Home remedies remain an appealing alternative to costly doctor visits—they're effective, inexpensive, and ideal for everyday illnesses and injuries that don't require hands-on medical care. When brand-name product guru Joey Green tackles a subject like home remedies, readers can be found reaching into their closets, cupboards, and pantries for their favorite products to cure what ails them. From relieving a migraine with Dole Pineapple Chunks, treating stinky feet with Clearasil, and soothing an insect bite with Colgate Toothpaste, Joey Green's Magic Health Remedies is packed with reliable, user-friendly cures for everything from acne and calluses to morning sickness and toothaches—121 conditions in all. Joey divulges that many products have special, never-before-revealed qualities not found on the label and, with a little ingenuity, can be used to treat minor health issues and conditions. There's compelling evidence for experimenting with off-label uses—like when hay fever strikes, a little McCormick Ground Turmeric in a glass of water brings relief in 15 minutes; the bioflavonoids in the spice are antioxidants that suppress histamine production. Who knew? Well, Joey knows and now he's bringing fast relief (and lots of fun) to health care at home!

Spa Wars was featured in the New York Times, Time Out New York and American Spa Magazine! What really happens when the spa door closes, the shades shut, and the staff thinks no one is looking? In Spa Wars: The Ugly Truth about the Beauty Industry, seasoned esthetician Lora Condon provides a behind-the-scenes glimpse into the beauty industry while sharing her personal experiences working in day spas, at cosmetic counters, and as a freelance makeup artist. Lora Condon has been a licensed esthetician for over ten years. Through mouth-dropping, laugh-out-loud personal anecdotes, she reveals all the dirty secrets of the spa and cosmetic and beauty industries. As she uncovers common lies and myths propagated by cosmetic companies, advertisers, and magazines, Condon also addresses common questions and complaints about beauty issues, provides easy-to-apply tips and tricks such as how to keep skin looking young and fresh, and shares her favorite beauty and health items as well as the best therapists, treatments, and organizations. Spa Wars uncovers the ugly truths of a fascinating industry for anyone who has ever wondered what their bikini waxer is really thinking while ripping out their hair.

Fresh-squeezed Lexicology, with Twists No man of letters savors the ABC's, or serves them up, like language-loving humorist Roy Blount Jr. His glossary, from ad hominy to zizz, is hearty, full bodied, and out to please discriminating palates coarse and fine. In 2008, he celebrated the gists, tangs, and energies of letters and their combinations in Alphabet Juice, to wide acclaim. Now, Alphabetter Juice. Which is better. This book is

for anyone—novice wordsmith, sensuous reader, or career grammarian—who loves to get physical with words. What is the universal sign of disgust, ew, doing in beautiful and cutie? Why is toadless, but not frogless, in the Oxford English Dictionary? How can the U. S. Supreme Court find relevance in gollywoddles? Might there be scientific evidence for the sonicky value of hunch? And why would someone not bother to spell correctly the very word he is trying to define on Urbandictionary.com? Digging into how locutions evolve, and work, or fail, Blount draws upon everything from *The Tempest* to *The Wire*. He takes us to Iceland, for salmon-watching with a "girl gillie," and to Georgian England, where a distinguished etymologist bites off more of a "giantess" than he can chew. Jimmy Stewart appears, in connection with kludge and the bombing of Switzerland. Litigation over supercalifragilisticexpialidocious leads to a vintage werewolf movie; news of possum-tossing, to metanarrative. As Michael Dirda wrote in *The Washington Post Book World*, "The immensely likeable Blount clearly possesses what was called in the Italian Renaissance 'sprezzatura,' that rare and enviable ability to do even the most difficult things without breaking a sweat." *Alphabetter Juice* is brimming with sprezzatura. Have a taste.

troops, and Ukrainian nationalists battle for control of the city of Kyiv as the war becomes more tumultuous in Mikhail Bulgakov's debut novel, *The White Guard*. Drawing heavily from the author's own experiences in Ukraine during the period of the Russian Civil War—he witnessed ten changes of government himself—*The White Guard* is told from alternating points of view and takes an unusual angle in the conflict between Russian Whites (with whom the Turbin family identify) and Ukrainian nationalists. It elegantly portrays the chaos of a civil war in which there is no good or evil, only loyalty to one's friends, family, and convictions. First appearing in partial form in a Soviet-era literary journal, the story was turned into a play under the title *The Days of the Turbins*—a long-running hit that Stalin himself attended twenty times—yet was not published widely until decades after Bulgakov's death.

In over 200 delightful short essays Bill captures the creativity and impact of engineers. He talks of their spectacular achievements - jets, satellites, skyscrapers, and fiber optics - but draws his deepest insights from the everyday, the quotidian. He finds beauty, elegance and meaning in Ferris wheels, Tupperware, Slinkys, mood rings, waterless urinals and Velcro. Delivered originally on public radio between 1999 and 2006, each essay is a small slice of the world created by engineers. The essays also illuminate and inform about the important topics of our day by showing how intertwined engineering and technology are with terrorism, security, intellectual property and our cultural legacy.

Advance praise for *Memories of the Beach*: "Lorraine O'Donnell Williams has given us a charming and evocative memoir of the Beach district six or seven decades ago, when it was a separate world in the southeast corner of Toronto. Everyone who knew the Beach that was, and everyone who knows the Beach of today, will enjoy her account of growing up in that special place." – Robert Fulford, author of *Accidental City: The Transformation of Toronto* "In this richly rendered memoir of a Catholic girl growing up in Toronto's Beach community in the 1930s and 1940s, Lorraine Williams not only vividly captures the feeling of a more innocent age, but at the same time touches on a universal truth – that the place in which we are nurtured forms an integral part of the person we become. Simply wonderful." – Michael Bedard, author of the Governor General Award-winning *Redwork* In this rare combination of history and memoir, Lorraine O'Donnell Williams details life within Toronto's Beach community in the 1930s and '40s from the vantage point of her front verandah, which abutted
