About me: I am a former teacher and an experienced writer and presenter of Pub Quizzes. Over the years, my quizzes have evolved into what I believe is a tried and tested winning formula and I have decided to share this with others by providing an exact replication of the quizzes I have written and used personally in a quiz setting. Having attended many other 'hardcore' Pub Quizzes, in my opinion there is nothing worse than leaving the Pub having scored, for example, 10 out of 50. It doesn't promote retention of customers and creates an intimidating environment for others. The key for a successful pub quiz is to give teams a feeling of success and satisfaction, regardless of their level of ability. For this reason, the quizzes in this book contain a variety of question types to keep participants interested. Each quiz is structured to start easy and get progressively harder (a difficult skill to approximate, after all a

question is easy when you know it!) This will give teams with more knowledge a greater challenge near the end. One of the issues often faced by a Quizmaster, is the same team winning the quiz every week. The 'Wipeout Round' at the end of each quiz contains very carefully selected questions with a gambling element. In my experience this results in different teams winning much more often. I hope my knowledge and expertise can revitalise your quizzes, whether they be for a one off event, or regular use. If you are presenting a quiz, I understand how meticulously researched well phrased questions and answers can help the cause. William Golding's unforgettable classic of boyhood adventure and the savagery of humanity comes to Penguin Classics in a stunning Graphic Deluxe Edition with a new foreword by Lois Lowry As provocative today as when it was first published in 1954, *Lord of the Flies* continues to ignite passionate debate with its startling, brutal portrait of human nature. William Golding's compelling story about a group of very ordinary boys marooned on a coral island has been labeled a parable, an allegory, a myth, a morality tale, a parody, a political treatise, and even a vision of the apocalypse. But above all, it has earned its place as one of the indisputable classics of the twentieth century for readers of any age. This Penguin Classics Graphic Deluxe Edition features an array of special features to supplement the novel, including a foreword by Lois Lowry, an introduction by Stephen King, an essay by E. M. Forster, an essay on teaching and reading the novel and suggestions for further exploration by scholar Jennifer Buehler, and an
