The new Oxford Children's Spanish-English Visual Dictionary is ideal for learning thousands of Spanish words for a range of topics from the human body to the environment. With illustrated items and engaging scenes labelled in both Spanish

and English, it is easy to learn the word you were looking for - and a whole lot more!

New in the internationally successful Visual Dictionary series, the Oxford Visual Dictionary of Animals introduces animals from around the world through highly illustrated dynamic spreads in thematic sections. There are over 1,500 words and incredible 3D artwork. All the animals are labelled, so that children can learn the names for their favourite animals and expand their vocabulary. Stunning atmospheric spreads introduce each habitat, followed by spreads showing the animals that live there. It includes maps and feature panels providing a wide range of vocabulary in both languages. At the back of the book is a section giving vocabulary for names of groups of animals, the noises animals make, and animal young. The Animal Detective Quiz sends readers back into the book to find the answers. This title contains a full index in English.

4,000 words and phrases are organized thematically within 163 topics. Includes English to Spanish translations of vocabulary throughout, and an extensive index in Spanish at the back of the book. A fully integrated vocabulary development program in American English, progressing from essential words to the more complex, delivered in short thematic units. Realistic scenarios and modern artwork are easy to relate to and these, together with story pages and practice

words. It can be used at home or in class, as a basis for oral or written activities. A unique treasury of words especially written for children in grades K-2, ages 5-7. This beginner's dictionary introduces young readers to 3,000 words using 1,000 entries and hundreds of captivating illustrations by beloved children's illustrator, Ruth Heller. With this indispensable learning tool, children will have fun discovering more about words, their meanings, and how to spell them. Teaches basic dictionary skills: alphabetization, spelling, parts of speech, letter sounds, use of synonyms and antonyms, and homographs and homophones Jokes, riddles, poems, and fun facts all about words make learning fun References to popular stories, fairy tales, myths, and nursery rhymes spark imagination and encourage language exploration Words, phrases, and their meanings are discussed in full age-appropriate sentences, with usage examples to show how they are used in context Discover a world of information in this engaging, full-color dictionary for children!

This simple, colorful picture dictionary is perfect for young readers. Here are more than 350 useful words in English, organized by topic, including school, sports, park, beach, house, street, farm, and wild animals. Each word is clearly illustrated for easy learning, and there is a full alphabetical list of words at the end of the book. A handy format, colorful illustrations, and simple, clear layout make this book ideal for early readers. The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words

## Access Free The Oxford Childrens Visual Dictionary

through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own. An easy-to-use family thesaurus to boost wordpower and spark creative writing with new vocabulary-building activities, over 40,000 synonyms and examples to help you

pick the best words. Packed with high-quality photos, word webs on key topics to help with project work, overused word panels and writing tips - it is the perfect homework help.

The Oxford Picture Dictionary Canadian Workbooks are accompaniments to the OPD that allow it to be more easily used in the classroom as a core text. They correlate to the dictionary page-for-page with vocabulary reinforcing exercises at each of the three available levels. Each book comes with a listening section at the back of the book and access to online audio. The workbooks can also be used for self study.

The Intermediate Workbook offers vocabulary reinforcement activities that correspond page for page to the Dictionary. Clear, simple instructions with examples make this Workbook ideal for independent use in the classroom or at home, and for multi-level classes. It also provides opportunities for contextualized vocabulary practice and critical thinking skills development through motivating contexts and engaging activities.

Labeled drawings provide a wide range of everyday terms from the telephone to human anatomy in English and French.

The new Oxford Children's Cornish-English Visual Dictionary is ideal for learning thousands of Cornish words for a range of topics from the human body to the environment. With illustrated items and engaging scenes labelled in both Cornish (using SWF) and English, it is easy to learn the word you were looking for - and a whole lot more!

Over 500 words, in alphabetical order, with funny, useful, and interesting phrases to explain their meanings. The antics of Val Biro's monkeys, cats, mice, frogs and many other characters,
