Grab all four Prophecy of Light books in one volume. Book 1 - Trapped The darkness that has been searching for Kady has finally caught up. Begin this exciting journey today ... Kady always knew the nomadic life she was living was because her aunt was hiding from some dark force, one Auntie described as magic. When Kady awakens in the middle of the night with her house crumbling around her, Auntie hustles her into the night, hides her, and engages in a battle of magic symbols that set the dark sky ablaze. While Auntie succeeds in hiding Kady, she is captured during the battle. Kady, now realizing her aunts admonitions about the power of words were very real, must choose. She can do as her aunt had always warned her -- to run far away if the two were separated. Or she can search for her aunt. As strange powers emerge, Kady begins to realize there's magic trapped inside her. Will this new magic help her succeed in retrieving her aunt? Book 2 - Unleashed Kady must learn to unleash the magic trapped inside her if she is to help the mage Pylum rescue her aunt. As Kady learns her way around the Temple of Light and takes classes to help her understand magic, she makes new friends like Jasper and learns more about the mysterious mage who helped her in book one: Akilah. Will Kady be able to unleash her power, and what else might she find when her bonds are broken? Book 3 - Foretold Kady has rescued her aunt from the dark mage Zygam, but now her friend is his ally. Kady must learn what makes Zygam tick in order to defeat him when he attacks in just 10 days. As she learns more about the mage who has hunted her for 10 years, Kady realizes defeating him may be harder than she thought. Will the secrets she unearths make this battle impossible for her to fight? Book 4 - Fulfilled The final story in the Prophecy of Light series is here! Kady has been told she is the child of light of the prophecy? But is she. Is her choice the key to everything, or is there more to the prophecy than she's been told?

More than three decades after its first publication, Edward Said's groundbreaking critique of the West's historical, cultural, and political perceptions of the East has become a modern classic. In this wide-ranging, intellectually vigorous study, Said traces the origins of "orientalism" to the centuries-long period during which Europe dominated the Middle and Near East and, from its position of power, defined "the orient" simply as "other than" the occident. This entrenched view

continues to dominate western ideas and, because it does not allow the East to represent itself, prevents true understanding. Essential, and still eye-opening, Orientalism remains one of the most important books written about our divided world.

"I recommend all three of the Mistress in the Making books to anyone who enjoys electric passion, witty humor, and a beautiful love story!" Reading Rebel Reviews "I did so enjoy reading all three books about the growing love between Thea and Daniel. They were funny and well written and I can't wait to read more of this author's books. Highly recommended reads and definitely keepers!" Five-Star UK Reviewer Seductive Silence (Book 1) – Pestered by a persistent stammer, a regency lord with a keen interest in orreries and boxing—but not in talking—must find a way to woo his new mistress without words. Recently widowed and increasingly poor, Thea's been reduced to sharing her rented room with rodents and arguing over every morsel (the mice usually win). So when a friend suggests Thea consider a scandalous alliance, she cannot help but be intrigued... Lusty Letters (Book 2) – Thea's fascinating new protector has secrets—several. Hesitant to destroy her newfound circumstances, she stifles her longing to know everything about the powerfully built—and frustratingly quiet—Marquis. But then his naughty notes start to appear, full of humor and wit, and Thea realizes she's about to break the cardinal rule of mistressing—that of falling for her new protector. Egad. Lord Tremayne takes to writing letters to woo his new mistress, little realizing how their fun, flirty exchanges will quickly become the light of his day. Or how wretched he'll feel when the charming Thea suggests they banter in person, possibly pen poetry—together. Blazing ballocks! Is she insane? Daring Declarations (Book 3) – An evening at the opera could prove Lord Tremayne's undoing when he and his lovely new paramour cross paths with his sister and brother-in-law. Introducing

one's socially unacceptable strumpet to his stunned family is never done. But Daniel does it anyway. And it might just be the best decision he's ever made, for Thea's quickly become much more than a mistress—and it's time he told her so. The sweet and spicy, 117,000 word Mistress in the Making historical romance bundle is a fun, "sexy Jane Austen styled", emotionally satisfying tale told in three parts: Seductive Silence, Lusty Letters, and Daring Declarations. A haunting examination of groupthink and mass hysteria in a rural community  
The place is Salem, Massachusetts, in 1692, an enclave of rigid piety huddled on the edge of a wilderness. Its inhabitants believe unquestioningly in their own sanctity. But in Arthur Miller's edgy masterpiece, that very belief will have poisonous consequences when a vengeful teenager accuses a rival of witchcraft—and then when those accusations multiply to consume the entire village. First produced in 1953, at a time when America was convulsed by a new epidemic of witch-hunting, *The Crucible* brilliantly explores the threshold between individual guilt and mass hysteria, personal spite and collective evil. It is a play that is not only relentlessly suspenseful and vastly moving but that compels readers to fathom their hearts and consciences in ways that only the greatest theater ever can. "A drama of emotional power and impact" —*New York Post*  
This title aims to offer a journey into the interior of language. The author reveals the patriarchal construction of language and religious imagery, offering alternatives.

When Matthew sees Josh at the wedding, he's immediately taken aback by the sexy and confident woman he calls his girlfriend. But will Matthew fall for Josh and Hannah's act? Will Matthew be able to resist the temptation of Hannah and steer clear of deepening the feud with his brother?
