece." —Glennon Doyle, author of Untamed An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of The Secret Life of Bees and The Invention of Wings In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, The Book of Longings is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.

In 1928 Sydney, Australia, an Irish school girl finds new hope, after polio and personal tragedy, while playing cello in a string quartet. "The author's . . . love for and extensive knowledge of music, fine arts and literature shines through" ... "The landscapes are vast and vivid, the seasons sensory and real, and the emotional journey heart-wrenching." ... "some of the most profound considerations on the meaning of suffering and understanding others, making allowances for their faults" - GoodReadingGuide.com Publisher description: Australia promised a fresh start for Lucy Straughan and her father when they fled war-torn Ireland. Instead, Lucy was stricken by polio. Having mastered the cello during her prolonged confinement, Lucy is now fifteen, lonely and full of questions. Suddenly she is thrust into a string quartet and meets quixotic Della Sotheby, hot-headed Pim Connolly and precocious Phoebe Raye. The experience transforms each of their lives as they forge friendships and share not a few family secrets. Set against the vivid background of 1920s Sydney, A Distant Prospect is an intimate, hilarious and ultimately deeply moving coming-of-age adventure told with a touch of poetry by a quintessentially Irish narrator.

A hilarious view of life after divorce; you'll never look at properties again without thinking of your dating life. *Back on the Market* is a Realtor's guide to life, love, and dating and the multitude of challenges that come with it all. Holly Parker has sold 8 billion dollars of luxury real estate throughout her career as one of Manhattan's most successful brokers. Through her humor and quick wit, she connects common real estate terms to everyday life, making *Back on the Market* a fun and unforgettable read. After seven years of marriage, Holly found herself "falling out of contract," as a newly divorced woman reluctantly facing the prospect of being "back on the market." She understands that life is transactional, whether it's a business decision or those we spend our time with, so she took her skills as a master real estate agent and applied everything she knew to getting her life back. Cleverly told through the eyes of a Realtor, Holly depicts the perils of life, love, and dating—whether it's dealing with first-time buyers (those who have a romanticized version of what they think they want and what they can actually have), the value of curb appeal, fixing the foundation of a damaged home, not listing before you're ready to sell, staging, and so much more. Hilarious and emotional, Holly shares her dating experiences with "fixer uppers," the guys with "good bones," and the "forever renters." *Back on the Market* is a story of hope and the pursuit of happiness. Full of memorable takeaways, lessons, and anecdotes, Holly will help you find your perfect "home" and fall in love with life all over again.

"Original, versatile, and full of lively critical perceptions, this is a major contribution to early modern literary scholarship and intellectual history." -- Professor Neil Rhodes, author of *Common: The Development of Literary Culture in Sixteenth-Century England* (2018) "A wide-ranging, innovative, and rigorously scholarly study." --Professor Cathy Shrank, University of Sheffield, UK This book is a study of ghostly matters - of the soul - in literature spanning the tenth century and the age of Shakespeare. All people, according to John Donne, 'constantly believe' that they have an immortal soul. But he also reflects that in fact there is nothing 'so well established as constrains us to believe, both that the soul is immortal, and that every particular man hath such a soul'. In understanding the question of man's disembodied part as at once fundamental and fundamentally uncertain he was entirely of his time, and *Imagining the Soul in Premodern Literature* considers this fraught, shifting, yet uniquely compelling entity in the context of the literary forms and effects involved in its representation. Gruesome medieval dialogues between damned souls and worm-eaten bodies; verse and prose works by Donne, René Descartes, Margaret Cavendish and Andrew Marvell; a profusion of sonnet sequences, sermons, manuals of instruction and travelogues; Hamlet and its natural philosophical thinking about the apparently disembodied soul haunting Elsinore: these chapters range across all this and more, offering a rigorous yet accessible account of an essential aspect of premodern literature that will be of interest to scholars, students and the general reader alike. Abe Davies is a Visiting Scholar at the University of St Andrews, UK. Focused principally on the literature of the Renaissance, he is also interested in premodern literature more broadly and in thinking beyond conventional historiographies of the medieval and early modern periods. His work has appeared in journals including *Essays in Criticism* and *Modern Language Review*.

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

Richard K. Fenn focuses on the significance of time in modern society, and why we take it so seriously. He traces contemporary western attitudes toward time back to the doctrine and myth of Purgatory. Fenn makes a provocative case that especially for Americans the sense of the scarcity of time is a sign of social character, shaped by a 'purgatorial complex'. He demonstrates the impact of Purgatory on Protestant preachers such as Baxter and Channing, but also argues that Locke's views of religion, education and the nature of the state can only be understood in this context. Seriousness about time has become evidence of the good faith of the citizen. Novelists like Robbins, Mailer, Vonnegut and Brautigan portray a society that oppresses the individual through time constraints. For Dickens, America seemed a purgatorial wasteland: a place where time is always of the essence.

An office envisioned by George Washington and Alexander Hamilton as a source of national pride and unity instead sows division and discord.

In *Sell with Soul* the author shares her rise from a nervous rookie agent to a successful real estate broker in Denver, Colorado. The book contains detailed instructions and checklists for many of the activities a new agent must master, such as building a contact database, learning the market, working with buyers, crafting marketing listings, and

negotiating inspections. Allan also shares many stories from her own career that will help the new agent better understand her recommendations. Sell with Soul also speaks out against the status quo and asks agents to consider the needs of their clients before considering their own personal need for a paycheck, and counsels agents to welcome every learning experience, even when it does not result in a closed sale. Many new agents have told Allan how her book gave them hope that they could succeed without sacrificing their principles or changing their personalities.

Features inspirational stories offering words of wisdom, hope, and empowerment

In his groundbreaking first book, *Your Soul's Plan: Discovering the Real Meaning of the Life You Planned Before You Were Born*, Robert Schwartz (yoursoulsplan.com) brought the concept of pre-birth planning into the mainstream. In his second book, *Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born*, he dove even deeper by examining the pre-birth planning of other common life challenges. Now, in his third book, *Your Soul's Love*, he explores the pre-birth planning of challenges related to romantic relationships or their absence: infidelity; impotence; raising children alone after the death of one's partner; being single; and celibate relationships. Working again with several gifted mediums and channels, and this time incorporating the *Between Lives Soul Regressions* he does as a skilled hypnotist, Schwartz brings forth great wisdom and love from "the other side" to explain why we plan such experiences before we are born. Through the stories in *Your Soul's Love* you can: -Cultivate greater love and respect for both your partner and yourself -Empathize more deeply with your partner -Forgive your partner and yourself for any pain caused, thus healing your relationship -See how your romantic relationship fosters your and your partner's evolution -Replace resistance and suffering with abiding joy and peace

This latest collection of *Chicken Soup* honors all that is good in the world of sports. From major leaguers to little leaguers, from hockey stars to figure skaters, and from horseracing to mushing, the stories in this book highlight the positive and transformative nature of sports.

Would you like to understand the deeper spiritual meaning of physical illness, parenting handicapped children, drug addiction, alcoholism, the death of a loved one, accidents, deafness, and blindness? *Your Soul's Plan* (which was originally published under the title *Courageous Souls: Do We Plan Our Life Challenges Before Birth?*) explores the premise that we are all eternal souls who plan our lives, including our greatest challenges, before we are born for the purpose of spiritual growth. Through compelling profiles of people who knowingly planned the experiences mentioned above, *Your Soul's Plan* shows that suffering is not purposeless, but rather imbued with deep meaning. Working with four gifted mediums, author Robert Schwartz reveals the significance of each person's life plan and allows us a fascinating look into the "other side." Each personal story focuses on a specific life challenge, organized by type for easy reference. Accessible both to those familiar with the metaphysical aspects of spirituality and to the general reader, the moving narratives that comprise *Your Soul's Plan* help readers awaken to the reality that they are transcendent, eternal souls. With this stirring book as a guide, feelings of anger, resentment, guilt, and victimization are healed and transformed into acceptance, forgiveness, gratitude, and peace. Robert Schwartz is also the author of *Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born*, which explores the pre-birth planning of spiritual awakening, miscarriage, abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. There's also a chapter about the pre-birth planning we do with our future pets. Robert Schwartz is a hypnotherapist who offers general Spiritual Guidance Sessions, Past Life Soul Regressions, and *Between Lives Soul Regressions*. Visit Robert online at www.yoursoulsplan.com.

A "defense of science and clear thinking [in a] career-spanning collection of essays, including twenty pieces published in the United States for the first time"--Amazon.com.

For centuries readers have struggled to fuse the seemingly scattered pieces of Donne's works into a complete image of the poet and priest. In *John Donne, Body and Soul*, Ramie Targoff offers a way to read Donne as a writer who returned again and again to a single great subject, one that connected to his deepest intellectual and emotional concerns. Reappraising Donne's oeuvre in pursuit of the struggles and commitments that connect his most disparate works, Targoff convincingly shows that Donne believed throughout his life in the mutual necessity of body and soul. In chapters that range from his earliest letters to his final sermon, Targoff reveals that Donne's obsessive imagining of both the natural union and the inevitable division between body and soul is the most continuous and abiding subject of his writing. "Ramie Targoff achieves the rare feat of taking early modern theology seriously, and of explaining why it matters. Her book transforms how we think about Donne."—Helen Cooper, University of Cambridge

The mesmerizing biography of a brilliant and eccentric surgeon and his quest to transplant the human soul. In the early days of the Cold War, a spirit of desperate scientific rivalry birthed a different kind of space race: not the race to outer space that we all know, but a race to master the inner space of the human body. While surgeons on either side of the Iron Curtain competed to become the first to transplant organs like the kidney and heart, a young American neurosurgeon had an even more ambitious thought: Why not transplant the brain? Dr. Robert White was a friend to two popes and a founder of the Vatican's Commission on Bioethics. He developed lifesaving neurosurgical techniques still used in hospitals today and was nominated for the Nobel Prize. But like Dr. Jekyll before him, Dr. White had another identity. In his lab, he was waging a battle against the limits of science, and against mortality itself—working to perfect a surgery that would allow the soul to live on after the human body had died. Mr. Humble and Dr. Butcher follows his decades-long quest into tangled matters of science, global politics, and faith, revealing the complex (and often murky) ethics of experimentation and remarkable innovations that today save patients from certain death. It's an enthralling tale that offers a window into our greatest fears and our greatest hopes—and the long, strange journey from science fiction to science fact.

Intrepid treasure hunters believe they have discovered the final resting place of Fantome, a legendary warship that wrecked off Nova Scotia almost two hundred years ago. She was rumored to have gone down with an extraordinary treasure. But circling beneath the ocean's surface waits something unbelievable... and terrifying. Some unfortunate divers have encountered a massive, thought-to-be-extinct shark known as the megalodon. Archaeologist Annja Creed has always had a healthy respect for sharks. But when a researcher friend asks for her help, Annja braves the deep, cold waters of the Atlantic, determined to discover the truth. Instead she finds herself hunting an unknown traitor on a sabotaged ship. With death waiting both above and below the ocean's surface, Annja must battle her most dangerous enemy yet.

Presents an epic history that covers the period from the end of World War I through the 1970s, chronicling the decades-long migration of African Americans from the South to the North and West through the stories of three individuals and their families.

And as streams of light fan out behind the darkened sun like the wings of a butterfly, I realize that I never saw real beauty until now. At Moon Shadow, an isolated campground, thousands have gathered to catch a glimpse of a rare and extraordinary total eclipse of the sun. It's also where three lives are about to be changed forever: Ally likes the simple things in life--labyrinths, star-gazing, and comet-hunting. Her home, the Moon Shadow campground, is a part of who she is, and she refuses to imagine it any other way. Popular and gorgeous (everybody says so), Bree is a future homecoming queen for sure. Bree wears her beauty like a suit of armor. But what is she trying to hide? Overweight and awkward, Jack is used to spending a lot of time alone. But when opportunity knocks, he finds himself in situations he never would have imagined and making friends in the most unexpected situations. Told from three distinct voices and perspectives, Wendy Mass weaves an intricate and compelling story about strangers coming together, unlikely friendships, and finding one's place in the universe.

In this extraordinary book, Dr. Larry Crabb introduces a revolutionary way for Christians to experience God. "Soul talk" happens when two Christians talk to each other in a way that results in their passion for God being stirred, ignited, and released.

From the New York Times bestselling author and former beauty editor Cat Marnell, a “vivid, maddening, heartbreaking, very funny, chaotic” (The New York Times) memoir of prescription drug addiction and self-sabotage, set in the glamorous world of fashion magazines and downtown nightclubs. At twenty-six, Cat Marnell was an associate beauty editor at Lucky, one of the top fashion magazines in America—and that’s all most people knew about her. But she hid a secret life. She was a prescription drug addict. She was also a “doctor shopper” who manipulated Upper East Side psychiatrists for pills, pills, and more pills; a lonely bulimic who spent hundreds of dollars a week on binge foods; a promiscuous party girl who danced barefoot on banquets; a weepy and hallucination-prone insomniac who would take anything—anything—to sleep. This is a tale of self-loathing, self-sabotage, and yes, self-tanner. It begins at a posh New England prep school—and with a prescription for the Attention Deficit Disorder medication Ritalin. It continues to New York, where we follow Marnell’s amphetamine-fueled rise from intern to editor through the beauty departments of NYLON, Teen Vogue, Glamour, and Lucky. We see her fight between ambition and addiction and how, inevitably, her disease threatens everything she worked so hard to achieve. From the Condé Nast building to seedy nightclubs, from doctors’ offices and mental hospitals, Marnell “treads a knife edge between glamorizing her own despair and rendering it with savage honesty...with the skill of a pulp novelist” (The New York Times Book Review) what it is like to live in the wild, chaotic, often sinister world of a young female addict who can’t say no. Combining “all the intoxicating intrigue of a thriller and yet all the sobering pathos of a gifted writer’s true-life journey to recover her former health, happiness, ambitions, and identity” (Harper’s Bazaar), How to Murder Your Life is mesmerizing, revelatory, and necessary.

John Rosso's book shares thirty core principles for mastering stress-free lead development by phone and over the Internet, in accordance with the selling system developed by David Sandler.

In a future so distant that time is almost without meaning, death is defeated and immortality has been made reality through instantaneous cloning and synaptic transfer. Mankind, frustrated by the futility of timeless existence, chooses extinction. All but one man. Far removed from the known universe with only one companion, an AI named Qod, Salem Ben watches the cosmos from afar and relives the digitally reproduced lives of countless souls archived in the Soul Consortium by means of a neuroimmersive device. He hopes to discover the answer to the ultimate question: What lies beyond? But at the birth of the next universe, billions of years before the pattern of life repeats its design, Salem’s quest takes a disturbing turn. Unexplained aberrations appear among the digital souls. To hunt down their source and to continue his search for evidence of life after death, Salem endures four very different lives: Orson Roth, a serial killer in 20th-century Britain; Dominique Mancini, a spiritual medium from 16th-century Lombardy; Plantagenet Soome, a monk sent to the distant Castor’s World; and Queen Oluvia Wade, the creator of the Soul Consortium. As the mystery unfolds, Salem is confronted by a malevolent entity which threatens the future of humanity before it can begin again—and only Salem stands in the way of it breaking free.

Investigates Plato's account of the tripartite soul, looking at how the theory evolved over the Republic, Phaedrus and Timaeus.

An unprecedented look inside the world of baseball scouting and evaluation from two of the industry's top prospect analysts For the modern Major League team, player evaluation is a complex, multi-pronged, high-tech pursuit. But far from becoming obsolete in this environment—as Michael Lewis' Moneyball once forecast—the role of the scout in today's game has evolved and even expanded. Rather than being the antithesis of a data-driven approach, scouting now represents an essential analytical component in a team's arsenal. Future Value is a thorough dive into baseball's changing world of talent acquisition and development, a world with its own language, methods, metrics, and madness. From rural high schools to elite amateur showcases, from the back fields of spring training to major league draft rooms, Eric Longenhagen and Kiley McDaniel break down the key systems and techniques used to assess talent. It's a process that has moved beyond the quintessential stopwatches and radar guns to include statistical models, countless measurable indicators, and a broader international reach. Practical and probing, discussing wide-ranging topics from tool grades to front office politics, this is an illuminating exploration of how to watch baseball and see the future.

An award-winning political journalist for The Atlantic tells the inside story of how the embattled Democratic Party, seeking a direction for its future during the Trump years, successfully regained the White House. The 2020 presidential campaign was a defining moment for America. As Donald Trump and his nativist populism cowed the Republican Party into submission, many Democrats—haunted by Hillary Clinton’s shocking loss in 2016 and the resulting four-year-long identity crisis—were convinced that he would be unbeatable. Their party and the country, it seemed, might never recover. How, then, did Democrats manage to win the presidency, especially after the longest primary race with the biggest field ever? How did they keep themselves united through an internal struggle between newly empowered progressives and establishment forces—playing out against a

pandemic, an economic crisis, and a new racial reckoning? Edward-Isaac Dove's *Battle for the Soul* is the searing, fly-on-the-wall account of the Democrats' journey through recalibration and rebirth. Dove traces this process: from the early days in the wilderness of the post-Obama era to the jockeying of potential candidates; from the backroom battles and exhausting campaigns to the unlikely triumph of the man few expected to win; and on through the inauguration and the insurrection at the Capitol. Dove draws on years of on-the-ground reporting and contemporaneous conversations with the key players—whether with Pete Buttigieg in his hotel suite in Des Moines an hour before he won the Iowa caucuses or with Joe Biden in his first-ever interview in the Oval Office—as well as with aides, advisors, and voters. Offering unparalleled access and an insider's command of the campaign, *Battle for the Soul* takes a compelling look at the policies, politics, and people, as well as the often absurd process of running for president. This fresh and timely story brings you on the trail, into the private rooms, and along to eavesdrop on critical conversations. You will never see campaigns or this turning point in our history the same way again.
