Gives a detailed discussion of the legislation, highlighting substantive changes introduced since the last edition.

Examines the influence of classical philosophy on revenge narratives by Shakespeare and his contemporaries

Looking at the UK and Scotland, Public Law Essentials is an invaluable guide for law students throughout the United Kingdom and for practising lawyers needing a quick reference. From the monarchy to the UK and Scottish parliaments, and from judicial review to the parliamentary ombudsman, this fully updated second edition gives you all the coverage of public law that you need for your course, your exams and your practice. In particular, the Scots law sections have been updated in light of the Smith Commission and the Scotland Bill 2015-16. Handy reference sections include tables of cases, statutes and conventions, and summaries of essential facts and cases.

A clear and concise study and revision guide for students of family law in Scotland. Covering all the major legislation, Scottish Family Law is designed for new students of the subject. It gives you a framework for understanding how

family law operates and will help you to prepare for your exams. Each chapter includes lists of essential facts and cases to illustrate how the rules described are applied in practice. Key Features Takes full account of the substantial statutory developments in the field since the Family Law (Scotland) Act 2006 Covers two major recent Acts: the Childrens Hearings (Scotland) Act 2011 and the Marriage and Civil Partnership (Scotland) Act 2014 Includes important new legislation such as the Adoption and Children (Scotland) Act 2007 and the Human Fertilisation and Embryology Act 2008

Discover how the law of evidence operates within Scotland, and in the larger context of UK and European laws of evidence. The new edition has been updated to take account of case law developments since the last edition, plus the Double Jeopardy (Scotland) Act 2014, the Criminal Justice (Scotland) Act 2016 and changes made to the law on vulnerable witnesses by the Victims and Witnesses (Scotland) Act 2014. Helpful student features include Essential Facts and Essential Cases for each chapter.

This is the 7th Edition of John Tiley's major text on revenue law, now massively restructured to focus upon the UK Tax system, Income Tax, Capital Gains Tax, and Inheritance Tax. What were previously sections dealing with Corporation Tax, International and European Tax, Savings and Charities have been spun-off to an entirely new book entitled Advanced Topics in Revenue Law. While this narrowing of the scope of Revenue Law means that it focuses on the most important UK taxes, its reduced size also makes it a more manageable and portable volume for law students and practitioners. As with previous editions, the text has been revised to incorporate changes wrought by new enactments in the past four years. This, however, remains the only book on tax law which continues to explain the new law found in ITEPA, ITTOIA and ITA in light of its legislative predecessors, with references to the former enactments still remaining where relevant. Those familiar with the old law of income tax but wanting to find their way round the new will find this work particularly valuable. The book is designed for law students taking the subject in the final year of their law degree course or for more advanced courses and is intended to be of interest to all who enjoy tax law. Its purpose is not only to provide an account of the rules but to include citation of the relevant literature from legal periodicals and some discussion of, or reference to, the background material in terms of policy, history or other countries' tax systems.

Leach's Tax Dictionary contains over 1,000 pages of definitions. It has three sections: the first lists definitions; the second is a list of abbreviations found in official publications, including government press releases where new abbreviations are made up almost every week; and the third gives a list of tax rates and other information which may be of use to a tax accountant/lawyer.

Nearly 9.5 million households in Britain will have to pay inheritance tax. What's the best way to avoid it? If you're administering an estate because someone has died, how do you obtain probate? Is it ever possible to retrospectively minimize

an estate's tax liabilities? The Financial Times Guide to Inheritance Tax, Probate and Estate Planning will help you navigate the complicated maze of inheritance tax, probate, and estate planning. Amanda Fisher tells you what to do when someone dies, helps you deal with administrative affairs and distribute the estate to beneficiaries, offers long-term strategies on how to protect your estate and minimize any potential inheritance tax liability, including the use of trusts. The Financial Times Guide to Inheritance Tax, Probate and Estate Planning: - Explains what to do when someone has died including how to register the death - Advises on the duties of executors and administrators and how to consider the validity of a will - Helps you apply for the grant of probate or letters of administration - Guides you through the completion of inheritance tax returns and how to calculate and pay any tax due - Provides advice on lifetime planning and illustrates ways to minimize potential inheritance tax liabilities The Financial Times Guide to Inheritance Tax, Probate and Estate Planning will help you face the difficult task of dealing with an estate when someone has died. You'll learn the best way to manage the process of acquiring probate and complete the administration of the estate, before distributing to the beneficiaries. You will also have an insight to the advantages of make a will and organizing your estate efficiently to minimize any future impact of inheritance tax, including the use of trusts. The Financial Times Guide to Inheritance Tax, Probate and Estate Planning covers: Registering a death The duties of the executors and administrators Consideration of the validity of a will Intestacy and partial intestacy Obtaining details of assets and liabilities Applying for the grant of probate and the letters of administration How income and gains are treated before and after the date of death Valuing property for inheritance tax Calculating the inheritance tax liability and completing the inheritance tax return forms Consideration of tax planning and deeds of variation Paying the inheritance tax Distributing the estate to the beneficiaries Lifetime planning to reduce an inheritance tax liability The benefits of making a Will Trusts Glossary of key terms

Revenue Law Essentials Edinburgh University Press

What happens after you die? You can't take it with you, so succession law governs how your property is passed on after your death. Essential Public Affairs for Journalism is an invaluable guide for both journalism students and journalists. It offers engaging coverage of the workings of both central and local government, and gives stimulating insights into how they are, and could be, covered by journalists.

A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal

Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches. From defamation to dangerous animals, and from negligence to nuisance, Delict Essentials will introduce you to the Scots law of delict. Fully updated for the third edition, this concise guide will give you the key facts that you need, whether you're a busy law student revising for those all-important exams or a professional practitioner looking to brush up on your knowledge. It will also be useful for those studying comparative criminal law or tort across different jurisdictions.

This third book in the authoritative BACP Legal Resources for Counsellors and Psychotherapists series provides a user-friendly guide to the law for all those practising and training in the counselling profession. Barbara Mitchels and Tim Bond make legal issues relevant and bring them alive for the practitioner. Packed with practical examples, this book covers essential areas of law for practitioners including - professional ethics and standards - negligence - contracts and premises - employment and insurance - dealing with legal claims - professional diligence. Other features include a glossary, tables and flowcharts as well as a comprehensive index of resources and organisations for additional information and guidance. This readable book helps practice managers, counsellors and psychotherapists to recognise, understand and address legal issues that may arise in their practice, and assists them in finding any additional resources they may need. Demystifying the law, this book is an authoritative guide for therapists, including those working in private practice, as well as being important reading for all those studying counselling, psychotherapy or clinical psychology.

The law of contract forms the basis of our civil society. Without the law of contract we could not buy food, clothing or a place to live, nor could we book holidays, run a business or manage a football club. But contract law is complex and intricate, and disputes over contracts have led to a wealth of court cases over the years. This updated third edition gives you a clear and concise guide to the basics of the law of contract as it pertains to Scotland, from what a contract is to how they are formed, terminated and breached, and from third-party rights to cross-border contracts.

Get started with using the library; find out what statutory interpretation and judicious precedent are; learn about finding and using case law and legislation; discover how to access and cite books, journals and other sources; take your study international with a guide to sources from Europe and further afield; and sail through your coursework and exams with handy tips for legal writing and research.

One of America's top tax lien and tax deed investors and instructors reveals high-profit money-generating tax sales and tax auction investment techniques covered almost nowhere else, yet also explains the basics and the potential dangers for tax lien investors just starting out in this lucrative area. This quick short and easy-to-read glimpse inside the real world of tax lien and tax deed investing is a must-have book for any serious tax deed or tax lien real estate property investor!

In Scots law, the legal concept of the trust has a long history of development and, over that time, has come to take on a number of characteristics. Because of this, there is no single

definition of a trust that covers every example of the trust relationship. That's where Trusts Law Essentials comes in. This concise volume will quickly introduce you to the Scots law of trusts - from creating a trust and appointing trustees to conflicts of interest and the termination of trusts. It also looks at the different purposes of a trust and the particular issues surrounding charities and charitable trusts. End-of-chapter summaries of essential facts and essential cases will help you to identify, understand and remember the key elements of trusts law in Scotland.

This Research Handbook provides a comprehensive overview of scholarship on not-for-profit law. The chapters, written by world leading experts, explore key ideas and debates in relation to: theories of the not-for-profit sector, the composition and scope of that sector, not-for-profit organisations and the constitution, the legal conception of charity, the tax treatment of not-for-profit organisations and the regulation of not-for-profits. The book serves to represent not-for-profit law as a field of academic inquiry, and to point the way to future research in that field. This is the ninth edition of John Tiley's major text on revenue law, covering the UK tax system, income tax, capital gains tax and inheritance tax, as well as incorporating sections dealing with corporation tax, international and European tax, savings and charities. This new edition is fully revised and updated with the latest case law, statutory and other developments, including Finance Act 2019. The book is designed for law students taking the subject in the final year of their law degree, or for more advanced courses, and is intended to be of interest to all who enjoy tax law. Its purpose is not only to provide an account of the rules but also to include citation of the relevant literature from legal periodicals and some discussion of, or reference to, the background material in terms of policy, history or other countries' tax systems.
