

The Curse Touch Of Eternity The Curse Series Book 1

My Dearest Reader, When you hear my story, perhaps you will think me a man unable to control his own hungers...his own temptations. But I warn you that I am no such thing. I am simply a man who knows what he wants, and what he can't live without. It is only fair to tell you that my clan is one descended from magic. I have learned these powers are both a blessing and a curse—for the magic that flows through my blood controls my fate utterly and completely. When I first saw the beautiful Loris, I knew she was my unoliaeth, my oneness, the woman I am destined to unite with for all eternity. At that moment, I allowed my passion to lead me to do the unthinkable: I employed a forbidden magic to win Loris's heart. How did I know that my error would lead to a black curse that still haunts me today? How could I have known that the curse would irrevocably cast Loris' affection for me to another man? Now I am left to ponder how I might win Loris back—black curse be damned. I believe there must be a way. For while it is the darkest realms of magic that keeps Loris from becoming mine, there is another power at play: the undying, unending love of one man for one woman. And I pray that in the end, that will be enough... Your obedient servant, Kian Seymour, Castle Tylluan, London

Girl, Serpent, Thorn is “an alluring feminist fairy tale” (Kirkus Reviews) about a girl cursed to be poisonous to the touch and who discovers what power might lie in such a curse. There was and there was not, as all stories begin, a princess cursed to be poisonous to the touch. But for Soraya, who has lived her life hidden away, apart from her family, safe only in her gardens, it’s not just a story. As the day of her twin brother’s wedding approaches, Soraya must decide if she’s willing to step outside of the shadows for the first time. Below in the dungeon is a demon who holds knowledge that she craves, the answer to her freedom. And above is a young man who isn’t afraid of her, whose eyes linger not with fear, but with an understanding of who she is beneath the poison. Soraya thought she knew her place in the world, but when her choices lead to consequences she never imagined, she begins to question who she is and who she is becoming...human or demon. Princess or monster.

But their happiness is tempered by Sam's unsettling feeling that all is not yet right. Overburdened with the guilt she feels for unwittingly causing the curse that destroyed Payton's life for nearly three centuries, Sam is determined to return to the past to fix it. Fearing that the love of his life will want to remain with his past self, Payton follows Sam into history, desperate to bring her back to the present--and to the new life they've made together. As the past and present clash, the two lovers face the most difficult choice of their lives: allow their history to remain as it was, with all its dangers, injustices, and pain, or fight to improve it--and risk the very love that binds them together.

This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel *Freak the Mighty*, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

A mage who fears his magic. A vampire awoken from a century-long slumber. A foe that hides in the shadows. Cassian! I'd been okay living the life of a hermit with just my semlee for company. But when helping my best friend find his mate led

me to the town of Mistvale, I knew my days of being alone were coming to an end. The pull I felt to the town could only be one thing. After more than a century of being alone, I might finally find my semnyar, my mate. But what did I do when I found him buried in the basement of the house I'd just bought? Or when I realized that he was a vampire, the species that was the most susceptible to my fire, to my magic that had already taken everything from me? Gustave When I woke up in a strange room with my mate hovering over me, it took me a moment to remember what had happened, what had been done to me. My sire had forced me into the eternal sleep. I'd slept in 1880 and woken up almost a century and a half later. The bright side was, I had been woken up by my mate and as long as we were together, I knew I'd be able to find my way in this strange new world. But how did I make Cassian see that his fears were unfounded, that he'd never hurt me? How did I make him understand what being fated mates really meant? Sleep of Eternity is a 70k words story that features a grumbly fire mage, a vampire who is strangely sunshiny, a friend who loves tricking them, an owl who fiercely protects those she considers hers and lots of fire-magic and biting. It's the second book in the Mages of Ravenshire series. Each book in this series can be read as a standalone, but it is recommended to read them in order for the most enjoyment since characters will definitely pop into each other's books because they love meddling.

A NEW YORK TIMES BESTSELLER A NEW YORK TIMES NOTABLE BOOK OF THE YEAR "A spectacular novel that only this legend can pull off." -Ibram X. Kendi, #1 New York Times-bestselling author of HOW TO BE AN ANTIRACIST, in The Atlantic "An exquisite tale of family legacy....The power and poetry of Woodson's writing conjures up Toni Morrison." – People "In less than 200 sparsely filled pages, this book manages to encompass issues of class, education, ambition, racial prejudice, sexual desire and orientation, identity, mother-daughter relationships, parenthood and

loss....With *Red at the Bone*, Jacqueline Woodson has indeed risen — even further into the ranks of great literature." — NPR "This poignant tale of choices and their aftermath, history and legacy, will resonate with mothers and daughters." —Tayari Jones, bestselling author of *AN AMERICAN MARRIAGE*, in *O Magazine* An unexpected teenage pregnancy pulls together two families from different social classes and explores their histories — reaching back to the Tulsa race massacre of 1921 -- and exposes the private hopes, disappointments, and longings that can bind or divide us from each other, from the New York Times-bestselling and National Book Award-winning author of *Another Brooklyn* and *Brown Girl Dreaming*. Moving forward and backward in time, Jacqueline Woodson's taut and powerful new novel uncovers the role that history and community have played in the experiences, decisions, and relationships of these families, and in the life of the new child. As the book opens in 2001, it is the evening of sixteen-year-old Melody's coming of age ceremony in her grandparents' Brooklyn brownstone. Watched lovingly by her relatives and friends, making her entrance to the music of Prince, she wears a special custom-made dress. But the event is not without poignancy. Sixteen years earlier, that very dress was measured and sewn for a different wearer: Melody's mother, for her own ceremony-- a celebration that ultimately never took place. Unfurling the history of Melody's family — reaching back to the Tulsa race massacre in 1921 -- to show how they all arrived at this moment, Woodson considers not just their ambitions and successes but also the costs, the tolls they've paid for striving to overcome expectations and escape the pull of history. As it explores sexual desire and identity, ambition, gentrification, education, class and status, and the life-altering facts of parenthood, *Red at the Bone* most strikingly looks at the ways in which young people must so often make long-lasting decisions about their lives--even before they have begun to figure out who they are and what they want to be.

#1 New York Times bestselling author Nora Roberts presents the electrifying conclusion to her powerful *Circle Trilogy*. Worlds have collided and centuries have elapsed as six people have brought their unique powers, their courage, and their hearts to a battle that could drown humanity in darkness... Her face, so pale when she'd removed her cloak, had bloomed when her hand had taken the sword. Her eyes, so heavy, so somber, had gone as brilliant as the blade. And had simply sliced through him, keen as a sword, when they'd met his... In the kingdom of Geall, the scholarly Moira has taken up the sword of her people. Now, as queen, she must prepare her subjects for the greatest battle they will ever fight—against an enemy more vicious than any they have seen. For Lilith, the most powerful vampire in the world, has followed the circle of six through time to Geall. Moira also has a personal score to settle. Vampires killed her mother—and now, she is ready to exact her revenge. But there is one vampire to whom she would trust her soul... Cian was changed by Lilith centuries ago. But now, he stands with the circle. Without hesitation, he will kill others of his kind—and has earned the respect of sorcerer, witch, warrior, and shape-shifter. But he wants more than respect from Moira—even though his

desire for her makes him vulnerable. For how can a man with an eternity to live love a woman whose life is sure to end—if not by Lilith's hand, then by the curse of time? “[Roberts] is one of the best writers in the romance world.”—The Best Reviews

The Abdoloreans hijacked the planet sixteen years ago, destroying all human life. Li's human-sympathizer father took her in as a baby and has trained her to pass as one of them. The Abdoloreans appear human. But they don't think with human minds or feel with human hearts. And they have special abilities no human could ever have. FIT IN OR DIE. When Li meets Ryn, she's swept up in a relationship that could have disastrous consequences. How far will Li go to stay alive? Will she save herself--and in turn, the human race--or will she be the final witness to humanity's destruction?

Angel Adrian Mitchell tries to convince Lindsay Gibson that she is actually Shadoe, the woman he loves and keeps losing, in a new body, while dealing with a pack of rogue vampires and a lycan revolt.

Would you touch the one you loved, even if it might kill them? To Kill a Curse combines witchcraft with high seas adventure to create a love story for the ages.

When Adriana, a brilliant young archaeologist, accepts a position at the Museum of Archaeology in her hometown of Santander, Spain, she never imagines that her new boss has lived through the history she can only study. Iago, the charismatic technical director of the museum, is more than ten thousand years old but appears to be only thirty-five. Iago and his family are longevos—people who never seem to age after reaching adulthood. The ancient family is divided: Iago's brother and sister seek the source of their longevity in hopes of creating more like themselves, while Iago and his father fear the repercussions of the true Fountain of Youth. A dangerous game of power and knowledge that has played out over eons becomes even more complicated when Adriana attracts both brothers' attention—and learns their secret. Filled with science, history, and passion, The Immortal Collection transports the reader through time and space, from the days of cavemen, through the Roaring Twenties, to the charming plazas of contemporary Spain. Ancient history meets cutting-edge research in this modern love story and sweeping historical saga.
