DIGITAL POLLUTION IS THE PROBLEM. HUMAN-CENTERED COMMUNICATION IS THE SOLUTION. We're spending more time than ever in virtual environments. That will only increase, as will the amount of noise we encounter there. The seemingly endless series of unwelcome digital distractions range from frustrating to dangerous. As individuals and businesses, we not only spend time and energy managing this digital pollution, we often create it. At risk are relationships and revenue. The only viable way forward is to be more thoughtful, intentional, and personal. Human-Centered Communication provides a philosophy and practice to help you connect in more meaningful and effective ways with prospects, customers, team members, and every stakeholder in your success. Learn to: Break through the noise and earn attention Build trust and create engagement Enhance your reputation with both people and algorithms The concepts and models in this book apply to any form or channel of communication, but human centrality favors video. More visual and emotional than faceless digital communication, video enhances tone, intent, subtlety, nuance, and meaning. Learn to be clearer and more confident on camera in live video calls, meetings, and presentations, as well as in recorded video emails, social messages, and text messages. The authors of the bestselling *Rehumanize Your Business* join with eleven industry-leading experts from companies like Salesforce, HubSpot, and RE/MAX to lead the growing conversation on leveraging human strengths in an increasingly digital world. The brightest future is tech-enabled, but authors Ethan Beute and Stephen Pacinelli show that it's also human-centered. The experts studied, interviewed, and featured: Jacco van der Kooij, Founder of Winning by Design Dan Hill, PhD, President of Sensory Logic Mathew Sweezey, Director of Market Strategy at Salesforce Julie Hansen, Creator of the Selling on Video Master Class Adam Contos, CEO of RE/MAX Lauren Bailey, Founder and President of Factor 8 and #GirlsClub Mario Martinez Jr, Founder and CEO of Vengreso Viveka von Rosen, Cofounder and Chief Visibility Officer at Vengreso Shep Hyken, Customer Service and Customer Experience Expert Morgan J Ingram, Director of Sales Execution at JB Sales Training Dan Tyre, sales executive and founding team member at HubSpot Among the themes addressed: Trust and relationships Communication and connection Service and value Text and video Noise and pollution Among the types of videos in which you'll become more confident and effective: Live, synchronous video meetings Recorded, asynchronous video messages Video calls and video presentations Video in emails and text messages Video in social feeds and social messages Video for specific individuals and large groups Video for known audiences and anonymous masses Video for prospects, customers, employees, and other stakeholders For immediate benefits and for long-term reputation, now is the time to get ahead of and stay ahead of ever-increasing

digital noise and pollution - with Human-Centered Communication.

Time is limited. Attention is scarce. Are you engaging your customers? Apple Stores, Disney, LEGO, Starbucks. Do these names conjure up images of mere goods and services, or do they evoke something more--something visceral? Welcome to the Experience Economy, where businesses must form unique connections in order to secure their customers' affections--and ensure their own economic vitality. This seminal book on experience innovation by Joe Pine and Jim Gilmore explores how savvy companies excel by offering compelling experiences for their customers, resulting not only in increased customer allegiance but also in a more profitable bottom line. Translated into thirteen languages, The Experience Economy has become a must-read for leaders of enterprises large and small, for-profit and nonprofit, global and local. Now with a brand-new preface, Pine and Gilmore make an even stronger case for experiences as the critical link between a company and its customers in an increasingly distractible and time-starved world. Filled with detailed examples and actionable advice, The Experience Economy helps companies create personal, dramatic, and even transformative experiences, offering the script from which managers can generate value in ways aligned with a strong customer-centric strategy.

"Covering the latest and breaking news in Facebook advertising, this updated edition introduces revised, expanded, and new chapters covering fundamentals, Newsfeed ads, sidebar ads, and BIG data. In addition, advertisers are taken farther than just Facebook itself. Marshall and coauthors provide priceless insight into the audience, exploring what was happening before the visitor clicked on an ad and what needs to happen after - ten seconds later, ten minutes later, and in the following days and weeks. Presented in the same step-by-step format that made Marshall's Ultimate Guide to Google AdWords a top seller, this book guides online marketers with a potential audience of 1.11 billion people via a completely different, unbelievably powerful online advertising channel. Facebook presents enhanced tools and exciting opportunities to capture clicks and create brand-loyal customers"--

If you're a busy, talented businessperson responsible for presentations, one-pagers, emails, or virtual meetings, this book is for you.

There's a new truth in B2B marketing: if you want to move products, you need to move minds. Most companies suffer from a delusion, and it's this: that buyers always make decisions in a rational, logical, and economic way. The result is a slew of features-driven B2B marketing that few people really care about. In recent years B2B customers have evolved. They don't just want to buy from businesses anymore, they want to buy into them. The problem is too few B2B companies realize this. They continue with the same product-centric marketing that increases revenue by a percentage point here and there. It seems safe but it's dangerously short-sighted, because it doesn't deliver the transformational and long-term growth that makes businesses category leaders. It's even more important to address this issue at such a critical and delicate moment in the world economy. Marketing leaders require strategies that have an exponential, rather than an incremental, effect on brand, marketing and sales, and to implement them they need the new super-skills this book teaches. This involves establishing a core purpose, shifting the focus from products to people, from features to feelings and from messaging to storytelling, acknowledging that neuro science has proved that people buy on emotion and justify with fact. In other words, it requires a completely different mindset to the one that's prevalent right now, one that we call 'Humanizing B2B'.

What message do you want or need to share with the world? Are you ready to add your voice to the conversation, expand your impact, and influence others as an author? Get the ideas out of your head and into the world. Get the Word Out is a guide to writing a nonfiction book or memoir grounded in a sense of purpose. This practical and inspiring book offers advice for every phase of the journey, from clarifying your concept and owning your authority to drafting the manuscript and doing the important work after publishing. Whether you're an industry thought leader seeking to expand your impact or someone with a tiny following and a big idea, this book will help you approach your book project with clarity, confidence, and commitment:

- Clarity about your message, your audience, and your vision for the work
- Confidence in your expertise, authority, and ability to write the book
- Commitment to see the book through to publication and spread the word beyond

If you're looking for a quick-and-easy recipe or a promise of a best-seller, you won't find it here. You will find suggested exercises, original

research from a survey of hundreds of nonfiction authors, and stories and advice from other authors who have written meaningful, purposeful books. Many authors report that they wish they'd written their books sooner. What are you waiting for? Video can help you close the deal in a virtual world and this book from award winning marketer and author Marcus Sheridan will show you how. With practical advice and step by step instructions, this is the ultimate guide to selling over video - no matter how much you hate watching yourself on the screen. More than ever before, buyers and consumers are demanding for more video. Just "reading" about a product, service, or company will no longer do the trick. Today, they must "see" it. Notwithstanding this increased demand for video, most businesses and organizations have struggled to quickly adapt. In fact, many have no idea as to how or where to get started. For this purpose, *The Visual Sale* was written. Finally, businesses and organizations have a clear guide that will literally show them, in simple, clear, and actionable terms, exactly how they can build a culture of video and start "showing it" moving forward, ultimately leading to a dramatic improvement to their sales numbers, marketing strategy, and overall customer experience.

Presents original research documenting the size and nature of the 'sea of sameness' consumers face, and delivers a framework to help organizations rise above it, differentiate themselves, and deliver value.

Sales have changed in the last 30 years. Gone are the days of manipulative and pushy salespeople who rely on charm to get sales. *Selling From The Heart* is the new economy where relationships matter and old-school techniques just don't work anymore. Relationships are what will fuel your sales funnel and allow you to reach your sales goals. Social media is a great place to develop those relationships that lead to sales and Larry teaches you how to do in a natural way. Let Larry Levine show you how not to only be yourself, but your best self and succeed! In this powerful book, Larry Levine challenges modern myths about how to approach buyers and close the sale. He deftly shows you how, in a world suffering from information overload and technology fatigue, sales professionals who demonstrate authenticity and empathy gain an unbeatable competitive edge. Jeb Blount, CEO SalesGravy.com and Author of *Sales EQ* Too many of us (salespeople) look outward for success and in the most brilliant, down to earth way, *Selling From The Heart* reminds us that our success starts within, not out. In a world of copycats, Larry Levine, with a softness of a benevolent mentor and the disarming approach of Fred Rogers, stresses that we can't win as a copy, but only as an original. "Be YOU!" The best message the sales world has received in a long time. Keenan, CEO of A Sales Guy *Selling from the Heart* is not really a book about sales. It's a book about YOU. This is the ultimate playbook for showing up as yourself, so you can increase your sales. Deb Calvert, author of *DISCOVER Questions®* and co-author of *Stop Selling & Start Leading* Real sales, real world, real life. Larry Levine shares what it takes to be an authentically successful salesperson. *Selling From The Heart* will have you probing your own heart, and when you read and apply the lessons from the book, you'll find yourself seeing authentically. Mark Hunter, CSP, "The Sales Hunter" author of *High-Profit Prospecting* and *High-Profit Selling* *Selling From The Heart* is powerful, refreshing, and...authentic! Larry Levine and this new book are a

breath of much-needed fresh air. He's the most honest social selling expert in the business, and this book is exactly what sellers need today. Larry shares wisdom from his years of successful experience, with both blunt truth and effective advice. You will love his writing style, stories, and most of all, the increased sales from implementing his advice! Mike Weinberg, author of *New Sales Simplified*, and *Sales Management Simplified*. In sales, the heart always comes before the head. What I love and admire most about Larry Levine is that he sees the potential in all of us and compels us to act with heart and authenticity. In *Selling From The Heart*, Larry draws upon the wisdom that is both timeless and relevant. Read it and increase your sales, but more importantly, connect with yourself and live a more meaningful life. Shari Levitin, Founder, and CEO of Levitin Group and author of *Heart and Sell-10 Universal Truths Every Salesperson Needs to Know*,

Brian Kurtz is the bridge connecting the bedrock fundamentals of direct response marketing to the state-of-the-art strategies, tactics, and channels of today. Overdeliver distills his expertise from working in the trenches over almost four decades to help readers build a business that maximizes both revenue and relationships. Marketing isn't everything, according to Brian Kurtz. It's the only thing. If you have a vision or a mission in life, why not share it with millions instead of dozens? And while you are sharing it with as many people as possible and creating maximum impact, why not measure everything and make all of your marketing accountable? That's what this book is all about. In the world of direct marketing, Brian Kurtz has seen it all and done it all over almost four decades. And he lives by the philosophy, "Those who did it have a responsibility to teach it." Here's a small sample of what you'll learn: * The 4 Pillars of Being Extraordinary * The 5 Principles of why "Original Source" matters * The 7 Characteristics that are present in every world class copywriter * Multiple ways to track the metrics that matter in every campaign and every medium, online and offline * Why customer service and fulfillment are marketing functions * That the most important capital you own has nothing to do with money * And much more Whether you're new to marketing or a seasoned pro, this book gives you a crystal-clear road map to grow your business, make more money, maximize your impact in your market, and love what you're doing while you're doing it. Kurtz takes you inside the craft to help you use all the tools at your disposal--from the intricate relationship between lists, offers, and copy, to continuity and creating lifetime value, to the critical importance of multichannel marketing and more--so you can succeed wildly, exceed all your expectations, and overdeliver every time.

You can collect all the consumer data in the world, but it's not worth much if you aren't using it to move your business forward. Today, marketers and advertisers can do so much more than launch campaigns and hope for the best. Thanks to data, they can finally know what works and doesn't, and use that information to become more effective in the future. That's where this groundbreaking marketing guide comes into play. From *POSSIBLE*, one of the world's most successful digital marketing agencies, *Does Your Marketing Work?* reveals 10 easy-to-understand principles for building a highly creative organization that thrives on data. You'll learn how to set business goals, inspire great ideas, find the right people, measure what matters, and act on insight. The book explains how to evaluate everything from simple projects to long-term brand vitality--all the while keeping the field wide open for brilliant creative work.

This timely book is a sequel to John Grant's *Green Marketing Manifesto* which was the award winning and bestselling definitive guide to green marketing (and not greenwashing) in the previous wave of eco marketing in 2007. In 2019, climate change is right back at the top of the public agenda. Greta Thunberg and Extinction Rebellion are front page news. The UK, EU and other governments have declared a climate emergency. 181 CEOs of American companies - including Walmart, Amazon and Apple - signed a Business Round Table declaration saying that the purpose of corporations is not just to make money for shareholders, but to improve society, care for the environment and be ethical. Unilever CEO Alan Jope says they will dispose of brands that don't have a bigger purpose. Concerns like ocean plastic (the 'Blue Planet effect') have upped the pace of change. With ambitious responses such as refills stations, unpackaged goods, super-materials from wood fibre and seaweed and a new 'milkman for groceries' reusable packaging service called Loop. Sustainable brands are now outperforming others in most markets. Eco challenger brands like VEJA and Allbirds are 'the new cool'. While Adidas showed (with Parlay ocean plastic shoes) you can also create a billion dollar mainstream offer. Even banking is changing, with rapid growth in ESG and Impact Investing. Plus, the \$40Bn overnight success of

sustainability linked loans to companies like Philips and Prada. How can marketing and the creative industries respond? Even Extinction Rebellion thinks we can play a positive role – although XR also say it has to go beyond banning plastic straws - if we can only manage to tell the truth and lead the change. Hundreds of creative agencies and brands came out on climate strike and donated ideas: Or in the case of Patagonia donated their entire \$10m tax windfall to environmental causes. But what now? How do you set a positive course? In this book we look at some of the leaders – brands like Patagonia and Max Burgers aiming to be climate positive. And we look at brands who have found a fresh sense of purpose by championing a relevant cause. The book is packed with case studies, tools, research insights. Covering issues like eco labelling, transparency, circular economy, rebound effects, impact investment, new coalitions and developments ranging from sustainable finance, to blockchain and traceability, to regenerative farming. One key theme that carries over from the Green Marketing Book is that marketers need to know their facts if attempts are not to be superficial. When you know 95% of the energy footprint of a mobile phone is in manufacturing and materials (not charging the battery) you know that getting people to dim their screen won't save much CO2. But that getting them to keep their phone in use for an extra year is a huge win for the planet. The ultimate goal is to go beyond marketing that simply looks good, and to create a vision of marketing that does good. Uncover strategies for sustainable marketing that actually deliver on green and social objectives, not just greenwashing Reconceptualise marketing and business models, and learn to recognise the commercial strategies and approaches that are no longer fit for purpose Learn how hot topics like the climate crisis, single use plastics, and blockchain technology influence green and social marketing Read examples and case studies from both brand leaders and challengers that have developed innovations and fresh creative approaches to green and social marketing Get practical tools, models, facts, plus strategy, workshop and project processes and business case rationales - so that you can build your own plans and proposals This book is intended to assist marketers, by means of clear and practical guidance, through a comp

The Influencer Code is the essential reference for any company looking to leverage the power of influencers to elevate their brand and grow their business. From Fortune 500s to local fitness studios, whether you offer financial services or sell donuts, reaching today's consumers is more complicated than ever. More and more, marketers are reaching out to people who style themselves "influencers": those people who have a big—and, more importantly—loyal audience ready to hear what they have to say about anything. Yet despite "influencer marketing" fast becoming one of the biggest buzz terms of the decade, it couldn't be more misunderstood. Written by an accomplished entrepreneur, professor, and award-winning YouTube star, The Influencer Code breaks down the biggest myths that brands are getting wrong and shows you how to get it right by defining and showcasing what true influencer marketing is and how to leverage it to achieve your business goals in a simple yet powerful 3-step code. The Influencer Code simplifies the complex world of influencer marketing, covering how to research, evaluate, and employ the right influencers for their markets, as well as how to legally and strategically integrate them into marketing campaigns to achieve specific goals. The future of marketing depends on forming authentic partnerships between brands and influencers. The go-to resource for all things influencer marketing, The Influencer

Code is your shortcut to making that future a reality.

While a Vice President at Salesforce, David Priemer had an epiphany during one of the company's high-pressure selling periods: the very sales tactics they were using were not working on him. Yes, the numbers still showed results, but through brute force rather than elegance and efficiency. Priemer also discovered that his sales colleagues were spending far more time on leads that did not convert to sales than on those that did. His company--and his entire profession--was acting with more than enough gusto, but without enough awareness and empathy. They were not selling the way they buy. *Sell the Way You Buy* is about much more than putting yourself in the customer's shoes. Customers don't always know what they want or need, or they may be seeking a solution for something that isn't their core problem. They suffer from status quo bias, from recency bias, from confirmation bias. And meanwhile, the state of overwhelming choice has most products and solution providers adrift in the "Sea of Sameness." In today's world, almost everyone is in sales, but as Priemer realized, we don't teach it. *Sell the Way You Buy* will show you how to ask questions, how to listen, how to tell a compelling brand story, and how to talk to customers (how to talk to people). Priemer reveals scientifically supported methods to understand the customer, identify their needs, and move them toward the right solution--all the while teaching you to avoid all the reasons why the average person doesn't like salespeople. In short, to sell the way you buy.

Transform your organization using Agile principles with this proven framework *The Six Disciplines of Agile Marketing* provides a proven framework for applying Agile principles and processes to marketing. Written by celebrated consultant Jim Ewel, this book provides a concise, approachable, and adaptable strategy for the implementation of Agile in virtually any marketing organization. *The Six Disciplines of Agile Marketing* discusses six key areas of practical concern to the marketer who hopes to adopt Agile practices in their organization. They include: Aligning the team on common goals Structuring the team for greater efficiency Implementing processes like Scrum and Kanban in marketing Validated Learning Adapting to Change Creating Remarkable Customer Experiences *The Six Disciplines of Agile Marketing* also discusses four shifts in beliefs and behaviors necessary to achieving an Agile transformation in marketing organizations. They include: A shift from a focus on outputs to one based on outcomes A shift from a campaign mentality to one based on continuous improvement A shift from an internal focus to a customer focus

Create breakthrough marketing campaigns that achieve staggering consumer response rates by harnessing the power of R.E.D. Marketing: a transparent and flexible methodology from the CEO and CMO of marketing powerhouse Yum! Brands—Taco Bell, KFC, Pizza Hut—with a genuine track record of success. Sidestep the other marketing books, courses, articles, and even TED talks that offer hypothetical explanations that sound sensible. Embrace the proven, systematic approach of RED Marketing, which the recent CEO and current CMO of Yum! Brands applied to lead Taco Bell and KFC to double digit growth—no PhD required! In 2011, Greg Creed had just been elevated from President to CEO of Taco Bell, a brand in deep distress at the time. It was on his shoulders to turn things around quickly along with co-author and CMO, Ken Muench. Together they developed the R.E.D (Relevance, Ease, Distinctiveness) method. It's simple methodology does not require complicated terms and a PhD to understand, it's actually quite simple—marketing works in three very different ways: Relevance—Is it relevant to the marketplace? Ease—Is it easy to access and use? Distinction—Does it stand out from competition? Combining actual examples from Yum! and other recognizable brands of every size around the world; the latest findings in marketing, neuroscience, and behavioral economics; and the author's own experience marketing three different brands across 120 countries—your brand can set and achieve a truly breakthrough marketing campaign utilizing R.E.D Marketing.

Real-time conversations turn leads into customers *Conversational Marketing* is the definitive

guide to generating better leads and closing more sales. Traditional sales and marketing methods have failed to keep pace with the way modern, internet-savvy consumers purchase goods and services. Modern messaging apps, which allow for real-time conversations and instant feedback, have transformed the way we interact in our personal and professional lives, yet most businesses still rely on 20th century technology to communicate with 21st century customers. Online forms, email inquiries, and follow-up sales calls don't provide the immediacy that modern consumers expect. Conversational marketing and sales are part of a new methodology centered around real-time, one-on-one conversations with customers via chatbots and messaging. By allowing your business to communicate with customers in real time—when it's most convenient for them—conversational marketing improves the customer experience, generates more leads, and helps you convert more leads into customers. Conversational Marketing pioneers David Cancel and Dave Gerhardt explain how to: Merge inbound and outbound tactics into a more productive dialog with customers Integrate conversational marketing techniques into your existing sales and marketing workflow Face-to-face meetings, phone calls, and email exchanges remain important to customer relations, but adding a layer of immediate, individual conversation drives the customer experience—and sales—sky-high.

How do you build a brand in a time of information overload where the media are so fragmented that you can barely get the attention of your audience? And how do you ensure that everyone tells the same story on all those channels? Carlijn Postma takes you to the place where content is the product and where people know how to attract and retain an audience: Hollywood. Binge Marketing is not another stuffy marketing book, but a refreshing look at marketing in the 21st century. With this advice handed to you in this book, you can be sure that people will want to listen to your story. Not just one episode, but as a loyal and committed reader, viewer or listener. Compare your brand with the scenario of a very good television series and consider every single statement and marketing activity you put out there as an episode of that series. As a true showrunner you can build on your own loyal and involved audience.

Supercharge your marketing strategy with data analytics In *Data-First Marketing: How to Compete & Win in the Age of Analytics*, distinguished authors Miller and Lim demystify the application of data analytics to marketing in any size business. Digital transformation has created a widening gap between what the CEO and business expect marketing to do and what the CMO and the marketing organization actually deliver. The key to unlocking the true value of marketing is data – from actual buyer behavior to targeting info on social media platforms to marketing's own campaign metrics. Data is the next big battlefield for not just marketers, but also for the business because the judicious application of data analytics will create competitive advantage in the Age of Analytics. Miller and Lim show marketers where to start by leveraging their decades of experience to lay out a step-by-step process to help businesses transform into data-first marketing organizations. The book includes a self-assessment which will help to place your organization on the Data-First Marketing Maturity Model and serve as a guide for which steps you might need to focus on to complete your own transformation. *Data-First Marketing: How to Compete & Win in the Age of Analytics* should be used by CMOs and heads of marketing to institute a data-first approach throughout the marketing organization. Marketing staffers can pick up practical tips for incorporating data in their daily tasks using the Data-First Marketing Campaign Framework. And CEOs or anyone in the C-suite can use this book to see what is possible and then help their marketing teams to use data analytics to increase pipeline, revenue, customer loyalty – anything that drives business growth.

Specific questions to help you diagnose the symptom hindering your brand. How brands like FedEx, Netflix, Spotify, and Crocs navigated their adolescence to emerge stronger. What business owners like you have done to course correct their brands and what worked best. Step-by-step guides to help you exit that stage ready to scale. Finally, you can stop guessing what your brand needs. With the right pieces in place, your brand will be ready for its next leap of growth. If you like sports and entertainment stories, easy-to-understand explanations, and plenty of examples, you'll love how this book demystifies your brand woes and helps you fix them. Get it now to jump-start your business growth!

THE BESTSELLING AUTHOR OF *PITCH ANYTHING IS BACK TO FLIP YOUR ENTIRE APPROACH TO PERSUASION*. Is there anything worse than a high-pressure salesperson pushing you to say "yes" (then sign on the dotted line) before you're ready? If there's one lesson Oren Klaff has learned over decades of pitching, presenting, and closing long-shot, high-stakes deals, it's that people are sick of being marketed and sold to. Most of all, they hate being told what to think. The more you push them, the more they resist. What people love, however, is coming up with a great idea on their own, even if it's the idea you were guiding them to have all along. Often, the only way to get someone to sign is to make them feel like they're smarter than you. That's why Oren is throwing out the old playbook on persuasion. Instead, he'll show you a new approach that works on this simple insight: Everyone trusts their own ideas. If, rather than pushing your idea on your buyer, you can guide them to discover it

on their own, they'll believe it, trust it, and get excited about it. Then they'll buy in and feel good about the chance to work with you. That might sound easier said than done, but Oren has taught thousands of people how to do it with a series of simple steps that anyone can follow in any situation. And as you'll see in this book, Oren has been in a lot of different situations. He'll show you how he got a billionaire to take him seriously, how he got a venture capital firm to cough up capital, and how he made a skeptical Swiss banker see him as an expert in banking. He'll even show you how to become so compelling that buyers are even more attracted to you than to your product. These days, it's not enough to make a great pitch. To get attention, create trust, and close the deal, you need to flip the script.

Sales Enablement 3.0 Is Both an Art and Science! There are no magical silver bullets or single approach that will guarantee that you will be successful! There is, however, a formula just like any other success process, program, or tool that requires a combination of practical application, trial and error, mixed with a lot of conversations with Sales leaders to understand their wants, needs, and expectations. At its core Sales Enablement 3.0 Sales Enablement 3.0 is an innovative, approach focused on increasing sales productivity through a systematic, personalized, and collaborative approach designed to support buyers that will fuel the conversation economy and impact revenue! This book will provide you with a blueprint that will help you to navigate the twists and turns that will ultimately lead you to designing, deploying, measuring and iterating a world class sales enablement organization. Always remember, the number one question that every sales enablement practitioner should ask when approaching a new company initiative or program is, "What problem are we trying to solve"? This will keep you out of all of the "noise" surrounding "training needs". Training is NOT the answer to all problems and should NEVER be the first response given. Sales enablement is not what keeps the doors open in a company, however, I can guarantee you that poor or lack of strategic, long-term, consistent and repeatable enablement strategy will lead to the doors closing!

RE:Think Innovation makes coming up with great ideas everybody's business. People think innovation isn't sustainable, so they make it much harder than it has to be. Experts portray it as confusing and complicated so they can charge big fees. Executives make it intimidating and complex, so they appear smarter and important. Traditional innovators imply you need a special degree or training to know how to do it right. The truth is, consistently coming up with great ideas isn't a talent one is born with or a skill that takes years to learn. It's actually a simple 5-step framework that anyone can follow to look at the work that they do differently, and have a bigger impact on the people they serve. RE:Think Innovation answers the question of how to tie individual competence with innovation techniques to direct corporate outcomes. Within its pages, Carla Johnson shows how to create a unified, idea-driven employee base that delivers more ideas in a shorter amount of time. Ultimately, this is the path that makes organizations genuinely nimble, passionate, innovative powerhouses that deliver extraordinary outcomes for sustained periods of time.

Tap into the rise of the conscious consumer. Activate your brand's purpose and turn it into meaningful action, to show your customers what you truly stand for.

You hate politicians. Who doesn't in today's world? But you have more in common with politicians than you may think: you both need a proven, foolproof marketing system to succeed in today's tumultuous marketplace. The stakes have always been high, but with so much economic disruption in the world, they're even higher now-and you can feel it. What if the key to future success lies in a simple and secret marketing approach that presidents use to get elected and startup companies use to become billion-dollar unicorns? What if you could use this approach to convert customers in half the time, eliminate your financial risk, and secure huge profits? Now you can. ? In The Undeclared Marketing System, bestselling author Phillip Stutts shows you how his groundbreaking five-step marketing formula used by winning

presidents and successful companies will also grow your business. With more than twenty-five years of campaign and research experience, Phillip will reveal, for the first time ever, his system that elects presidents and builds billion-dollar companies. If you're a small business owner, entrepreneur, executive, or marketing professional determined to beat the competition in any economic environment, this is your next must-read book.

A STEP-BY-STEP SYSTEM FOR CREATING CUSTOMERS AND CLIENTS FOR LIFE. It is more difficult than ever for businesses and marketing professionals to cut through the noise to create relationships with their customers. Organizations that focus on converting their customers to members and helping them achieve the lasting transformation they are seeking rather than simply offering the transaction of the moment are winning. The Ultimate Marketing Engine promises to teach readers how to develop a system to take every customer from where they are to where they want to be by building on the innovative principles first brought to the marketing world in Duct Tape Marketing and honed over three decades of working with thousands of businesses. Introducing the Customer Success Track The Ultimate Marketing Engine introduces an innovative new approach to marketing strategy that will transform

how readers view their business, their marketing and perhaps, even how they view every customer. Readers will learn: Why strategy must come before tactics. How to narrow your focus and choose only ideal customers. Why no one wants what you sell – and what they actually want. How to use story and narrative as the voice of strategy. How to construct the perfect customer journey. How to grow your business with your customers. This book will help readers take control of their marketing while creating ridiculously consistent business growth.

Imagine a world where people loved going to work thanks to leaders who were inspiring, supportive and create a culture that lifts each team member up. If this has not been your experience, you are not alone. There are, however, companies and leaders that lead and lift their team and their organizations. *Learn Lead Lift* was written to inspire leaders and give them a framework for being /becoming great leaders who create teams where every person is valued and encouraged to fulfill their potential. The kind of workplace you are excited to enter each day. In her work with organizations of all sizes and industries, author Wendy Ryan noticed leaders struggling with the same things. It made no difference if they were leaders in the private sector, government agencies, startups or non-profits. Successful organizations today are increasingly aware they must continuously change and evolve to remain relevant, and a key part of every leader's role is to build their individual and organizational capacity for ongoing transformation. In response to this Ryan developed the 3T Model, an empowering mindset for leaders, which supports decision making and resource

allocation by Tolerating, Transforming or Transcending. When you apply the 3T Model to issues like systemic racism or any other form of institutionalized oppression, it quickly becomes clear that Transforming is not only the right option - it is the only option. Learn Lead Lift offers a nod to some of the greatest thought leaders of our time while illuminating author Ryan's unique insights and frameworks for success that all leaders can grow from. It provides a clear-eyed view into what it means to be a leader today - the must-have mindsets, skill sets and behaviors you need to make a positive impact through leadership, no matter whether you are just starting out or have been in a leadership role for years. Ryan illustrates her ideas through fascinating true stories from her work and interviews with artists and entrepreneurs, athletes and investors, educators and executives, and more.

#1 Wall Street Journal Bestseller Instant New York Times Bestseller A game-changing approach to marketing, sales, and advertising. Seth Godin has taught and inspired millions of entrepreneurs, marketers, leaders, and fans from all walks of life, via his blog, online courses, lectures, and bestselling books. He is the inventor of countless ideas that have made their way into mainstream business language, from Permission Marketing to Purple Cow to Tribes to The Dip. Now, for the first time, Godin offers the core of his marketing wisdom in one compact, accessible, timeless package. This is Marketing shows you how to do work you're proud of, whether you're a tech startup founder, a small business owner, or part of a large corporation. Great marketers don't use consumers to solve their company's problem; they use marketing to solve other people's problems. Their tactics rely on empathy, connection, and emotional labor instead of attention-stealing ads and spammy email funnels. No matter what your product or service, this book will help you reframe how it's presented to the world, in order to meaningfully connect with people who want it. Seth employs his signature blend of insight, observation, and memorable examples to teach you: * How to build trust and permission with your target market. * The art of positioning--deciding not only who it's for, but who it's not for. * Why the best way to achieve your goals is to help others become who they want to be. * Why the old approaches to advertising and branding no longer work. * The surprising role of tension in any decision to buy (or not). * How marketing is at its core about the stories we tell ourselves about our social status. You can do work that matters for people who care. This book shows you the way.

From Mike Michalowicz, bestselling author of Profit First, Clockwork, and Fix This Next, a practical and proven guide to standing out in a crowded market. Many business owners are frustrated because they feel invisible in a crowded marketplace. They know they are better than their competitors, but when they focus on that fact, they get little in return. That's because, to customers, better is not actually better. Different is better. And those who market differently, win. In his new marketing book, Mike Michalowicz offers a proven, no-bullsh*t method to position your business, service, or brand to get noticed, attract the best prospects, and convert those opportunities into sales. Told with the same humor and straight-talk that's gained Michalowicz an army of ardent followers, with actionable insights drawn from stories of real life entrepreneurs, this book lays out a simple, doable system based on three critical questions every entrepreneur and business owner must ask about their marketing: 1. Does it differentiate? 2. Does it attract? 3. Does it direct? Get Different is a game-changer for everyone who struggles to grow because their brand, message, product or service doesn't stand out and connect with customers--the long-anticipated answer to the defining business challenge of our time.
