Major Ernest Pettigrew is perfectly content to lead a quiet life in the sleepy village of Edgecombe St Mary, away from the meddling of the locals and his overbearing son. But when his brother dies, the Major finds himself seeking companionship with the village shopkeeper, Mrs Ali. Drawn together by a love of books and the loss of their partners, they are soon forced to contend with irate relatives and gossiping villagers. The perfect gentleman, but the most unlikely hero, the Major must ask himself what matters most: family obligation, tradition or love? Funny, comforting and heart-warming, Major Pettigrew's Last Stand proves that sometimes, against all odds, life does give you a second chance.

From the bestselling author of The God of Small Things comes a scathing and passionate indictment of big government's disregard for the individual. In her Booker Prize-winning novel, The God of Small Things, Arundhati Roy turned a compassionate but unrelenting eye on one family in India. Now she lavishes the same acrobatic language and fierce humanity on the future of her beloved country. In this spirited polemic, Roy dares to take on two of the great illusions of India's progress: the massive dam projects that were supposed to haul this sprawling subcontinent into the modern age--but which instead have displaced untold millions--and the detonation of India's first nuclear bomb, with all its attendant Faustian bargains. Merging her inimitable voice with a great moral outrage and imaginative sweep, Roy peels away the mask of democracy and prosperity to show the true costs hidden beneath. For those who have been mesmerized by her vision of India, here is a sketch, traced in fire, of its topsy-turvy society, where the lives of the many are sacrificed for the comforts of the few. From the Trade Paperback edition.

NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • An audacious, darkly glittering novel set in the eerie days of civilization's collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. Now an original series on HBO Max. Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of King Lear. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves The Traveling Symphony, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in St. Deborah by the Water, they encounter a violent prophet who will threaten the tiny band's existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel's new novel, Sea of Tranquility, coming in April 2022!

WINNER OF THE VIRGINIA PRIZE FOR FICTION Living in post-revolutionary Tehran, Layla refuses to bow to the ayatollahs' rules, resisting her mother's relentless attempts to find her a suitable husband. Instead, she embarks on an illicit affair with her art teacher, Keyvan, and they tentatively imagine a future together. But the sudden death of her uncle, an outspoken journalist, raises many unanswered questions and when Layla's cousin, who is visiting from America, is arrested by the morality police, the komiteh, Layla's plans for the future begin to unravel. "I was totally captivated by this novel. Layla is torn between her heart and the restrictions of her culture. She obeys her heart though not without a price. This wonderfully poetic story keeps you hooked right to the very end." - Stephanie Hale, author and broadcaster "a bittersweet tale of betrayed trust and ruptured innocence... the feel for colour and language is vibrant" - featured in The Guardian first novel selection "Vividly written, fresh and eloquent, a girl's poignant tale of love and menace in contemporary Iran." - Fay Weldon "I loved this book. It gives you real insight into the world of educated middle-class Iranians in the early 21st century. We are so used to the Iranians we meet in the UK that we do not realise how hard it is to live under their political regime at home. A joy to read." - www.openingthebook.com Louise Soraya Black Born in England in 1977 to an English mother and Iranian father. Her father worked for UNICEF so she spent 17 years living overseas, in countries including Iran, Pakistan, Bangladesh and Indonesia. In spite of all this travel, she had strong roots: the family spent their summers in England and winter holidays in Iran. She began an English degree at University College London, but after a year switched to Law. She spent 8 years in corporate law but was unfulfilled so began writing in her spare time. She felt it was important to write about Iran because Iran is portrayed in the media as a bleak and oppressive place. She wanted to show Iran as a beautiful country, where the food is delicious, and Iranians are warm and hospitable. And while the media tends to paint a portrait of Iranian women as submissive and voiceless, this was not at all her experience so she created resilient and brave female characters in her novel. She had just about given up hope of finding a publisher for this novel, when she found out that Pomegranate Sky had won the Virginia Prize, a new literary prize for unpublished women writers. She was astonished and overjoyed, particularly when the novel received excellent reviews. After the birth of her son, she didn't return to law and instead, decided to focus on her writing. She has just completed her second novel.

A skillful interviewer can reveal aspects of a writer's voice in simple yet telling ways. As a novelist, Arundhati Roy is known for her lush language and intricate structure. As a political essayist, her prose is searching and fierce. All of these qualities shine through in the interviews collected by David Barsamian for *Globalizing Dissent: Conversations with Arundhati Roy*. New and devoted readers will find that these exchanges, recorded between 2001 and 2003, add to their appreciation of Roy's previous work. Whether discussing her childhood or the problems of translation in a multilingual society, Roy and Barsamian, the producer and host of *Alternative Radio*, engage in a lively and accessible manner. Speaking candidly and casually, Roy describes her participation in a demonstration against the Indian dam program as, "absolutely fantastic." She jokes that her Supreme Court charge for "corrupting public morality"--in the case of her novel *The God of Small Things*--should have been changed to "further corrupting public morality." She calls on her training as an architect to explain what she means by the "physics of power." Like a house of cards, she argues that "unfettered power . . . cannot go berserk like this and expect to hold it all together." Roy has been acclaimed for her courage (Salman Rushdie) and her eloquence (Kirkus Reviews), and her writing has been described as "a banquet for the senses" (Newsweek). She has found a readership among fiction enthusiasts and political activists. *Globalizing Dissent* captures Roy speaking one-on-one to her audience, revealing her intense and wide-ranging intellect, her very personal voice, and her opinion on momentous political events. Arundhati Roy's novel *The God of Small Things* was awarded the Booker Prize in 1997. She is the recipient of the 2002 Lannan Foundation Prize for Cultural Freedom. International No 1 Bestseller. Winner Of The 1997 Booker Prize &Nbsp;

Not since the bloody deeds of Jack the Ripper have Londoners felt such terror as that aroused by the gruesome beheadings in Hyde Park. And if newly promoted Police Superintendent Thomas Pitt does not quickly apprehend the perpetrator, he is likely to lose his own head, professionally speaking. Yet even with the help of Charlotte Pitt's subtle investigation, the sinister violence continues unchecked. And in a shocking turn of events that nearly convinces the pair of sleuths that they have met their match, the case proves to be Pitt's toughest ever.

Young Rachel Kalama, growing up in idyllic Honolulu in the 1890s, is part of a big, loving Hawaiian family, and dreams of seeing the far-off lands that her father, a merchant seaman, often visits. But at the age of seven, Rachel and her dreams are shattered by the discovery that she has leprosy. Forcibly removed from her family, she is sent to Kalaupapa, the isolated leper colony on the island of Moloka'i. In her exile she finds a family of friends to replace the family she's lost: a native healer, Haleola, who becomes her adopted "auntie" and makes Rachel aware of the rich culture and mythology of her people; Sister Mary Catherine Voorhies, one of the Franciscan sisters who care for young girls at Kalaupapa; and the beautiful, worldly Leilani, who harbors a surprising secret. At Kalaupapa she also meets the man she will one day marry. True to historical accounts, Moloka'i is the story of an extraordinary human drama, the full scope and pathos of which has never been told before in fiction. But Rachel's life, though shadowed by disease, isolation, and tragedy, is also one of joy, courage, and dignity. This is a story about life, not death; hope, not despair. It is not about the failings of flesh, but the strength of the human spirit.

In the winter of 2014, Arundhati Roy and actor John Cusack met Edward Snowden and Daniel Ellsberg, the Snowden of the 1960s. Their conversations touched on some of the great themes of our times Ð the nature of the state, surveillance in an era of perpetual war, and the meaning of patriotism

This collection of essays studies the complex criss-crossing of time, narration, tropes and cultural references which forms the architecture of Arundhati Roy's novel *The God of Small Things*. Can her particular approach be called post-colonial or postmodern? Is her use of the hyperbole simply a strategy aimed at satisfying the Western taste for exoticism? Is her novel a plea for hybridity or simply a sophisticated expression of binarism? The essays in this volume bring an important contribution to the debate on the relationship between art, nation, identity and desire in a post-colonial context which is increasingly influenced by globalization.

In remembrance of the 75th anniversary of the liberation of Auschwitz and the Nazi concentration camps, this award-winning, bestselling work of Holocaust fiction, inspiration for the classic film and "masterful account of the growth of the human soul" (Los Angeles Times Book Review), returns with an all-new introduction and beautifully redesigned cover. An "extraordinary" (New York Review of Books) novel based on the true story of how German war profiteer and factory director Oskar Schindler came to save more Jews from the gas chambers than any other

single person during World War II. In this milestone of Holocaust literature, Thomas Keneally, author of *The Book of Science and Antiquities* and *The Daughter of Mars*, uses the actual testimony of the Schindlerjuden—Schindler's Jews—to brilliantly portray the courage and cunning of a good man in the midst of unspeakable evil. "Astounding...in this case the truth is far more powerful than anything the imagination could invent" (*Newsweek*).

This is part of a new series of guides to contemporary novels. The aim of the series is to give readers accessible and informative introductions to some of the most popular, most acclaimed and most influential novels of recent years - from 'The Remains of the Day' to 'White Teeth'. A team of contemporary fiction scholars from both sides of the Atlantic has been assembled to provide a thorough and readable analysis of each of the novels in question.

Long-listed for the Man Booker Prize, a novel about violence, love, and religion in modern India On a train bound for the seaside town of Jarmuli, known for its temples, three elderly women meet a young documentary filmmaker named Nomi, whose braided hair, tattoos, and foreign air set her apart. At a brief stop en route, the women witness a sudden assault on Nomi that leaves her stranded as the train pulls away. Later in Jarmuli, among pilgrims, priests, and ashrams, the women disembark only to find that Nomi has managed to arrive on her own. What is someone like her, clearly not a worshipper, doing in this remote place? Over the next five days, the women live out their long-planned dream of a holiday together; their temple guide pursues a forbidden love; and Nomi is joined by a photographer to scout locations for a documentary. As their lives overlap and collide, Nomi's past comes into focus, and the serene surface of the town is punctured by violence and abuse as Jarmuli is revealed as a place with a long, dark history that transforms all who encounter it. A haunting, vibrant novel that was long-listed for the Man Booker Prize and the DSC Prize for South Asian Literature and short-listed for the Hindu Literary Prize, Anuradha Roy's *Sleeping on Jupiter* is a brilliantly told story of contemporary India from an internationally acclaimed writer.

On publication Arundhati Roy's first novel *The God of Small Things* (1997) rapidly became an international bestseller, winning the Booker Prize and creating a new space for Indian literature and culture within the arts, even as it courted controversy and divided critical opinion. This guide to Roy's ground-breaking novel offers: an accessible introduction to the text and contexts of *The God of Small Things* a critical history, surveying the many interpretations of the text from publication to the present a selection of new essays and reprinted critical essays by Padmini Mongia, Aijaz Ahmad, Brinda Bose, Anna Clarke, Émilienne Baneth-Nouailhetas and Alex Tickell on *The God of Small Things*, providing a range of perspectives on the novel and extending the coverage of key critical approaches identified in the survey section cross-references between sections of the guide, in order to suggest links between texts, contexts and criticism suggestions for further reading. Part of the Routledge Guides to Literature series, this volume is essential reading for all those beginning detailed study of *The God of Small Things* and seeking not only a guide to the novel, but a way through the wealth of contextual and critical material that surrounds Roy's text.

2017 Man Booker Prize Longlist 2018 Women's Prize for Fiction Longlist *The Ministry of Utmost Happiness* is a dazzling new novel by the internationally celebrated author of *The God of Small Things*. It takes us on an intimate journey of many years across the Indian subcontinent--from the cramped neighborhoods of Old Delhi and the roads of the new city to the mountains and valleys of Kashmir and beyond, where war is peace and peace is war. It is an aching love story and a decisive remonstrance, a story told in a whisper, in a shout, through unsentimental tears and sometimes with a bitter laugh. Each of its characters is indelibly, tenderly rendered. Its heroes are people who have been broken by the world they live in and then rescued, patched together by acts of love--and by hope. The tale begins with Anjum--who used to be Aftab--unrolling a threadbare Persian carpet in a city graveyard she calls home. We encounter the odd, unforgettable Tilo and the men who loved her--including Musa, sweetheart and ex-sweetheart, lover and ex-lover; their fates are as entwined as their arms used to be and always will be. We meet Tilo's landlord, a former suitor, now an intelligence officer posted to Kabul. And then we meet the two Miss Jebeens: the first a child born in Srinagar and buried in its overcrowded Martyrs' Graveyard; the second found at midnight, abandoned on a concrete sidewalk in the heart of New Delhi. As this ravishing, deeply humane novel braids these richly complex lives together, it reinvents what a novel can do and can be. *The Ministry of Utmost Happiness* demonstrates on every page the miracle of Arundhati Roy's storytelling gifts.

The "courageous and clarion" Booker Prize-winner "continues her analysis and documentation of the disastrous consequences of unchecked global capitalism" (*Booklist*). From the poisoned rivers, barren wells, and clear-cut forests, to the hundreds of thousands of farmers who have committed suicide to escape punishing debt, to the hundreds of millions of people who live on less than two dollars a day, there are ghosts nearly everywhere you look in India. India is a nation of 1.2 billion, but the country's one hundred richest people own assets equivalent to one-fourth of India's gross domestic product. *Capitalism: A Ghost Story* examines the dark side of democracy in contemporary India and shows how the demands of globalized capitalism have subjugated billions of people to the highest and most intense forms of racism and exploitation. "A highly readable and characteristically trenchant mapping of early-twenty-first-century India's impassioned love affair with money, technology, weaponry and the 'privatization of everything,' and—because these must not be impeded no matter what—generous doses of state violence." —*The Nation* "A vehement broadside against capitalism in general and American cultural imperialism in particular . . . an impassioned manifesto." —*Kirkus Reviews* "Roy's central concern is the effect on her own country, and she shows how Indian politics have taken on the same model, leading to the ghosts of her book's title: 250,000 farmers have committed suicide, 800 million impoverished and dispossessed Indians, environmental destruction, colonial-like rule in Kashmir, and brutal treatment of activists and journalists. In this dark tale, Roy gives rays of hope that illuminate cracks in the nightmare she evokes." —*Publishers Weekly*

NEW YORK TIMES BESTSELLER "I come from a family forged by tragedies and bound by a remarkable, unbreakable love," Hunter Biden writes in this deeply moving memoir of addiction, loss, and survival. When he was two years old, Hunter Biden was badly injured in a car accident that killed his mother and baby sister. In 2015, he suffered the devastating loss of his beloved big brother, Beau, who died of brain cancer at the age of forty-six. These hardships were compounded by the collapse of his marriage and a years-long battle with drug and alcohol addiction. In *Beautiful Things*, Hunter recounts his descent into substance abuse and his tortuous path to sobriety. The story ends with where Hunter is today—a sober married man with a new baby, finally able to appreciate the beautiful things in life.

Five books of essays in one volume from the Booker Prize–winner and “one of the most ambitious and divisive political essayists of her generation” (The Washington Post). With a new introduction by Arundhati Roy, this new collection begins with her pathbreaking book *The Cost of Living*—published soon after she won the Booker Prize for her novel *The God of Small Things*—in which she forcefully condemned India’s nuclear tests and its construction of enormous dam projects that continue to displace countless people from their homes and communities. *The End of Imagination* also includes her nonfiction works *Power Politics*, *War Talk*, *Public Power in the Age of Empire*, and *An Ordinary Person’s Guide to Empire*, which include her widely circulated and inspiring writings on the US invasions of Afghanistan and Iraq, the need to confront corporate power, and the hollowing out of democratic institutions globally. Praise for Arundhati Roy “The fierceness with which Arundhati Roy loves humanity moves my heart.” —Alice Walker, Pulitzer Prize–winning author and recipient of the LennonOno Grant for Peace Award “Arundhati Roy combines her brilliant style as a novelist with her powerful commitment to social justice in producing these eloquent, penetrating essays.” —Howard Zinn, author of *Political Awakenings* and *Indispensable Zinn* “Arundhati Roy is incandescent in her brilliance and her fearlessness. And in these extraordinary essays—which are clarions for justice, for witness, for a true humanity—Roy is at her absolute best.” —Junot Díaz, author of the Pulitzer Prize–winning *The Brief Wondrous Life of Oscar Wao* “One of the most confident and original thinkers of our time.” —Naomi Klein, author of *No Is Not Enough* and *The Battle For Paradise* “Arundhati Roy calls for ‘factual precision’ alongside of the ‘real precision of poetry.’ Remarkably, she combines those achievements to a degree that few can hope to approach.” —Noam Chomsky, leading public intellectual and author of *Hopes and Prospects* “India’s most impassioned critic of globalization and American influence.” —The New York Times

From the creator of the popular website *Ask a Manager* and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “*Ask a Manager* is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The little-known story of Gandhi’s reluctance to challenge the caste system, and the man who fought fiercely for India’s downtrodden. Democracy hasn’t eradicated caste, argues bestselling author and Booker Prize–winner Arundhati Roy—it has entrenched and modernized it. To understand caste today in India, Roy insists we must examine the influence of Gandhi in shaping what India ultimately became: independent of British rule, globally powerful, and marked to this day by the caste system. Roy states that for more than a half century, Gandhi’s pronouncements on the inherent qualities of black Africans, Dalit “untouchables,” and the laboring classes remained consistently insulting, and he also refused to allow lower castes to create their own political organizations and elect their own representatives. But there was someone else who had a larger vision of justice—a founding father of the republic and the chief architect of its constitution. In *The Doctor and the Saint*, Roy introduces us to this contemporary of Gandhi, B.R. Ambedkar, who challenged the thinking of the time and fought to promote not merely formal democracy, but liberation from the oppression, shame, and poverty imposed on millions of Indians by an archaic caste system. This is a fascinating and surprising look at two men—one of whom has become a worldwide symbol and the other of whom remains unfamiliar to most outside his native country. Praise for Arundhati Roy “Arundhati Roy is incandescent in her brilliance and her fearlessness.” —Junot Díaz “The fierceness with which Arundhati Roy loves humanity moves my heart.” —Alice Walker

Examination Thesis from the year 2008 in the subject English Language and Literature Studies - Literature, grade: 2,3, Humboldt-University of Berlin, course: Cross-cultural representations of India, language: English, abstract: In this essay I want to show how globalization and colonialism are phenomena which cannot be looked at separately when speaking about India’s history and present. Roy’s book does not only reveal the impact of globalization and colonialism on India and its people but the interconnection between these processes. I will give examples of how globalization and colonialism are linked and how that is shown in Arundhati Roy’s novel “*The God of Small Things*” (1997). This is a semi-autobiographical book which includes examples that draw the author’s political beliefs and understanding of how India has been shaped and is still shaped by globalism and colonialist policies. (Roy: “Is globalisation (sic) about the eradication of world poverty or is it a mutant variety of colonialism, remote controlled and digitally operated?”) For this I will look at India’s economy, India’s role as an exotic Other and the novel’s own position within the global market of literature, the Indian Diaspora, examples for othering, self-othering and inbetweenness, at how and why caste and colonialist ideals still have major impacts on the construction of identity in times of globalization. I cannot give a profound analysis of India’s colonial history and position within the context of globalism, but it will provide background information and an insight into selected issues that have shaped and still shape India and the Indian society. The major aim of this essay is to show that “India’s colonial histories cannot be ignored.”

Before violence tore apart the tapestry of Sri Lanka and turned its pristine beaches red, there were two families. Yasodhara tells the story of her own Sinhala family, rich in love, with everything they could ask for. As a child in idyllic Colombo, Yasodhara's and her siblings' lives are shaped by social hierarchies, their parents' ambitions, teenage love and, subtly, the differences between Tamil and Sinhala people; but the peace is shattered by the tragedies of war. Yasodhara's family escapes to Los Angeles. But Yasodhara's life has already become intertwined with a young Tamil girl's... Saraswathie is living in the active war zone of Sri Lanka, and hopes to become a teacher. But her dreams for the future are abruptly stamped out when she is arrested by a group of Sinhala soldiers and pulled into the very heart of the conflict that she has tried so hard to avoid – a conflict that, eventually, will connect her and Yasodhara in unexpected ways. Nayomi Munaweera's *Island of a Thousand Mirrors* is an emotionally resonant saga of cultural heritage, heartbreaking conflict and deep family bonds. Narrated in two unforgettably authentic voices and spanning the entirety of the decades-long civil war, it offers an unparalleled portrait of a beautiful land during its most difficult moment by a spellbinding new literary talent who promises tremendous things to come.

Both inside and outside academic circles, Ware's work is rapidly being distinguished as essential to the developing canon of the graphic novel. Winner of the 2001 Guardian First Book Prize for the genre-defining *Jimmy Corrigan: The Smartest Kid on Earth*, Ware has received numerous accolades from both the literary and comics establishment. This collection addresses the range of Ware's work from his earliest drawings in the 1990s in *The ACME Novelty Library* and his acclaimed *Jimmy Corrigan*, to his most recent works-in-progress, "Building Stories" and "Rusty Brown."

A tiny American town's plans for radical self-government overlooked one hairy detail: no one told the bears. Once upon a time, a group of libertarians got together and hatched the Free Town Project, a plan to take over an American town and completely eliminate its government. In 2004, they set their sights on Grafton, NH, a barely populated settlement with one paved road. When they descended on Grafton, public funding for pretty much everything shrank: the fire department, the library, the schoolhouse. State and federal laws became meek suggestions, scarcely heard in the town's thick wilderness. The anything-goes atmosphere soon caught the attention of Grafton's neighbors: the bears. Freedom-loving citizens ignored hunting laws and regulations on food disposal. They built a tent city in an effort to get off the grid. The bears smelled food and opportunity. *A Libertarian Walks Into a Bear* is the sometimes funny, sometimes terrifying tale of what happens when a government disappears into the woods. Complete with gunplay, adventure, and backstabbing politicians, this is the ultimate story of a quintessential American experiment -- to live free or die, perhaps from a bear.
