

## The Best Of Punk Magazine

"The pictures, which include some posed portraits but are mostly concert shots, are the chief attraction. They freeze moments of adolescent release, vein-bulging intensity and sweaty communion that fuses performer and audience...Vivid and evocative." --Washington Post "Scott Crawford, the man behind the acclaimed documentary Salad Days, has given us another taste of the best-kept secret of 80s in his new book Spoke: Washington DC's hardcore punk scene." --Dazed "With music by Minor Threat, Void, Rites of Spring, Government Issue, and many others propelling the story of hardscrabble, Reagan-era D.C. as the hotbed for a new artistic outlet in Salad Days, Crawford saw the book as a way to scoop up important narrative from the cutting-room floor and find a new home for it." --Fast Company "Pockmarked with burned-out buildings and boarded-over storefronts, Northwest DC was once home to a vibrant and sometimes violent punk movement beginning in the early 1980s. For geeky 12-year-old Scott Crawford, that changed everything: He chucked comic books for punk rock and self-published a music zine from his mother's kitchen table in Silver Spring. This month, Crawford releases a book about those days, Spoke--a companion to his 2014 documentary, Salad Days--featuring stories from local players such as Dave Grohl, Henry Rollins, and Ian MacKaye."

--Washingtonian Magazine "Spoke...adroitly uses both photographs and oral histories to capture the importance of what can best be described as a cultural revolution within the nation's capital." --Shepherd Express "This coffee table version of the documentary [Salad Days] follows the D.C. scene's often politically-charged brand of punk rock, from Bad Brains to Jawbox, and of course the legendary Fugazi. And there's even the near-forgotten SOA, whose frontman Henry Rollins took his D.C. energy to L.A. where he stepped in as the singer for Black Flag." --Yellow Scene Magazine "A must-have for any rock historian or pop-culture buff...The perfect punk coffee table book." --Shockwave Magazine "Highly recommended...A must read for punk fans." --Chorus.fm/HiFiNoise "A worthy addition to the growing amount of literature on the American hardcore/punk scene, Spoke will look great on any aging punks' coffee table as a document to a vital, electric time." --Ink19.com "A forthright testament to a kaleidoscopic community. This is a rounded collection, with surprises on every page...It's collection that rocks." --Shelf Awareness for Readers The Washington, DC punk music scene of the 1980s gave birth to influential bands like Bad Brains, Minor Threat, and Fugazi. Here that era is portrayed in its purest form: an oral history by the creators themselves, including nearly two hundred photographs capturing the power and spirit of this politically progressive corner of American underground music. This stunning and intimate collection features rare images from Jim Saah, Cynthia Connolly, Bert Queiroz, and many others who documented this vibrant community. Compiled by Scott Crawford—whose critically acclaimed film Salad Days provided an unprecedented exploration into the 1980s DC punk scene—Spoke delves deeper into one of the most dynamic movements in US music history. Featuring: BAD BRAINS, THE TEEN IDLES, BLACK MARKET BABY, SOA, MINOR THREAT, GOVERNMENT ISSUE, VOID, IRON CROSS, THE FAITH, SCREAM, MARGINAL MAN, GRAY MATTER, BEEFEATER, KING FACE, RITES OF SPRING, DAG NASTY, EMBRACE, SOULSIDE, FIRE PARTY, SHUDDER TO THINK, IGNITION, FUGAZI, SWIZ, THE NATION OF ULYSSES, and JAWBOX.

A 2018 Pura Belpré Author Honor Book The First Rule of Punk is a wry and heartfelt exploration of friendship, finding your place, and learning to rock out like no one's watching. There are no shortcuts to surviving your first day at a new school—you can't fix it with duct tape like you would your Chuck Taylors. On Day One, twelve-year-old Malú (María Luisa, if you want to annoy her) inadvertently upsets Posada Middle School's queen bee, violates the school's dress code with her punk rock look, and disappoints her college-professor mom in the process. Her dad, who now lives a thousand miles away, says things will get better as long as she remembers the first rule of punk: be yourself. The real Malú loves rock music, skateboarding, zines, and Soyriso (hold the cilantro, please). And when she assembles a group of like-minded misfits at school and starts a band, Malú finally begins to feel at home. She'll do anything to preserve this, which includes standing up to an anti-punk school administration to fight for her right to express herself! Black and white illustrations and collage art throughout make The First Rule of Punk a perfect pick for fans of books like Roller Girl and online magazines like Rookie.

Raw, brazen and totally intense, Fucked Up + Photocopied is a collection of frenetic flyers produced for the American punk scene between 1977 and 1985. Many were created by the musicians themselves, and demonstrate the punk scene's emphasis on individuality and the manic urge of its members to destroy and create things anew. One glance is all that's needed to sense the fury of live performances by bands such as Black Flag, the Dead Kennedys and The Minutemen.

"Ranks up there with the great rock & roll books of all time."—Time Out New York "Lurid, insolent, disorderly, funny, sometimes gross, sometimes mean and occasionally touching . . . Resounds with authenticity."—The New York Times "No volume serves juicier dish on punk's New York birth . . . Tales of sex, drugs and music that will make you wish you'd been there."—Rolling Stone A contemporary classic, Please Kill Me is the definitive oral history of the most nihilistic of all pop movements. Iggy Pop, Richard Hell, the Ramones, and scores of other punk figures lend their voices to this decisive account of that explosive era. This 20th anniversary edition features new photos and an afterword by the authors. "Utterly and shamelessly sensational."—Newsday

The Ramones' music has influenced nearly every power pop, punk, alternative, and metal band. Monte A. Melnick served as The Ramones tour manager from their early New York club days in the '70s to their farewell gigs in 1996. He was the fifth Ramone and was there through the arrests, the ODs the fights, the break-ups, the make-ups, the girlfriends, the hotels and the binges. Filled with memorabilia including photographs and interviews collected along the way, this is his view of life on the road with the band as "babysitter to psychiatrist, booking agent to travel agent, paymaster to van driver."

One of The Globe and Mail's Best Books of 2015 "A punk primer for the youngest set....Yi's incredibly detailed clay figures are a kinetic and inspired art choice. Their crazy creativity matches the expressive spirit of punk....As [Morse] points out, the best way to learn about punk it just to listen....If invested adults love the topic, a shared reading experience can't be beat." --Kirkus Reviews "Clay artist Yi molds...fantastically detailed Plasticine figures to create scenes of the birth of punk. Using a benign craft-project material for the skinny bodies and ragged clothing of Joey Ramone, Sid Vicious, and their rowdy, fist-waving audiences is very much in the spirit of punk (Plasticine is especially good for mohawks), and readers will spend long stretches inspecting her painstakingly modeled guitars, amplifiers, and safety pins." --Publishers Weekly "Why It's Wild: A history of punk music for kids illustrated in Gumby-esque claymation (minus the -mation)." --School Library Journal, 100 Scope Notes's "Wildest Children's Books of 2015" "What is Punk? is fun, sophisticated and beautifully illustrated introduction to the music genre for kids--or adults." --New York Daily News "Reading What is Punk? to [my kids] made me feel as if I was passing on something truly significant. Morse and Yi have created a comprehensive and articulate...documentary about the roots of punk rock." --The Globe and Mail "An essential way to pass down to your son or daughter the lesson that pop culture can be political." --The Globe and Mail, 100 Best Books of 2015 "A cool book of punk history for kids by Eric Morse, with great clay illustrations by Anny Yi." --Slate, Mom and Dad Are Fighting podcast "Eric Morse's book What Is Punk? explains the envelope-pushing genre to the younger set, and perhaps some adults, as well." --St. Louis Public Radio "Think Wallace and Grommet with liberty spikes and anarchy patches...While [Anny Yi's] images of Johnny Rotten and Henry Rollins are cute, they're presented as live action dioramas that are adorable, accurate and engaging." --San Diego City Beat "While What Is Punk? is undeniably a children's book, it can serve as a history lesson for potential fans of any age....What Is Punk? exposes the reader to the rebellious sub-culture in a friendly, educative manner." --Alternative Press "A fun little book intended to serve as (rhyming) curriculum for little punks learning their Punk History 101....Sid, Glenn, and Milo meet Wallace and Gromit." --Razorcake "Pairing Yi's Wallace & Gromit-style clay pictorials with Morse's rhyming ride through the history of punk music across the globe, the children's book is ready to raise the next generation of riot grrrls....You're going to want to give What Is Punk? as a gift at every baby shower

this year. Just don't be surprised if your niece ends up bleaching her hair blonde and tearing up her leather jacket at age 6." --Bustle "Written by Trampoline House founder Eric Morse in classically Suessical iambic, the book is lusciously illustrated with photographs of Play-Doh recreations of all mommy's and daddy's favorite punk heroes: the Ramones, Iggy and the Stooges--and Debbie Harry, David Byrne, David Johansen, Tom Verlaine, and Lou Reed all standing in front of CBGBs." --Bedford & Bowery What Is Punk? is a must-read pop-culture primer for children--an introduction to the punk revolution, recreated in vivid 3-D clay illustrations an

Illustrated narrative of the evolution, realization, and legacy of the punk aesthetic - from the marginal cultural catalysts behind the movement through the musicians and artists who flourished in its prime to the traces still visible in popular culture today

"A powerful story of punk-rock inspiration and a great rock bio" (Rolling Stone), now in paperback. When the Ramones recorded their debut album in 1976, it heralded the true birth of punk rock. Unforgettable front man Joey Ramone gave voice to the disaffected youth of the seventies and eighties, and the band influenced the counterculture for decades to come. With honesty, humor, and grace, Joey's brother, Mickey Leigh, shares a fascinating, intimate look at the turbulent life of one of America's greatest—and unlikeliest—music icons. While the music lives on for new generations to discover, I Slept with Joey Ramone is the enduring portrait of a man who struggled to find his voice and of the brother who loved him.

An alphabetically arranged resource covers the rebellious musical genre and the cultural movement it inspired.

A real teen's diary so raw and edgy it will not be forgotten. They say that high school is supposed to be the best time of your life. But what if that's just not true? More than anything, Mary Rose wants to fit in. To be loved. And she'll do whatever it takes to make that happen. Even if it costs her her life. Told through the raw and unflinching diary entries of a real teen, Mary Rose struggles with addiction, bullying, and a deadly secret. Her compelling story will inspire you—and remind you that you're not alone. "Mary Rose's diary is a heart-wrenching tale of a young girl trying to figure everything out."—VOYA "The writing style has a beautiful lyricism... Readers will appreciate this unflinchingly honest work."—School Library Journal

Adele's memoir, Peter and the Wolves, recounts her friendship with the late great Peter Laughner, Cleveland's answer to all things underground and punk in the 1970s. Adele and Peter's collaborations appear in Smog Veil's groundbreaking 2019 box set, also available from Amped. The book is Bertei's intimate recounting of the musical education she received from Laughner; of their complex artistic kinship, and the vivid trajectory of the 'live fast die young' ethos that extinguished the light of a radiant rock and roll heart.

This lavishly illustrated book celebrates a wide range of punk design in posters, flyers, album cover art, fanzines and fashion ephemera from T-shirts to badges. It is almost impossible to believe that the posters, flyers and other punk ephemera were once used and discarded. But despite such humble origins, this groundbreaking artwork continues to have an impact on music, fashion and media today. All the classic bands, like the Ramones, the Sex Pistols, the Damned and the Clash are covered as are numerous rare and wonderful items from around the world. Includes 225 illustrations from anonymous and uncredited artworks to pieces by UK artists including Jamie Reid, Malcolm Garrett, Linder Sterling, Peter Saville, Barney Bubbles and US artists including Lindsey Kuhn, Raymond Pettibon, Winston Smith, John Seabury, Art Chantry, Paul Imagine and many more.

The Ramones helped kick-start the punk movement and change rock history. Now, on the 40th anniversary of their critically acclaimed debut album, comes the first full-color book on the legendary band. Written by veteran music journalist Martin Popoff, "Ramones at 40" explodes with visuals and offers insightful writing, stand-alone features, and a full discography. With a foreword by Ramones bandmember C. J. Ramone, it is a must-have for every Ramones fan."

An up-close and personal account of the L.A. punk scene, told by those who were there, with 50 rare photos

Ripped and Torn was one of the first punk fanzines, and continued long after others like Sniffing Glue had stopped. Ripped and Torn began in Glasgow in November 1976 and carried on into the next wave of punk. It ran for eighteen issues, all of which are faithfully reproduced in this book. By punks and for punks, Ripped and Torn is a fascinating document of the punk subculture and a sacred text of DIY culture.

There are many books about rock music but very few that sum up a whole era, or an entire genre. So when such books do come along, they can really hit home. Our Band Could Be Your Life accomplished this for 80s punk, for example, with sales now over 60,000--and it still sells strongly more than a decade after it was published. Now Is the Time to Invent has the potential to do the same for the indie rock scene that developed in the mid-80s and reached its apex in the 1990s. Drawn from the pages of influential music magazine Puncture, its 60 profiles and interviews trace the creative upsurge of alternative rock during those years. Lavishly illustrated with many rare photographs, Now Is the Time to Invent offers a scintillating account of a vibrant and hugely significant period in music. It's hard to define a single starting point for indie rock, but here it's found in the brilliant psychodramas Kristin Hersch conjured up for Throwing Muses and the deadpan, genre-busting proto-slacker anthems of Camper Van Beethoven, and followed through to the critical triumphs of Sleater-Kinney and Neutral Milk Hotel more than a decade later. Along the way, it takes in such pioneering artists as Sonic Youth, the Pixies, Meat Puppets, Hole, My Bloody Valentine, Nick Cave, Sebadoh, the Breeders, Jeff Buckley, Fugazi, P.J. Harvey, Guided by Voices, Beck, Cat Power, Pavement, Belle & Sebastian, Will Oldham, Rufus Wainwright, Flaming Lips, the Magnetic Fields, and many more.

Punk--the thriving movement in the '70s that rebelled against boring, sterile culture--was captured by one revolutionary 'zine. This book examines the finest moments from the pages of "Punk". Photos & illustrations.

"Collects some of [Punk Planet's] best interviews from the past half-decade . . . serves as a reminder that punk is not just music but a movement." —The A.V. Club Updated with six more interviews and a new introduction, the expanded edition of We Owe You Nothing is the definitive book of conversations with the underground's greatest minds from the pages of Punk Planet. New interviews include talks with bands like The Gossip and Maritime, a conversation with punk legend Bob Mould, and more . . . in addition to the classic interviews from the original edition: Ian MacKaye, Jello Biafra, Thurston Moore, Noam Chomsky, Kathleen Hanna, Black Flag, Sleater-Kinney, Steve Albini, Frank Kozik, Art Chantry, and others. "We Owe You Nothing made me feel vital and alive." —Seattle Weekly "The magazine Punk Planet has quietly been one of the most intelligent voices in the kingdom of punk and post-punk . . . [and] anyone with the vaguest interest in music would be well-served to learn from these captured moments [in We Owe You Nothing]." —Detroit Metro Times "No book has illustrated this relationship between punk and its believers more than We Owe You Nothing." —Daily Herald "Straight talk with no bullshit, no spin. The result is an airblast of honesty, an antidote of attitude. Music fans will love this book, and so will fans of independent thinking." —Flagpole "A wholly unique vision wrought not by consensus but by cultural cynicism and never-say-die musical populism." —Magnet

The definitive chronicle of underground music in the 1980s tells the stories of Black Flag, Sonic Youth, The Replacements, and other seminal bands whose DIY revolution changed American music forever. Our Band Could Be Your Life is the never-before-told story of the musical revolution that happened right under the nose of the Reagan Eighties -- when a small but sprawling network of bands, labels, fanzines, radio stations, and other subversives re-energized American rock with punk's do-it-yourself credo and created music that was deeply personal, often brilliant, always challenging, and immensely influential. This sweeping chronicle of music, politics, drugs, fear, loathing, and faith is an indie rock classic in its own right. The bands profiled include: Sonic Youth Black Flag The Replacements Minutemen Husker Du Minor Threat Mission of Burma Butthole Surfers Big Black Fugazi Mudhoney Beat Happening Dinosaur Jr.

NEW YORK TIMES BESTSELLER "I come from a family forged by tragedies and bound by a remarkable, unbreakable love," Hunter Biden writes in this deeply moving memoir of addiction, loss, and survival. When he was two years old, Hunter Biden was badly injured in a car accident that killed his mother and baby sister. In 2015, he suffered the devastating loss of his beloved big brother, Beau, who died of brain cancer at the age of forty-six. These hardships were compounded by the collapse of his marriage and a years-long battle with drug and alcohol addiction. In *Beautiful Things*, Hunter recounts his descent into substance abuse and his tortuous path to sobriety. The story ends with where Hunter is today—a sober married man with a new baby, finally able to appreciate the beautiful things in life.

A new collection of unseen photographs of New York City's 1970s punk heyday, by one of the icons of the city's golden age of new wave, Blondie's Chris Stein. A new collection of unseen photographs of New York City's 1970s punk heyday, by one of the icons of the city's golden age of music, Blondie's Chris Stein. For the duration of the 1970s - from his days as a student at the School of Visual Arts through the foundation of the era-defining band Blondie and his subsequent reign as epicenter of punk's golden age - Chris Stein kept an unrivaled photographic record of the downtown New York City scene. Following in the footsteps of the successful book *Negative*, this spectacular new book presents a more personal and more visceral collection of Stein's photographs of the era. The images presented here take readers from self-portraits in his run-down East-Village apartment to candid photographs of pop-cultural icons of the time and evocative shots of New York City streetscapes in all their most longed-for romance and dereliction. An eclectic cast of cultural characters - from William Burroughs to Debbie Harry, Andy Warhol to Iggy Pop - appear here exactly as they were in the day, juxtaposed with children playing hopscotch on torn-down blocks, riding the graffiti-ridden subway, or cruising the burgeoning clubs of the Bowery. At once a chronicle of one music icon's life among his punk and New-Wave heroes and peers, and a love letter to the city that was the backdrop and inspiration for those scenes, *Point of View* transports us to another place and time.

A high-energy assemblage of insider accounts is based on the author's travels throughout the world in pursuit of the stories behind some of the magazine industry's more bizarre or disreputable territories and practices. Reprint.

Vibrant and volatile, the punk scene left an extraordinary legacy of music and cultural change, and this work talks to those who cultivated the movement, weaving together their accounts to create a raw and unprecedented oral history of punk in the United Kingdom. From the Clash, Crass, Henry Rollins, and John Lydon to the Sex Pistols, the Stranglers, and the Buzzcocks, this reference features more than 150 interviews that encapsulate the most thrilling wave of rock and roll pop culture ever seen. Ranging from its widely debated roots in the late 1960s to its enduring influence on modern bands, fashion, and culture, this history brings to life the energy and anarchy as no other book has done.

While many volumes devoted to the punk and hardcore scenes in America grace bookstore shelves, Canada's contributions to the genre remain largely unacknowledged. For the first time, the birth of Canadian punk is captured between the pages of this important resource. Delving deeper than standard band biographies, this book articulates how the advent of punk reshaped the culture of cities across Canada, speeding along the creation of alternative means of cultural production, consumption, and distribution. Describing the origins of bands such as D.O.A., the Subhumans, the Viletones, and Teenage Head alongside lesser-known regional acts from all over Canada, it is the first published account of the first wave of punk in places like Regina, Ottawa, Halifax, and Victoria. Proudly staking Canada's claim as the starting point for many internationally famous bands, this book unearths a forgotten musical and cultural history of drunks and miscreants, future country stars, and political strategists."

A feminist musician icon, Viv Albertine reveals the rocking, uncompromising story of her life on the front lines at the birth of the British punk movement and beyond in this exciting, humorous, and inspiring memoir. Selected by the New York Times as one of the 50 Best Memoirs of the Past 50 Years Viv Albertine is a pioneer. As lead guitarist and songwriter for the seminal band The Slits, she influenced a future generation of artists including Kurt Cobain and Carrie Brownstein. She formed a band with Sid Vicious and was there the night he met Nancy Spungen. She tempted Johnny Thunders...toured America with the Clash...dated Mick Jones...and inspired the classic Clash anthem "Train in Vain." But Albertine was no mere muse. In *Clothes, Clothes, Clothes. Music, Music, Music. Boys, Boys, Boys.*, Albertine delivers a unique and unfiltered look at a traditionally male-dominated scene. Her story is so much more than a music memoir. Albertine's narrative is nothing less than a fierce correspondence from a life on the fringes of culture. The author recalls rebelling from conformity and patriarchal society ever since her days as an adolescent girl in the same London suburb of Muswell Hill where the Kinks formed. With brash honesty—and an unforgiving memory—Albertine writes of immersing herself into punk culture among the likes of the Sex Pistols and the Buzzcocks. Of her devastation when the Slits broke up and her reinvention as a director and screenwriter. Of her abortion, marriage, motherhood, and surviving cancer. Navigating infidelity and negotiating divorce. And launching her comeback as a solo artist with her debut album, *The Vermilion Border*. *Clothes, Clothes, Clothes. Music, Music, Music. Boys, Boys, Boys.* is a raw chronicle of music, fashion, love, sex, feminism, and more that connects the early days of punk to the Riot Grrl movement and beyond. But even more profoundly, Viv Albertine's remarkable memoir is the story of an empowered woman staying true to herself and making it on her own in the modern world.

Launched in 1976, Punk magazine announced an exploding youth movement, a new direction in American counterculture. Punk was to magazines what the stage at CBGB was to music: the gritty, live-wired, throbbing center of the punk universe. Despite its low-rent origins, the mag was an overnight success in the underground music scene, selling out every print run across the US and UK. Every musician who appeared on the cover of Punk became an icon of the era. But Punk not only championed music, it became a launching pad for writers, artists, cartoonists, and graphic designers. And the wacky, sardonic, slapstick vibe of the magazine resonated with an international army of music

fanatics who were ready to burn their bell bottoms and stage-dive into the punk universe. The Best of Punk Magazine collects the best of these pages into the ultimate, must-have anthology: Interviews with the Ramones, Sex Pistols, John Cale and Brian Eno Photos by Roberta Bayley David Godlis, and Bob Gruen Cartoons by R. Crumb, Bobby London, and John Holmstrom The articles that formed the groundwork for Please Kill Me, the legendary oral history of punk by Legs McNeil and Gillian McCain Two "graphic novels"—The Legend of Nick Detroit and Mutant Monster Beach Party—told through photographs featuring Debbie Harry, Joey Ramone, Richard Hell, Andy Warhol, Peter Wolf, and David Johansen The Best of Punk Magazine is a must-have for people who love punk rock music, comics, fanzines, Blondie, the Ramones, Lou Reed, the Velvet Underground, the Sex Pistols, and the legendary CBGB scene.

A raucous and revealing oral history of the birth of the adult film industry, The Other Hollywood peels back the candy coating to let the true story be told -- by the stars, movie makers, and other industry players who lived it. And what a story it is: Through hundreds of original interviews, contemporary newspaper accounts, police reports, court testimony, and more, Legs McNeil and coauthors Jennifer Osborne and Peter Pavia trace today's billion-dollar industry from its makeshift, mob-connected origins to the Internet age. Along the way we encounter porn stars such as Linda Lovelace, John Holmes, Traci Lords, and Savannah -- along with countless mainstream stars, politicians, FBI agents, and more. Epic, hilarious, and moving, The Other Hollywood contributes to the porn industry the one thing missing in all previous accounts: a vivid, tragicomic, irresistible humanity.

Punk rock culture in a preeminently average town Synonymous with American mediocrity, Peoria was fertile ground for the boredom- and anger-fueled fury of punk rock. Jonathan Wright and Dawson Barrett explore the do-it-yourself scene built by Peoria punks, performers, and scenesters in the 1980s and 1990s. From fanzines to indie record shops to renting the VFW hall for an all-ages show, Peoria's punk culture reflected the movement elsewhere, but the city's conservatism and industrial decline offered a richer-than-usual target environment for rebellion. Eyewitness accounts take readers into hangouts and long-lost venues, while interviews with the people who were there trace the ever-changing scene and varied fortunes of local legends like Caustic Defiance, Dollface, and Planes Mistaken for Stars. What emerges is a sympathetic portrait of a youth culture in search of entertainment but just as hungry for community—the shared sense of otherness that, even for one night only, could unite outsiders and discontents under the banner of music. A raucous look at a small-city underground, Punks in Peoria takes readers off the beaten track to reveal the punk rock life as lived in Anytown, U.S.A.

Iconic and never-before-seen images of punk and post-punk's quintessential bands In the late 70s, punk rock music began to evolve into the post-punk and new wave movements that dominated until the early 90s. During this time, prolific photographer and filmmaker Michael Grecco was in the thick of things, documenting the club scene in places like Boston and New York, and getting shots on- and backstage with bands such as The Cramps, Dead Kennedys, Talking Heads, Human Sexual Response, Elvis Costello, Joan Jett, the Ramones, and many others. Grecco captured in black and white and color the raw energy, sweat, and antics that characterized the alternative music of the time. Punk, Post Punk, New Wave: Onstage, Backstage, In Your Face, 1978–1991 features stunning, never-before-seen photography from this iconic period in music. In addition to concert photography, he also shot album covers and promotional pieces that round out this impressively extensive photo collection. Featuring a foreword from Fred Schneider of the B-52's, Punk, Post Punk, New Wave is a quintessential piece of music history for anyone looking for backstage access into the careers of punk and post punk's most beloved bands.

"From celebrated music writer Dan Ozzi comes a comprehensive chronicle of the punk music scene's evolution from the early nineties to the mid-aughts, following eleven bands as they dissolved, "sold out," and rose to surprise stardom. From its inception, punk music has been identified by two factors: its proximity to "authenticity," and its reliance on an antiestablishment ethos. Yet, in the mid- to late '90s, major record labels sought to capitalize on punk's rebellious undertones, leading to a schism in the scene: to accept the cash flow of the majors, or stick to indie cred? Sellout chronicles the evolution of the punk scene during this era, focusing on prominent bands as they experienced the last "gold rush" of the music industry. Within it, music writer Dan Ozzi follows the rise of successful bands like Green Day and Jimmy Eat World, as well as the implosion of groups like Jawbreaker and At the Drive-In, who buckled under the pressure of their striving labels. Featuring original interviews and personal stories from members of eleven of modern punk's most (in)famous bands, Sellout is the history of the evolution of the music industry, and a punk rock lover's guide to the chaotic darlings of the post-grunge era. "--

The complete series 1979–1983, twenty-two issues of hardcore punk history in one loud, fast volume. Introductory essays by Tesco Vee, Dave Stimson, Steve Miller, Henry Rollins, Keith Morris, Peter Davis, Henry Owings, Byron Coley, Corey Rusk, John Brannon, and Ian MacKaye.

The author's original Book of Lists is a worldwide phenomenon that has sold over 8 million copies. The Punk Book of Lists will feature approx 200 lists - culled from the historical archives and many generated by noteworthy musicians, lists have been put together by film directors, writers, actors, you name it. Punk Rock is cool and the impact has hit every hip person on the planet! Over 50 wicked caricatures of punk rock stars, by noted underground artist Cliff Mott, are peppered generously throughout the book. You don't have to be punk to love the coolest rock 'n' roll toilet-reading, time-wasting masterpiece ever! Absolutely a jewel in the canon of great music books!

Canada's beloved comic genius tells his own story for the first time. What is Rick Mercer going to do now? That was the question on everyone's lips when the beloved comedian retired his hugely successful TV show after 15 seasons—and at the peak of its popularity. The answer came not long after, when he roared back in a new role as stand-up-comedian, playing to sold-out houses wherever he appeared. And then Covid-19 struck. And his legions of fans began asking again: What is Rick Mercer going to do now? Well, for one thing, he's been writing a comic masterpiece. For the first time, this most private of public figures has turned the spotlight on himself, in a memoir that's as revealing as it is hilarious. In riveting anecdotal style, Rick charts his rise from highly unpromising schoolboy ("Rick still owes 15 dollars to the chocolate bar fundraiser" was one of the less brutal items on a typical report) to heights of TV fame, by way of an amazing break as a teenager when his one-man show, "Show Me the Button, I'll Push It. Or, Charles Lynch Must Die," became an overnight sensation—thanks in part to a bizarre ambush by its target, Charles Lynch himself. That's one story you won't soon forget, and this book is full of them. There's the tale of how little Rick stole a tree from the neighbours that's set to become a new Christmas classic. There's Rick the aspiring actor—hitting the road as a new young punk in a vanload of hippies and appearing on stage in Shakespeare—and a wealth of behind-scenes revelations about This Hour Has 22 Minutes, Made in Canada, Talking to Americans and the coming of the mega-hit Rick Mercer Report. It's a life so packed with incident and laughter we can only hope that a future answer to "What is Rick Mercer going to do now?" is: "Write volume two."

On the thirtieth anniversary of the rise to popularity of punk rock, a collection of articles, interviews, and photography looks at the history of punk and the artists, music, and culture it spawned.

This is the definitive volume showcasing punk rock graphic design.

From the Clash to Los Crudos, skinheads to afro-punks, the punk rock movement has been obsessed by race. And yet the connections have never been traced in a comprehensive way. White Riot is the definitive study of the subject, collecting first-person writing, lyrics, letters to zines, and analyses of punk history from across the globe. This book brings together writing from leading critics such as Greil Marcus and Dick Hebdige, personal reflections from punk pioneers such as Jimmy Pursey, Darryl Jenifer and Mimi Nguyen, and reports on punk scenes

from Toronto to Jakarta.

Daft Punk's *Discovery* is a homage to a fascinating, troubled beast of an album that casts a huge shadow over the 21st Century. It's a global view of *Discovery* as a cultural phenomenon, placing the album at the centre of celebrity culture, fan clubs, video, the music business etc., while also examining its profound musical impact. You can draw lines from *Discovery* to Glass Swords, Kanye West, EDM, Autotune, iTunes, Beyoncé, Guilty Pleasures, social media and more. *Discovery*'s footprints can be found all over the modern world but it also looked back to Daft Punk's childhood, to Van Halen records, Japanese cartoons and even Johann Sebastian Bach. *Discovery* was a record that confounded many fans when it was released in 2001, thanks to its blatant pop hooks and unlikely sonic bricolage. It was a record that was - and still is - widely misunderstood; *Discovery*'s impact has only become clear with the passing of time, as Daft Punk have been proved right time and time again.

Traces the history of the influential New York Nightclub and describes some of the many punk and new wave groups that appeared there

The legendary punk and new wave alternative weekly magazine "Slash" was founded in Los Angeles in 1977 by Steve Samiof, and published a total of 29 print issues before its demise in 1980 (though it did have a second life as the punk label Slash Records, which was eventually bought by Warner Bros. Records in 1999). In its brief run, "Slash" defined the punk subculture in Los Angeles and beyond with the comic strip Jimbo by Gary Panter and photographs by Melanie Nissen, the founding publisher and longtime photo editor. Writing by Jeffrey Lee Pierce, Chris D., Pleasant Gehman and Claude "Kickboy Face" Bessy explored reggae, blues and rockabilly in addition to punk and new wave. "Slash" diagnosed the nascent punk scene's challenge to the music industry and established its own oppositional voice in the editorial of its very first issue, staking a position against disco, Elvis and concept albums, and declaring: "Enough is enough, partner! About time we squeezed the pus out and sent the filthy rich old farts of rock'n'roll to retirement homes in Florida where they belong." "Slash: A History of the Legendary LA Punk Magazine 1977-1980" pays homage to the magazine's legacy with facsimile reproductions of every cover from the publication's run and reprints of some of the magazine's best articles and interviews. These are interspersed with new essays, reportage and oral histories from John Doe, Exene Cervenka, KK Barrett, Pat Smear, Thom Andersen, Gary Panter, Vivien Goldman, Richard Meltzer, Cali DeWitt, Nancy Sekizawa, Bryan Ray Turcotte, Claude Bessy, Ann Summa and Allan MacDowell, among others, telling the story of this critical chapter in the history of American media.

The Best of Punk Magazine It Books

CBGBUs influence and legacy is honored with 200 photos of some of the most celebrated artists in music history. It includes an Introduction by Hilly Kristal, an Afterword by David Byrne, and additional commentary by numerous performers and patrons.
