The aspiration of this unique book is to give the future back to our children and their children. True love and emotions that enlightens everyone's heart and mind will soon come again into the hearts of this world. Our emotions and broken souls are the voices of one crying out from their imprisonment. I have come to realize I can write with a conscious spirit. The emotions of my subconscious heart have become the translator of my soul. I am not afraid to tell humanity of my emotions and tribulation of my life. Facing these fears on paper helped me to climb out of cesspools and anger. Hopefully and knowing my inscription will expose some inner impressions that others find difficult to release. Every day we make thousands of choices and the quality of loving is determine by the maturity of each choice we make. Remember that our spirit is always with us even though we may not feel its existence or notice it. The emotions of my heart have no memories just brief glances within the soul. All my life I have dealt with lady luck and no love. These gathered poems as they are here, they are a testimonial to the power of love and to present a tapestry of emotions of the soul.

He wanted entrance to the inner circle of London court where power and position was everything. The key to his success was to gain where others failed, like a pawn in a game of chess all he had to do was capture his niece. Angelet evaded him with the help of her knight she was able to protect her castle and the one thing he wanted the most. With a bold move she was able to change the game by capturing him while showing him that she possessed the Angels Tears and he has just lost all.

Poetry is something that we all share, each time that we think a thought. We think in poetry, only some of us are not able to put it in words but thoughts of poetry live in our hearts. We are filled with emotions and that is what poetry is. You need to just open your heart to the words written for they are the words coming from a heart just like you. From our pain and our sacrifices to our joy and happiness, when you read this we will be able to see that we are all the same seeking love and a dream that we can claim. There are times when we may feel lost and there is nothing that we can do. The truth is that there will always be options for us to choose. Only with our ever changing emotions at the time we are blind to see. For every action there is an opposite reaction. There are things that we know that we can do yet we get caught up in the things that we are going through. There are times when we are happy and times when we are sad. It is a delicate balance in the lives that we live. Each of us will need to come to grips with the way that we feel. We are never alone although we think at the time that we are alone. We need to find the courage to reach out and say that we are here. Is there anyone out there that care about the

lives that we live? At the end of the day if we listen closely we will be able to hear a voice saying that I am here, you are not alone. Ever changing emotions is what will live in our hearts. We just have to decide the things that we want to do and find the courage to follow them through. The Life that I have had to live has been very difficult but the love in my heart kept me strong even when I sometimes may have felt alone. I have cried my share of tears and I have suffered many years but I kept the love in my heart. We are human and we make mistakes but as long as we live there will always be another road for us to take. I pray that the poems that you are reading help you to understand that we all go through life's ever changing emotions. We have to live in the moment and if that moment continues to last then we should remember that our lives are made up of our past, present and our future. For as long as we live we can change the way that we feel. Love and forgiveness is what we should always hold most precious in our lives. Love and forgiveness can forever live in our hearts. Poetry is something that we all share, each time that we think a thought. We think in poetry, only some of us are not able to put it in words but thoughts of poetry live in our hearts. We are filled with emotions and that is what poetry is. You need to just open your heart to the words written for they are the words coming from a heart just like you. From our pain and our sacrifices to our joy and happiness, when you read this we will be able to see that we are all the same seeking love and a dream that we can claim.

ForewordIt has been a great pleasure in getting to know Ms. Doggett this last year. I met her through a mutual friend, who runs a poetry group and hosts a Radio show for All Artists. Ms. Doggett is a humble, unassuming and very accomplished poet. Each-time she came to the mic with her Lady-Like quality and Angelic Voice, I was shocked by the strength behind every syllable she uttered. Many of the poems were packed with a punch, in as few as two to three replete lines. She leaves you sated, knowing that you have been well-fed as she speaks of the love and desire from a very tender and romantic heart. She is a Spiritual woman as well, and has the ability to take us on longer journeys and you are right with her, in the moment, in her Spiritual Now. Then we are grabbed by the throat, as she expresses the moments of disappointments and pain, followed by anguish as Ms. Doggett bares her soul. It was this point that I reached for the box of tissues. I invite you to take this journey with her, as I did. You will not be disappointed, as a matter of fact, you will not feel alone in this world. Happy Reading. Janet P. Caldwell Author

Life is unpredictable. When we least expect it, it can be changed forever. That moment came for author Benedetta Lino when her one-year-old daughter was diagnosed with cerebral palsy, the possible result of a serious adverse reaction to the DPT vaccination. Yet in the years to come, Benedetta refused to give up hope and refused to let her daughter experience anything less than true and unconditional love. Heartwarming, yet bittersweet, Tears of My Angel recounts the years of struggle, pain, love, and hope that the Lino family endured. Benedetta recounts the early years of her daughter's life, of the numerous tests and hospital stays, until the diagnosis finally came in 1985. But from that moment on, things only became more difficult. As Benedetta and her husband learned to care for their daughter in the comfort of their home, they found strength in each other and in the love they had for Laura. As the years passed, and the normal milestones of a child's life passed without being celebrated, the family instead celebrated the beauty of life, of Laura's courage, and of the power of love. Tears of My Angel inspires, educates, and encourages, but most of all, it reaffirms the ability of hope and love to sustain us through our darkest days.
