

The Book Of Revelation A Commentary On Greek Text Nigtc Gk Beale

The Book of Revelation is God's message to all who are concerned about the future. And no guide makes Revelation more understandable than this one. You'll grasp the meaning of each verse, you'll understand every important symbol, and you'll get the big picture of all that God has promised for those who believe in Him.

The Book of Revelation is a work of profound theology. But its literary form makes it impenetrable to many modern readers and open to all kinds of misinterpretations. Richard Bauckham explains how the book's imagery conveyed meaning in its original context and how the book's theology is inseparable from its literary structure and composition. Revelation is seen to offer not an esoteric and encoded forecast of historical events but rather a theocentric vision of the coming of God's universal kingdom, contextualised in the late first-century world dominated by Roman power and ideology. It calls on Christians to confront the political idolatries of the time and to participate in God's purpose of gathering all the nations into his kingdom. Once Revelation is properly grounded in its original context it is seen to transcend that context and speak to the contemporary church. This study concludes by highlighting Revelation's continuing relevance for today.

This monumental new study of the book of Revelation, part of The New International Greek Testament Commentary, will be especially helpful to scholars, pastors, students, and others who wish to interpret the Apocalypse for the benefit of the church.

The Book of Revelation is a disorienting work, full of beasts, heavenly journeys, holy war, the End of the Age, and the New Jerusalem. It is difficult to follow the thread that ties the visions together and to makes sense of the work's message. In Manuscripts of the Book of Revelation, Garrick Allen argues that one way to understand the strange history of Revelation and its challenging texts is to go back to its manuscripts. The texts of the Greek manuscripts of Revelation are the foundation for the words that we encounter when we read Revelation in a modern Bible. But the manuscripts also tell us what other ancient, medieval, and early modern people thought about the work they copied and read. The paratexts of Revelation—the many features of the manuscripts that help readers to interpret the text—are one important point of evidence. Incorporating such diverse features like the traditional apparatus that accompanies ancient commentaries to the random marginal notes that identify the true identity of the beast, paratexts are founts of information on how other mostly anonymous people interpreted Revelation's problem texts. Allen argues that manuscripts are not just important for textual critics or antiquarians, but that they are important for scholars and serious students because they are the essential substance of what the New Testament is. This book illustrates ways that the manuscripts illuminate surprising answers to important critical questions. We can learn to 'read' the manuscripts even if we don't know the language. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

That the Apocalypse of John is a "Revelation of Jesus Christ" (Rev 1:1) is a fact too often overlooked by interpreters of this last book of the Bible. As Msgr. A. Robert Nusca's *The Christ of the Apocalypse: Contemplating the Faces of Jesus in the Book of Revelation* proposes, beyond predictions of earthquakes and falling stars, St. John articulates from start to finish a multifaceted and compelling portrait of Jesus Christ. Nusca offers an exegetical reading of selected verses of the Book of Revelation, incorporating rich spiritual and pastoral reflections. The Christ of the Apocalypse above all affirms that St. John's God- and Christ-centered, symbolic universe offers our contemporary world a spiritual place to stand amid the shifting sands of postmodernity. As Cardinal Thomas Collins, Archbishop of Toronto, writes in his Foreword, "Now, as in the first century, Christians face martyrdom, and those who are not called to die for Christ are called to live for Christ in a world which in many ways rejects the Gospel. More than ever, we need the apocalyptic vision, to have our own vision of reality clarified, and to be strengthened in our evangelical witness."

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

Revelation is often considered one of the most confusing books of the Bible, and consequently it's regularly overlooked or ignored. But no longer. In Between the Cross and the Throne, Matthew Emerson walks us through the book of Revelation, unpacking its complex imagery and pointing out major themes. In conversational tone, he reminds us that Christ died, but he has risen. The Lord reigns, but evil persists. We live between Christ's ascension and his final conquest—and that should give us hope.

A profound exploration of the Bible's most controversial book—from the author of Beyond Belief and The Gnostic Gospels The strangest book of the New Testament, filled with visions of the Rapture, the whore of Babylon, and apocalyptic writing of the end of times, the Book of Revelation has fascinated readers for more than two thousand years, but where did it come from? And what are the meanings of its surreal images of dragons, monsters, angels, and cosmic war? Elaine Pagels, New York Times bestselling author and "the preeminent voice of biblical scholarship to the American public" (The Philadelphia Inquirer), elucidates the true history of this controversial book, uncovering its origins and the roots of dissent, violence, and division in the world's religions. Brilliantly weaving scholarship with a deep understanding of the human needs to which religion speaks, Pagels has written what may be the masterwork of her unique career.

THE INCREDIBLE DISCOVERY THAT THE BOOK OF REVELATION HAS BEEN A MONSTROUS DECEPTION WHICH HAS FOOLED CHRISTIANS FOR ALMOST 2000 YEARS The Apocalypse, also known as the Book of Revelation is the last book of the New Testament. It begins with these words: "The Revelation of Jesus Christ, which God gave unto him, to show unto his servants things which must shortly come to pass; and he sent and signified it by his angel unto his servant John: Who bare record of the word of God, and of the testimony of Jesus Christ, and of all things that he saw." (Revelation. 1:1) Those words are not those of Jesus Christ, contrary to the claims of its author. Transmitted through an unnamed angel, they are part of a monstrous deception that has plagued Christianity ever since they were first penned. Furthermore, contrary to popular belief, the Apocalypse was not written by John the Apostle, the son of Zebedee nor is it. Who then wrote the Apocalypse? He is the same person that John the Elder confronted in the Roman Baths of Ephesus and called "the enemy of the Truth." If as I will show, that the Book of Revelation was written by this person, then clearly, he is an enemy of the Truth, the Apocalypse cannot be included the Christian Canon of the New Testament This book expands upon the scholarly work, "The Apocalypse" written by R.H. Charles in 1920, the famous scholar widely recognised as the greatest authority of his time in matters of Jewish eschatology and apocrypha. Now take heed of a prophecy that Jesus made about a future time after his crucifixion. "Watch out that you are not deceived. For many will come in my name, claiming, 'I am he,' and, 'The time is near.' Do not follow them." (Luke 21:8) Do not follow anyone who says "the time is near" Jesus says. Do not be deceived he says. Yet this is exactly what the writer of the Apocalypse says. "Do not seal up the words of the prophecy of this scroll, because the time is near." (Revelation 22:10) As a Christian, as long as you adhere to the words of Jesus and the Apostles recorded in the Gospels and the other writings of the New Testament, then the council of John the Elder, the disciple that Jesus loved and the author of the Fourth Gospel, will serve you well. "So He said to the Jews who had believed Him, 'If you continue in My word, you are truly My disciples. Then you will know the truth, and the truth will set you free.'" (John 8:32) May this book set you free, but this it will

not do unless you are willing look past your prejudices, seek the truth and read it. You will not regret it if you do.

The author identifies three distinct systems of interpretation of Revelation. Choosing the Prophetic School as his framework he views most of the events in the book of Revelation to future fulfillment.

A shocking, fascinating novel by the author of *The Insult and Divided Kingdom*.

A professor of religion offers an "engrossing and excellent" look at how the Good Book has changed—and changed the world—through the ages (*Publishers Weekly*, starred review). In a lively journey from early Christianity to the present, this book explores how a box of handwritten scrolls became the Bible, and how the multibillion-dollar business that has brought us Biblezines and Manga Bibles is selling down the Book's sacred capital. Showing us how a single official text was created from the proliferation of different scripts, Timothy Beal traces its path as it became embraced as the word of God and the Book of books. Christianity thrived for centuries without any Bible—there was no official canon of scriptures, much less a book big enough to hold them all. Congregations used various collections of scrolls and codices. As the author reveals, there is no "original" Bible, no single source text behind the thousands of different editions on the market today. The farther we go back in the holy text's history, the more versions we find. In calling for a fresh understanding of the ways scriptures were used in the past, the author of *Biblical Literacy* offers the chance to rediscover a Bible, and a faith, that is truer to its own history—not a book of answers, but a library of questions.

"Past study of Rom 1:16-3:26 focuses on individual salvation or on social relations and also produces a host of interpretative quandaries. Marcus A. Mininger develops a new approach, which includes but goes beyond these foci, by unearthing the theme of revelation that runs throughout Paul's argument largely unnoticed. More than a proof of sin or of social equality, Paul provides a survey of numerous visible revelations, in which otherwise invisible realities like God's wrath, the power of sin, and God's righteousness are seen through the observable effects they produce in different people. Read this way, the rationale of Paul's argument becomes quite clear, including for "problem texts" like Rom 2 and 3:1-8, as Paul proves that the gospel, not the law, overcomes sin's power and that God's righteousness always exists in contrast to the human condition in this age." -- Ꞥ From publisher's description.

A fun and fascinating way to learn about the book of Revelation. The Bible's final book, Revelation, can seem intimidating or downright impossible to comprehend, even for serious students of the Scriptures. Filled with complex imagery, vivid depictions of violence, and challenging spiritual references, Revelation is often set aside by readers in favor of more straightforward, easier-to-digest biblical material. Yet the capstone of the canon need not remain a mystery. In this refreshingly accessible book, Bible scholar and best-selling author Tim LaHaye (originator of the Left Behind series) and renowned puzzle master Timothy E. Parker (editor of the USA Today Crossword, and founder of The Universal Crossword, King James Games, and Master Puzzles) demystify Revelation for your benefit. Absorb this book and discover afresh—or for the first time—the richness of Revelation and its God-breathed, life-changing power to deepen your walk of faith. Perhaps no book in the history of the world has been as misunderstood and misappropriated as the Book of Revelation. Those people versed in the methods of scholarly interpretation (exegesis) may understand the symbolism of this work, but what about the general reader? How is he or she to know whether this book is being soundly interpreted or misinterpreted? Father Chapman writes for the general reader, for the many who need to understand the truth of The Message of the Book of Revelation -both its historical message and its message for Christians today. He explains, phrase by phrase, in clear, direct terms what has been learned about the genre of writings called apocalyptic literature - of which Revelation is a part - and how that knowledge can be properly used to interpret the images and symbols of Revelation. Faithful to the teaching of the Church, this explanation of Revelation "reveals" this biblical book to be an inspiring, hope-filled, poetic portrayal of the triumph of Christ and his followers over the powers of evil. The Rev. Charles T. Chapman, Jr., was raised and educated as a Southern Baptist. He joined the Episcopal Church in 1980 and was ordained priest in 1987. He holds degrees from Union University and The Southern Baptist Theological Seminary, with further training at the Episcopal Theological Seminary of the Southwest. With Bible teaching and writing among his principle interests, Fr. Chapman offers this commentary in the hopes that reason and scholarship can shed light on a biblical work where baseless, extravagant imagination has long cast its shadow.
