A teacher is a person who not only teaches but also guides his/her student in building a successful career. The future of a nation lies upon the level of knowledge the people in the country are having. Thus, the responsibility of a teacher goes far beyond what we think of it at an individual level. We have seen people are interested in making their career in many other professions but teaching as a profession is not the first choice in most cases. Nevertheless, teaching is one of the most interesting professions as it involves a continuous learning exercise and at the same time making others learned by delivering the knowledge one is having. The teachers assess their students but at first, they also get assessed under UGC NET conducted by the National Testing Agency. The National Eligibility Test (NET), also known as UGC NET or NTA-UGC-NET, is the test for determining the eligibility for the post of Assistant Professor and/or Junior Research Fellowship (JRF) award in Indian universities and colleges. UGC NET is considered as one of the toughest exams in India, with success ratio of merely 6%. Previously, the passing ratio was around 3% - 4%. Assistant Professors in private colleges may or may not be NET qualified but NET qualification is mandatory for universities &

Civil services are one of the most famous and respectable career options among the youth. Civil Service is the only body of government officials who are employed in civil occupations that are neither political nor judicial. Public Service Commissions of both central and state governments are the main recruiters of graduate civil service aspirants. The Civil Servants look after the administration of the state. Their role is not only confined to administration. Implementation and adherence of rules and regulations in their jurisdiction comprise their main task.

The economy of a country forms the basis of the standard of living of its citizens. Economics requires deep study of demand, supply, fluctuations and the behaviour of money. But how does it work? This cannot be understood by people who do not have the right knowledge in the discipline. But economists are the intellectuals who can actually study, analyze and help in stabilizing the economy of the country. In order to make sure that those who form the framework of the country are best of all, hence, they should be taught by the best teachers. The making of such teachers is a rather difficult process and is followed by various stages of testing. National Testing Agency (NTA) conducts the entry-level
