The history of sexual morality in Ireland has been traditionally associated with repression. In the last two decades, however, repression seems to have given way to its exact opposite. But where did this "repression" originate? And how can we account for this sudden and sweeping transformation in sexual mores? Based on solid ethnographic and historical analysis of sexual morality in rural Ireland, augmented by comparative data from Papua New Guinea, and being informed by Freud's emblematic concept of repression, the author draws new conclusions that not only apply to the specific case of his Irish material but shed new light on the specific nature of an anthropological approach to the study of human societies.

The Cengage Learning DISCOVERY SERIES: HUMAN SEXUALITY is designed to deliver traditional course content in an innovative hybrid learning format instruction presented in a printed handbook paired with integrated online applications and assessments. The program promotes measurable mastery of core course learning objectives by guiding students' active engagement with content delivered through the book, images, video, simulations, and assessments. This contemporary approach to learning seamlessly integrates text and technology, enabling students to easily move from the

book's instruction to its online applications for a deeper, lasting understanding of the core psychological concepts, and for assessments (all assignable) that reliably track students' progress and performance. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

“Why did it take 30 years for American bishops to listen to the victims of Catholic clerical abuse?” *Gay Catholic Priests and Clerical Sexual Misconduct: Breaking the Silence* is a compelling indictment of Roman Catholic teachings on homosexuality and sexuality. Inspired by *The Silence of Sodom: Homosexuality in Modern Catholicism*, Mark Jordan’s controversial examination of homoeroticism in American Catholic culture, this groundbreaking book examines how the current crisis of clerical abuse affects and stigmatizes gay priests living in a climate of hysteria and condemnation. The book’s contributors, an eclectic mix of scholars and clerics, question whether the church can survive centuries of secrets and scandals. In the wake of very real concerns about a possible inquisition launched by the Catholic Church against its gay members, *Gay Catholic Priests and Clerical Sexual Misconduct* continues the efforts of the Gay Men’s Issues in Religion Group of the American Academy of Religion to honor the work of Mark Jordan, who contributes his thoughts on the issues raised by the book. A panel of former Jesuits, a former seminarian with the Congregation of the Blessed Sacrament, a Dominican, a Franciscan, and several feminist authors present different perspectives on gay priests,

Bookmark File PDF Sex Stories Collection 7 Erotic Xxx Stories In 1 Wife Swapping Domination Interracial Threesomes Double

clerical/ecclesial misogyny, games of power and abuse, and religious scapegoating, writing with eloquence and pain, a great deal of pride, and a touch of justifiable divine righteousness. *Gay Catholic Priests and Clerical Sexual Misconduct* includes: “Celibate Men, Ambivalent Saints, and Games of Desire”, “A Call to Liberation of Gay Catholic Clergy”, “Speaking Loud or Shutting Up: The Homosexual-type Problem”, “Those Troubling Gay Priests”, “Catholicism and a Crisis of Intimate Relations” and much more! *Gay Catholic Priests and Clerical Sexual Misconduct: Breaking the Silence* is an invaluable resource for academics, members of the clergy, seminarians, chaplains and counselors, and anyone interested in homosexuality and religion.

As revelations of sexual harassment and misconduct roil Hollywood; Washington, D.C.; and workplaces across the country, these problems are being examined more closely than ever before. This encyclopedia provides interested readers with a comprehensive and authoritative resource to help them understand not only the specific scandals that have erupted across U.S. society, but the historical factors and events that have led to this moment in American history. The book features entries that illuminate various types of sexual harassment and misconduct (e.g., quid pro quo, hostile environment), explain different classifications of harassers (e.g., territorial, predatory), survey how sexual harassment and misconduct manifest themselves in different settings (e.g., workplace, school, military, politics, home), detail the major cases that have been publicized since the #MeToo Movement gained

The book aims to increase the comfort of both mental health trainees and advanced practitioners in assisting patients with their sexual concerns. The author provides a thoughtful discussion of the nature of love -- as an active, evolving process involving psychological intimacy, intense sexual interest, and commitment -- and shows how sexual problems create barriers to loving.

DELIVERS AN EFFECTIVE, ENGAGING NEW TECHNIQUE FOR TREATING CHILDHOOD SEXUAL ABUSE

Treating a confirmed or suspected case of childhood sexual abuse is undoubtedly one of the most challenging situations a clinician can face. This unique book, written by recognized experts on the evaluation and treatment of childhood sexual abuse, is the first to disseminate a comprehensive and integrative approach to treating child sexual abuse that combines the power of structured play therapy with cognitive-behavioral treatment. Created by the authors, game-based cognitive-behavioral therapy (GB-CBT) is a complete therapeutic package containing engaging techniques and effective strategies to treat the problems experienced by children and families impacted by sexual abuse. The book provides the rationale, underlying theory, and step-by-step instructions for providing GB-CBT to families affected by child sexual abuse. Detailed descriptions of evidence-based techniques and required materials are included, along with reproducible game boards and other items needed to implement activities. These structured therapeutic games and role-plays are enjoyable and provide multiple opportunities for children to learn and rehearse such skills as emotional expression, anger management, relaxation strategies, social skills, social problem solving, and cognitive coping. A detailed session framework complete with behavioral expectations and reward

Bookmark File PDF Sex Stories Collection 7 Erotic Xxx Stories In 1 Wife Swapping Domination Interracial Threesomes Double

systems, along with illustrative case examples, further demonstrates how to implement GB-CBT. Also included are recommendations for effective and comprehensive assessment procedures. The book describes activities for individual, conjoint child--caregiver, and group therapy that can be used in a multitude of therapeutic environments and can be incorporated into clinical practice across a variety of orientations. Additionally, it includes information about cultural considerations critical for effective delivery with diverse populations. The book also contains strategies for training and educating students and clinicians about GB-CBT. **KEY FEATURES** Delivers an effective new method for treating child sexual abuse that combines structured play therapy with cognitive-behavioral therapy Written by the originators of GB-CBT, recognized experts in this field Designed for use in a variety of settings and with different therapeutic modalities Presents concrete strategies, step-by-step instruction, and required materials for treating problems related to child sexual abuse Includes illustrative case examples and a complete description of structured sessions with behavioral expectations and reward systems

Sexual Harassment in the Workplace: Law and Practice

This book is a new and exciting resource for teachers, students, and activists who aim to critically examine contemporary sexuality through the lens of sexual literacy and situated social analysis. This original anthology provides shorter cutting-edge essays on theory, method, and activism, including the nature of globalization and local sexuality discovered in 'glocal' topics, processes, and contexts. These cutting-edge essays inform readers of key moments in sexual history, including areas relating to research, practice, and social policy, and provide a platform from which to engage in rich discussion and forecast the development of sexual literacy in our world within multiple contexts.

As editor of the series "Perspectives in Sexuality: Behavior, Research, and Therapy," I consider it a major scholarly achievement to publish selected proceedings of the Second International Congress of Sexology. Never before have so many professional organizations supported such a conference or so many scholars, from so many countries, participated in such a conference. Eighteen countries were represented; over one hundred papers were presented. The Congress and these proceedings mark an historical milestone for sexology in international scientific cooperation. The collaboration of so many researchers from diverse disciplines further illuminates the interdisciplinary approach. The papers presented reflect the challenge accepted by scientists to compare varieties of techniques and programs, to develop new theories and creative approaches in their investigations, and to initiate scientific study of heretofore taboo areas of inquiry. Clearly, sexology has come of age. It takes its place among the respected scientific disciplines. This monumental achievement, the Second International Congress of Sexology, signals the emergence at the international level of Sexology as Science. Richard Greenix Preface The Second International Congress of Sexology was held in Montreal, Canada on October 28-31, 1976. Researchers of international acclaim from eighteen countries presented progress reports in specialities as endocrinology, neurophysiology, infertility, contraception, sexual dysfunction, ethics in sex research and sex education. The Congress, whose theme was "international progress in sexology," had as its scientific objective a wide range of subjects concerning the interdisciplinary study of sexology from many areas of the world.

This volume is the first major exploration of the issues relevant to young people who are affected by sexual exploitation and trafficking from a variety of critical

Bookmark File PDF Sex Stories Collection 7 Erotic Xxx Stories In 1 Wife Swapping Domination Interracial Threesomes Double

perspectives. Issues include accommodation, gangs, migrant and refugee communities, perpetrators, international policy and the language through which we construct child exploitation.

Intimate Partner Sexual Violence (IPSV) is the most common type of sexual violence and a common component of domestic violence, yet most cases go unreported and service responses are often inadequate. This book brings together advice for all those professionals working with individuals who have experienced IPSV and puts forward recommendations to tackle this prevalent form of sexual violence. With contributions from leading experts on IPSV, Intimate Partner Sexual Violence is a comprehensive guide to the subject which bridges the gap between research and practice.

Multidisciplinary and international in approach, the book covers key issues salient to all professionals - the impact of IPSV, reproductive coercion, the physical and psychological indicators, possible consequences of taking a case to court, and best practice service responses. One section also addresses the risks and needs of IPSV victims in different contexts, such as those in same-sex or teenage relationships, immigrant victims, and those living in rural areas or in prison. This is an authoritative resource for all professionals who work with IPSV victims including counselors, social workers, refuge workers, victim advocates, mental health professionals, pastoral workers, lawyers, police, and health practitioners.

Fans and scholars have long regarded the 1980s as a significant turning point in the history of comics in the United States, but most critical discussions of the period still focus on books from prominent creators such as Frank Miller, Alan Moore, and Art Spiegelman, eclipsing the work of others who also played a key role in shaping comics as we know them today. *The Other 1980s* offers a more complicated and

Bookmark File PDF Sex Stories Collection 7 Erotic Xxx Stories In 1 Wife Swapping Domination Interracial Threesomes Double

multivalent picture of this robust era of ambitious comics publishing. The twenty essays in *The Other 1980s* illuminate many works hailed as innovative in their day that have nonetheless fallen from critical view, partly because they challenge the contours of conventional comics studies scholarship: open-ended serials that eschew the graphic-novel format beloved by literature departments; sprawling superhero narratives with no connection to corporate universes; offbeat and abandoned experiments by major publishers, including Marvel and DC; idiosyncratic and experimental independent comics; unusual genre exercises filtered through deeply personal sensibilities; and oft-neglected offshoots of the classic “underground” comics movement of the 1960s and 1970s. The collection also offers original examinations of the ways in which the fans and critics of the day engaged with creators and publishers, establishing the groundwork for much of the contemporary critical and academic discourse on comics. By uncovering creators and works long ignored by scholars, *The Other 1980s* revises standard histories of this major period and offers a more nuanced understanding of the context from which the iconic comics of the 1980s emerged.

Now in a fully revised and updated second edition, this important work provides authoritative scientific and applied perspectives on the full range of paraphilias and other sexual behavior problems. For each major clinical syndrome, a chapter on psychopathology and theory is followed by a chapter on assessment and treatment. Challenges in working with sex offenders are considered in depth. Thoroughly rewritten to reflect a decade of advances in the field, the second edition features many new chapters and new authors. New topics include an integrated etiological model, sexual deviance across the lifespan, Internet offenders, multiple paraphilias, neurobiological processes, the clinician as expert

witness, and public health approaches.

Today within neoliberal democracies, gender and sexuality provisions give people the opportunity of being granted social and legal protection. But how does the asylum system intervene within claimants' understandings of themselves and in what ways does this affect their livelihoods in the country of arrival? *The Sexual Politics of Asylum* emerges from a 2 year long ethnography, which explores the experiences of 60 gender and sexual minority refugees in the UK. Bringing previously unheard stories to the forefront, this enlightening volume challenges dominant notions about the construction of sexuality and gender as an instrument for claiming rights in a world shaped by postcolonial relations. Giametta first examines why the migratory experience of the studied migrants is located within a set of humanitarian-inflected discourses that privilege suffering and trauma. This is then followed by an assessment of the respondents' biographical accounts, which consequently uncovers how being situated in liminal socio-political and legal interstices produces precarious forms of life. Whilst the topic of asylum for gender and sexual minorities has attracted wide media coverage over the past decade, there persists a lack of academic attention to the complex experiences of these refugees. As such, this timely book will be of interest to undergraduate and postgraduate students interested in human rights, sociology, anthropology, migration, sexuality, gender and cultural studies, as well as people working within the refugee granting process.

First published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

Negotiating Sexual Idioms: Image, Text, Performance affords new theoretical approaches and insights into the complexity of sexual discourse pervading contemporary cultures, exploring sexuality's role in dominant conceptualisations of

Bookmark File PDF Sex Stories Collection 7 Erotic Xxx Stories In 1 Wife Swapping Domination Interracial Threesomes Double

self and society, in patterns of political belonging and exclusion, and in societal transformations. Opening with a substantial critical introduction, this collection of twelve essays and creative pieces contributes to significant current debates regarding sexual rights and their violation, queer theory and identity politics, sexual fantasy formations and strategies of pleasure, and the celebration of sexual diversity, topics explored through a variety of disciplinary frameworks, including gender and film studies, religious philosophy, neo-Victorian and postcolonial literature, sociology, pornography, and performance art. The volume positions the subjects of sex and sexuality as crucial to our ethical understanding of the human, both in individual and communal terms, exploring how claims for sexual subjectivity and citizenship are formulated and the entitlements they entail. The analytical insights offered signal important new directions for critical engagement with the socio-political construction of sexuality and its strategic deployment within the cultural imaginary. Designed to appeal equally to scholars, students, and general readers, *Negotiating Sexual Idioms* will prove essential reading for those interested in multi-disciplinary approaches to reading sex and sexuality within inter-cultural contexts, from the early modern period to the present-day.

As the #MeToo movement has become an increasingly global and significant workplace matter, a timely resource compiling must-know international workplace sexual harassment laws for the multinational employer is clearly needed. This book provides a comprehensive compilation of global sexual harassment laws, clearly necessary in this climate but not currently existing until now. It presents legislation addressing workplace sexual harassment in over 50 countries in the European Region, Asia Pacific, Americas, and the Middle East and Africa. Within each region, the laws of individual countries are set forth, as well as some cultural context and

Bookmark File PDF Sex Stories Collection 7 Erotic Xxx Stories In 1 Wife Swapping Domination Interracial Threesomes Double

recent developments to indicate present and future trends in workplace sexual harassment regulation. Written in clear, plain English for anyone without a legal background to understand, this book is essential reading and a key resource for employment and business attorneys, global employers, managers, human resources professionals, and occupational health and safety professionals. Academics, practitioners, union members, employees, NGOs, and those in the human rights field will also benefit from this timely resource.

Introduction : women and sexology : knowledge, possibilities, and problematic legacies -- The emergence of sexology in early twentieth century Germany -- As natural as eating, drinking, and sleeping : redefining the female sex --

Challenging the limits of sex : envisioning new gendered subjectivities and sexualities -- Troubling normal, taking on patriarchy : criticizing male (hetero)sexuality -- The erotics of racial regeneration : eugenics, maternity, and sexual -- New social and moral values will have to prevail : negotiating crisis and opportunity in the First World War -- Fluid gender, rigid sexuality : constrained potential in the post-war period

Sexual Identities and the Media encourages students to examine media as a site of negotiation for how people make sense of their own and others' sexual identities. Taking a critical/cultural approach, Wendy Hilton-Morrow and Kathleen Battles weave together theory, synthesis of existing research, and original analysis of contemporary media examples in order to explore key areas of debate, including: an historical context for contemporary GLBTQ representations; the advantages and limitations of media visibility, including a discussion of the strengths and limitations of stereotype research and the quest for "positive" representations; the role of consumer culture in constructing GLBTQ identities; strategies of mainstream media resistance by GLBTQ community members, including oppositional/queer reading strategies and the production of media products by and for the GLBTQ community; the complexities of comedy as a popular narrative device in GLBTQ portrayals; the closet as a structuring metaphor in both GLBTQ identities and engagement with media; media representations of GLBTQ bodies as sites of non-normative desires and gender identities. Featuring an enormous range of discussion questions and case studies—from celebrity coming-out narratives, transgender models, and slash fiction writers to Glee and Modern Family—this textbook offers a timely, informative, and demystifying introduction to this vital

Bookmark File PDF Sex Stories Collection 7 Erotic Xxx Stories In 1 Wife Swapping Domination Interracial Threesomes Double

intersection in contemporary culture.

The international feminist contributors to this book look through the lens of poststructuralism at how child sexual abuse is differently represented and understood in the populist, academic, clinical, media and legal contexts. Reworking earlier feminist analyses, they show how child sexual abuse is not just about gender and power but also about class, race and sexuality. The first, theoretical section of the book critiques normative theories of the 'effects' of abuse, explores the impact and consequences of feminist interventions and critically examines the potential usefulness of a feminist post-structuralist approach. In the second part, these understandings are applied to specific arenas of practice with the aim of providing a framework for critical intervention and alternative and better ways of working with child sexual abuse.

The law of sexual harassment is constantly evolving, and the number of sexual harassment claims is dramatically on the rise. *Sexual Harassment in the Workplace, Fourth Edition*, is a comprehensive guide that provides all the information you need to successfully litigate a sexual harassment claim. *Sexual Harassment in the Workplace* guides you through the relevant administrative and legal proceedings, from client interviews to attorney's fees. It discusses state and federal remedies available to maximize recovery, including:

- The development and elements of the claim
- Sample pleadings
- Discovery documents
- Reviews of actual cases

Special attention is given to important topics such as:

- Suits by alleged harassers
- Insurance indemnification
- Class actions
- And many others

Sexual Harassment in the Workplace brings you up to date on the latest case law developments,

including the following. A new checklist of items to cover when representing an employer The U.S. Supreme Court confirmed that retaliation is actionable under Title IX where a girls' high school basketball coach claimed that he suffered retaliation for complaining about sexual discrimination in the athletic program of the school, even though he himself was not the direct victim. *Jackson v. Birmingham Board of Education*, 544 U.S. 167 (2005) In order to increase opportunities for mediation, the EEOC expanded the charges eligible for mediation and now mediation is available at the conciliation stage, after a finding of discrimination has been issued, in appropriate cases The U.S. Supreme Court has held that under the Federal Arbitration Act, where parties to an arbitration agreement include a provision that delegates to the arbitrator the threshold question of enforceability of the arbitration agreement, if a party specifically challenges the enforceability of the entire agreement, the arbitrator would consider the challenge. If, however, the party only challenges the enforceability of the arbitration provision, the challenge must be heard by a court. *Rent-A-Center, West Inc. v. Jackson*, 130 S. Ct. 2772 (2010) The lack of timeliness in filing a discrimination action is an affirmative defense and the burden of proof is on the employer. *Salas v. Wisconsin Department of Corrections*, 493 F.3d 913, 922 (7th Cir 2007) A federal employee's premature filing of a sexual harassment employment discrimination and retaliation complaint did not constitute a failure to exhaust administrative remedies so as to deprive the district court of subject-matter jurisdiction. *Brown v. Snow*, 440 F.3d 1259 (11th Cir. 2006) A majority of

Bookmark File PDF Sex Stories Collection 7 Erotic Xxx Stories In 1 Wife Swapping Domination Interracial Threesomes Double

states impose a shorter period for filing with their agencies, though, so the filing deadline is not always extended when a state has its own agency The "single filing rule" - under which a party who has not filed an EEOC charge or received a right-to-sue notice may "piggyback" his or her judicial action on the claim of a party who has satisfied those prerequisites - has been described as a "carefully limited exception" to Title VII's procedural requirements. Price v. Choctaw Glove and Safety Co., 459 F.3d 595 (5th Cir. 2006) Provided that an act contributing to the claim occurs within the filing period, the court may consider the entire period of the hostile environment for purposes of determining liability. Jordan v. City of Cleveland, 464 F.3d 584 (6th Cir. 2006) The Supreme Court has held that a plaintiff's timely filing of an EEOC intake questionnaire, which was followed by an affidavit stating "Please force Federal Express to end their age discrimination . . ." constituted a charge, cautioning, however, that its permissiv

Sexual rhetoric is the self-conscious and critical engagement with discourses of sexuality that exposes both their naturalization and their queering, their torquing to create different or counter-discourses, giving voice and agency to multiple and complex sexual experiences. This volume explores the intersection of rhetoric and sexuality through the varieties of methods available in the fields of rhetoric and writing studies, including case studies, theoretical questioning, ethnographies, or close (and distant) readings of "texts" that help us think

Bookmark File PDF Sex Stories Collection 7 Erotic Xxx Stories In 1 Wife Swapping Domination Interracial Threesomes Double

through the rhetorical force of sexuality and the sexual force of rhetoric.

This book details how popular conceptions of masculinity and femininity inform the way footballer's bodies, team bonding, women, sex and alcohol are portrayed in the media, and connects stories relating to the cases with sports reporting generally. Deb Waterhouse-Watson, Monash University.

Analysis of sexual ambivalence in antiquity, which was both deeply threatening to the social order and profoundly attractive.

Tracking the changing representation of female gender-crossing in the press, this text breaks new ground to reveal findings where both desire between women and cross-gender identification are understood. *Her Husband was a Woman!* exposes real-life case studies from the British tabloids of women who successfully passed as men in everyday life, perhaps marrying other women or fighting for their country. Oram revises assumptions about the history of modern gender and sexual identities, especially lesbianism and transsexuality. This book provides a fascinating resource for researchers and students, grounding the concepts of gender performativity, lesbian and queer identities in a broadly-based survey of the historical evidence.

Presenting qualitative and quantitative findings on the lived experiences of around seven hundred young adults from Christian, Muslim, Jewish, Hindu, Buddhist, Sikh and mixed-faith backgrounds, *Religious and Sexual Identities* provides an illuminating and nuanced analysis of young adults' perceptions and negotiations of their religious, sexual, youth and gender identities. It demonstrates how these young adults creatively construct meanings and social connections as they navigate demanding but exciting spaces in which their multiple identities intersect. Accessible quantitative analyses are combined with rich interview and video

Bookmark File PDF Sex Stories Collection 7 Erotic Xxx Stories In 1 Wife Swapping Domination Interracial Threesomes Double

diary narratives in this theoretically-informed exploration of religious and sexual identities in contemporary society. A timely investigation revealing the multiplicity of contemporary identities, this book will appeal not only to sociologists and scholars of religion, but also to those working in the fields of youth studies, sexuality, gender and identity.

Sexual assault can be considered as expression of aggression through sex. This, in turn, can have serious negative effects on a survivor's social and occupational functioning. This book has been organized towards that specific approach, by compiling the scientific work of very well-known scientists from all over the world. The psychological victimization of sexual assault, the physiological aspect of sexual abuse and the different attitudes in coping with sexual assault based on different cultural backgrounds are analyzed. Having in mind that one solution may not necessarily be suitable for all cases, we hope that this book will open a debate on sexual assault for future practice and policy and that it will be a step forward to 'break the silence'.

Many midwives will care for women who are survivors of childhood sexual abuse (CSA), whether these women disclose this or not. Pregnant and birthing women commonly experience their bodies becoming 'public property', a variety of sometimes intimate medical procedures, and limited choices on where and how care is provided. For CSA survivors, who have suffered loss of ownership over their bodies as children and may experience recurring feelings of powerlessness and loss of control, these factors can combine with impersonal

Bookmark File PDF Sex Stories Collection 7 Erotic Xxx Stories In 1 Wife Swapping Domination Interracial Threesomes Double

and medicalised settings and practices to deeply traumatic effect. 'Sexual abuse is all about power, not sex.' - interviewee Many midwives also experience powerlessness and loss of control as professionals as a result of these same settings and practices, and those midwives who are themselves CSA survivors bring a particularly acute awareness of this and of the needs of survivor mothers. This unique study sets out to gain a deeper understanding of the needs of these mothers by exploring them alongside the parallel experiences of survivor midwives. It explores the insights and reflections they together bring to midwifery, and the positive results of more collaborative, personal, communicative and ultimately empowering practices for all involved. 'The significance of this book is far wider than its immediate subject, for it offers us the opportunity to rethink our professional coping strategies. If we seek to make all our professional relationships ones of equality and opportunities for growth, as would benefit someone who has suffered abuse, then we can all grow and flourish.' - from the Foreword by Mavis Kirkham

Though discussing sexual material in novels aimed at the young adult market may make some individuals blush, the authors of such fiction often seek to represent a very real component in the lives of many teens. Unfortunately, authentic and teen-relatable information on healthy adolescent sexuality is not readily available, and sex education classes have had a minimal effect on positive sexual identity development. Consequently, young adult literature that contains sexual elements can play a critical role in addressing the questions and

Bookmark File PDF Sex Stories Collection 7 Erotic Xxx Stories In 1 Wife Swapping Domination Interracial Threesomes Double

concerns of teens. In *Sexual Content in Young Adult Fiction: Reading between the Sheets*, Bryan Gillis and Joanna Simpson examine sexual material in canonical, historical, dystopian, romantic, and realistic contemporary fiction for teens. The authors begin with an exploration of sexual identity development and discuss the constructive influence that realistic representations of teen sexual behavior can have on that development. The authors provide a myriad of texts and examples that will help parents, teachers, and librarians better understand the positive role that sexual content in YA fiction can play in the socio-emotional and academic development of adolescents. The book concludes with an overview and analysis of censorship in the world of young adult fiction. In addition to providing a survey of sexual content in young adult literature, this book can help inspire adults to facilitate effective and responsible discussions about young adult fiction that contains sexual material. Featuring a "novels cited" and "works cited" bibliography, *Sexual Content in Young Adult Fiction* is an important resource that parents and educators will find particularly valuable.

Abstract.

Located within a burgeoning therapeutic/self-help culture this book explores stories of childhood sexual abuse, 'recovered memories' and multiple personalities, and explodes the myths surrounding women who, without memories, redefine themselves as victims.
