A welcoming drawing guide for creating beautiful worlds and wondrous wildlife from bestselling artist Johanna Basford Through her bestselling coloring books and distinctive illustrations, Johanna Basford's beautiful forests, ocean depths, and hidden magical kingdoms have enchanted millions of people around the world. In this lovely and accessible guide, she shares the fun, simple, no-skills-needed secrets to creating your own wondrous realms through fanciful, expressive line drawing. With step-by-step exercises, inspiring prompts, and still plenty of pages to color, you'll be free to let your creativity run wild. How to Draw Inky Wonderlands invites you to develop your personal drawing style and master creating marvelous creatures and landscapes using only the pen or pencil in your hand and the wildest reaches of your imagination.

From the same ink artist and original publisher who brought you SECRET GARDEN and ENCHANTED FOREST (both international bestsellers), comes an exciting new coloring format: the poster book. Over-sized, printed on a single side on extremely thick card stock of 400 gsm, and easy to pull out for framing, SECRET GARDEN: THE ARTIST'S EDITION provides larger spaces for an easier coloring experience. This poster book features 20 enlarged designs from Johanna Basford's first book, SECRET GARDEN, currently a #1 New York Times Bestseller.

What inspires you? A rose in full bloom, the bright faces of pansies as you kneel in the

garden? Or lovely old books and illustrations from naturalists who set out to record the world? John Derian is an artist and designer whose work with printed images of the past transports the viewer to another time and place. Take the journey with him, in this set of notebooks perfect for recording thoughts, impressions, lists, and drawings. 3 blank, unruled notebooks 6 unique front and back cover illustrations 64 pages each \* Photographer and longtime Japan resident captures stunning images of Japan's many UNESCO World Heritage sites\* Stunning full-color photographs\* Preface by Pico Iyer Author and photographer John Lander takes the magnificent UNESCO World Heritage sites of Japan as a starting point for exploring the country's architecture, history, customs and festivals. Lander, who has lived in Japan for 35 years, traveled to almost all the country's UNESCO sites: from well-known places like Mount Fuji to hidden temple gardens and hard-to-reach wild islands. This book also includes cultural elements listed as intangible world heritage, providing intimate portraits of Japanese cuisine, crafts and performance arts. With a lyrical preface by Pico Iyer and illustrated with over 180 full-color photographs, World Heritage Japan is Lander's personal photographic tribute to a diverse and ancient culture - a stunning visual journey across Japan.

The best gardens are the secret gardens. The ones far off the well-traveled path, hidden behind a vine-entangled fence, chanced upon in the most unexpected of places. The Secret Garden is an invitation to twelve serene and secluded retreats: a lily-covered pond engulfed in layers of greenery; a bench beckoning from beneath the fiery red canopy of a Japanese Maple; behind a wrought-iron gate, a glimpse of a flowery oasis. Each of these verdant sanctuaries makes the bustle and noise of the outside world fall away and encourages quiet contemplation. Engaging text and delightful garden quotes enhance the images.

“An enchanting and original account of Beatrix Potter's life and her love of plants and gardening.” —Judy Taylor, vice president of the Beatrix Potter Society There aren't many books more beloved than *The Tale of Peter Rabbit* and even fewer authors as iconic as Beatrix Potter. More than 150 million copies of her books have sold worldwide and interest in her work and life remains high. And her characters—Peter Rabbit, Jemima Puddle Duck, and all the rest—exist in a charmed world filled with flowers and gardens. *Beatrix Potter's Gardening Life* is the first book to explore the origins of Beatrix Potter's love of gardening and plants and show how this passion came to be reflected in her work. The book begins with a gardener's biography, highlighting the key moments and places throughout her life that helped define her, including her home

Hill Top Farm in England's Lake District. Next, the reader follows Beatrix Potter through a year in her garden, with a season-by-season overview of what is blooming that truly brings her gardens alive. The book culminates in a traveler's guide, with information on how and where to visit Potter's gardens today.

Shows the artist's Vermont garden, which includes a variety of antique plants, and shares samples of her gardening knowledge

For the plant-obsessed woman of any age, this humorous, illustrated little book celebrates the devotion and quirky habits plants inspire. You know you're a crazy plant lady when watering is a hobby, you can't resist a cute pot, and just looking at succulents and monsteras makes you smile. This charming celebration of the plant lady lifestyle proves that plant love is the joy that keeps growing.

There are sweet puns: Aloe you vera much. Plant lady dreams: thrifting the perfect vintage mister. Relatable mantras: Every day is a good day to go plant shopping. All featuring vibrant art by Isabel Serna throughout—plus, a bonus sheet of plant-themed stickers!

"Imagine...you hold a key in the palm of your hand. Turning it over, observe the weight of it, the designs worn to a smooth bronze through the passage of time. You walk towards a high stone wall covered with tapestries of wisteria, virginia creeper and ferns. Under the waving foliage, you can just make out the edge of a door..." You are at the beginning of a retreat, filled with self discovery, healing, and imaginative prayer. Each of the 100 devotions in this book will take you on a journey of exploration into your secret garden within. Explore the different sections of your secret garden, and encounter God through a great variety of different styles of prayer to help you enter a more intimate and connecting spiritual space. Inspiring quotes, paintings and activations accompany you throughout the retreat. As each day unfolds, themes come to life in a garden with no containment. Allow the child in you to be present, as you experience some new ways of praying with your imagination. Hold sacred in the centre of your heart, that everything you need for your unfolding journey will become available to you, one step at a time. Hear the voice of Jesus as he calls you by name,

"Come into the garden..." There has never been a time like this on the earth, and you will find this devotional to be a blessed companion of comfort, healing and stress-relief, as well as an adventure of discovery in prayer.

Even the simplest dish becomes something special when herbs are included. And herbs don't add fat or calories! Just flavor.

An irresistible photographic story featuring wild squirrels in homemade miniature domestic settings -- taking a bath, doing laundry, and barbecuing -- will surprise and amuse readers and animal lovers of all ages! Adorable squirrels as you've never seen them! You may think you know what squirrels do all day...but Mr. Peanuts is no ordinary squirrel. Instead of climbing trees, he plays the piano. ("Moonlight Sonata" is his favorite.) Instead of scurrying through the woods, he reads books (such as *A Tale of Two Cities*). But everything is more fun with company, so Mr. Peanuts writes a letter to Cousin Squirrel and invites him for a visit! Featuring candid photographs of wild squirrels in handcrafted, homemade miniature settings, this irresistible book is sure to delight readers young and old! "Return to the Secret Garden and enjoy the wonder of childhood and the magic of friendship in this sequel that is sure to warm the hearts of young readers everywhere"—Shelf Awareness As she turned it the door creaked a little and opened inwards... The only friend Emmie Hatton has ever had at the Craven

Home for Orphaned Children is Lucy, the little black kitten that visits her on the fire escape every day. But when the children of Craven Home are evacuated out of London because of the war, heartbroken Emmie is forced to leave sweet Lucy behind. The children are sent to Misselthwaite Manor, a countryside mansion full of countless dusty rooms and a kind, if busy, staff. Emmie even finds a gruff gardener and an inquisitive little robin that just might become new friends. And soon, in the cold, candle-lit nights at Misselthwaite, Emmie starts discovering the secrets of the house—a boy crying at night, a diary written by a girl named Mary, and a very secret, special garden... Return to the world of The Secret Garden with this enchanting new tale that will delight fans of the original story and new readers alike!

A charming, gorgeously illustrated botanical encyclopedia for your favorite romantic, local witch, bride-to-be, or green-thumbed friend. Floriography is a full-color guide to the historical uses and secret meanings behind an impressive array of flowers and herbs. The book explores the coded significances associated with various blooms, from flowers for a lover to flowers for an enemy. The language of flowers was historically used as a means of secret communication. It soared in popularity during the 19th

century, especially in Victorian England and the U.S., when proper etiquette discouraged open displays of emotion. Mysterious and playful, the language of flowers has roots in everything from the characteristics of the plant to its presence in folklore and history. Researched and illustrated by popular artist Jessica Roux, this book makes a stunning display piece, conversation-starter, or thoughtful gift.

The farm-to-table tradition lived passionately by Claude Monet beckons one to take a culinary journey in his footsteps. Written by filmmaker Aileen Bordman and garden writer Derek Fell, the book shares sixty recipes linked to Monet's two-acre kitchen garden near his home at Giverny, France. Included is detailed information about the vegetables he grew, plus exquisite photographs and descriptions of the house interiors and gardens capturing Monet's extraordinary lifestyle; French tips for entertaining; as well as recipes inspired by his cooking journals and places he visited. Aileen Bordman is the creator and producer of the acclaimed documentary film titled *Monet's Palate: A Gastronomic View from the Garden*. She has been immersed in the world of Claude Monet since 1980 and has more than 35 years of firsthand experience at Monet's home and gardens. She lives in just outside of New York City in New Jersey. Derek Fell writer and photographer, is the author of two books on Monet, *The Magic of Monet's Garden* and *Secret's of Monet's Garden*. He has a strong following as America's most widely published garden writer. His books on gardening, travel and art have been published worldwide and total more than 2.5 million in print. He divides his time between Bucks

County, Pennsylvania, and Sanibel Island, Florida.

The gripping story of a chemical weapons catastrophe, the cover-up, and how one American Army doctor's discovery led to the development of the first drug to combat cancer, known today as chemotherapy. On the night of December 2, 1943, the Luftwaffe bombed a critical Allied port in Bari, Italy, sinking seventeen ships and killing over a thousand servicemen and hundreds of civilians. Caught in the surprise air raid was the John Harvey, an American Liberty ship carrying a top-secret cargo of 2,000 mustard bombs to be used in retaliation if the Germans resorted to gas warfare. When one young sailor after another began suddenly dying of mysterious symptoms, Lieutenant Colonel Stewart Alexander, a doctor and chemical weapons expert, was dispatched to investigate. He quickly diagnosed mustard gas exposure, but was overruled by British officials determined to cover up the presence of poison gas in the devastating naval disaster, which the press dubbed "little Pearl Harbor." Prime Minister Winston Churchill and General Dwight D. Eisenhower acted in concert to suppress the truth, insisting the censorship was necessitated by military security. Alexander defied British port officials and heroically persevered in his investigation. His final report on the Bari casualties was immediately classified, but not before his breakthrough observations about the toxic effects of mustard on white blood cells caught the attention of Colonel Cornelius P. Rhoads—a pioneering physician and research scientist as brilliant as he was arrogant and self-destructive—who recognized that the poison was

both a killer and a cure, and ushered in a new era of cancer research led by the Sloan Kettering Institute. Meanwhile, the Bari incident remained cloaked in military secrecy, resulting in lost records, misinformation, and considerable confusion about how a deadly chemical weapon came to be tamed for medical use. Deeply researched and beautifully written, *The Great Secret* is the remarkable story of how horrific tragedy gave birth to medical triumph.

When Lily climbs out of her flower for the very first time, she is keen to explore and make friends, but where to start? As she glances around she spies a special poem, written on a leafy scroll, offering clues to help her explore Flower Fairyland and reach the Secret Garden. Flutter with her as she finds new friends to help her solve the riddles and travel with her through the enchanted door to the most beautiful place in all Flower Fairyland. This beautiful gift book contains different pop-ups on each spread. Beginning in the 1960s, John Brookes MBE (1933-2018) revolutionized garden design, with a new design philosophy and methodology that was rooted in the notion that gardens are about the people who live in them. Recognizing the demands of the contemporary lifestyle, he broke with previous labor-intensive garden design traditions and the emphasis on showcasing plants. Instead he promoted using gardens as extensions of the home. He introduced this notion in his 1969 book, *A Room Outside*, which also contained practical advice on materials, methodology, and planting. His approach was unprecedented and included the then-novel idea that people of all

income levels could have designed, fashionable gardens tailored to their needs, low-maintenance, and beautiful. John taught and lectured around the world and, thanks to his energetic writing, teaching and media appearances, he became regarded as the 'king' and 'godfather' of garden and landscape design. How to Design a Garden is an informative and ultimately practical collection of his thoughts and advice selected from countless writings and lectures given to students, professionals and the public around the world. In addition to his teaching on how to design a garden, the book has two key themes - environmental sustainability and a focus on the local vernacular. They show how far ahead he was of his time and to what a great extent his teaching remains relevant to garden-makers today.

This lively collection of facts and fiction, quotations and quips, is designed to amuse, inform, and entertain the sleepless and distract them from the glare of the digital clock and the ramblings of their hyperactive mind. Illustrations throughout.

AHS Book Award winner This lushly-photographed reference is an important moment in horticulture that will be embraced by anyone looking for a better, smarter way to garden. Larry Weaner is an icon in the world of ecological landscape design, and now his revolutionary approach is available to all gardeners. Garden Revolution shows how an ecological approach to planting can lead to beautiful gardens that buck much of conventional gardening's counter-productive, time-consuming practices. Instead of picking the wrong plant and then constantly tilling, weeding, irrigating, and fertilizing, Weaner advocates for choosing plants that are adapted to the soil and climate of a specific site and letting them naturally evolve over time. Allowing the plants to find their own niches, to spread their seed around until they find the microclimate and spot that suits them best, creates a landscape that is vibrant, dynamic, and gorgeous year after year.

Successful business entrepreneur Allie Casazza shares her powerful and proven method for clearing the clutter in our minds by first clearing the clutter in our homes, the place where transformation begins. When Allie Casazza first became a mom, she found herself struggling to make it through each day. She battled fatigue, depression, and the unsettling feeling that she didn't have what it took to do "this mom thing" well. When she realized the root of her burden was the overwhelm of physical clutter, she got intentional about what took up her space

and time. The path she carved brought her and her family greater contentment and more abundant living, and she shares it in her much-anticipated first book, *Declutter Like a Mother*. In her winsome, relatable style, Casazza has built a massive following--and a multimillion-dollar online business--based on her proven, family-oriented approach to living more simply. Her mission is to empower other moms to start making real, lasting change. Combining humor and a lighthearted kick-in-the-pants, *Declutter Like a Mother* will motivate readers to start taking action. Once referred to as an "in-your-face Marie Kondo for millennial moms," Casazza's advice is actionable, at times irreverent, and already proven to be life-changing. "When one of the members of The Medieval Herbalists turns up dead after finding and unlocking a garden filled with deadly plants at her book-themed resort, Jane Steward must discover which one of her guests has a penchant for poison."--NoveList Plus.

Ever since 1759, when Voltaire wrote "Candide" in ridicule of the notion that this is the best of all possible worlds, this world has been a gayer place for readers. Voltaire wrote it in three days, and five or six generations have found that its laughter does not grow old. "Candide" has not aged. Yet how different the book would have looked if Voltaire had written it a hundred and fifty years later than 1759. It would have been, among other things, a book of sights and sounds. A modern writer would have tried to catch and fix in words some of those Atlantic changes which broke the Atlantic monotony of that voyage from Cadiz to Buenos Ayres. When Martin and Candide were sailing the length of the Mediterranean we should have had a contrast between naked scarped Balearic cliffs and headlands of Calabria in their mists. We should have had quarter distances, far horizons, the altering silhouettes of an Ionian island. Colored birds would have filled Paraguay with their silver or acid cries. Dr. Pangloss, to prove the existence of design in the universe, says that noses were made to carry spectacles, and so we have spectacles. A modern satirist would not try to paint with Voltaire's quick brush the doctrine that he wanted to expose. And he would choose a more complicated doctrine than Dr. Pangloss's optimism, would study it more closely, feel his destructive way about it with a more learned and caressing malice. His attack, stealthier, more flexible and more patient than Voltaire's, would call upon us, especially when his learning got a little out of control, to be more than patient. Now and then he would bore us. "Candide" never bored anybody except William Wordsworth. Voltaire's men and women point his case against optimism by starting high and falling low. A modern could not go about it after this fashion. He would not plunge his people

into an unfamiliar misery. He would just keep them in the misery they were born to.

Alan Titchmarsh has had a passion for gardening for as long as he can remember. Aged 8, he announced to friends that he was going to be the next Percy Thrower, although he thought it was no more than a dream. With the magic touch of a best-selling writer, Alan tells his own story from Ilkley Moor to Pebble Mill and to the final realising of his dream of becoming TV's favourite gardener. Along the way, the cast of characters includes everyone from Auntie Ethel to Nelson Mandela and the Queen. With great charm, humour and passion, this is probably the best story Alan Titchmarsh has ever told.

Trish Breedlove invites us to take a walk with her. I suggest you do just that. In her newest book, *A Witches Garden*, not only does she share with us her passion for gardening, nature, and the promotion of peace within and without, she also invites you as a guest in her kitchen. From the very basics of where to place your garden, how big should it be, what plants should you include all the way down to how to use the bounty of your harvest, Trish leaves no stone unturned and the only questions that remain are; *When will you start your own?*, and *What are you waiting for?* An accomplished cook, well seasoned practitioner of Magick, lover of the earth and student of peace Trish Breedlove presents a book that is wonderful for the first time gardener, very useful for the garden to table chef, and anyone interested in the practical uses of Magick in ways that make life better for themselves, and all lovers of peace. I know you will read this book and put it down changed for the better.

In 1991, as Linda Alice Dewey walked through an abandoned cemetery, she and a companion felt a presence. She returned to that graveyard over the next couple of years, hoping to reach out to that poor being, offering the words: "Whoever is here...my heart is with you." Little did

Linda know that those words would begin her relationship with Aaron Burke, a man who had died nearly 70 years earlier. Aaron followed Linda home that day from the graveyard. As she opened herself to this ghost she learned that he was stuck in a state of limbo, unable to cross over. Aaron had been kidnapped by his father at age four and taken from Ireland to America where he was put to work. Hardened and embittered from his childhood, he did manage to find happiness, only to have it all slip away. Shortly after witnessing his own funeral, Aaron met other ghosts waiting for the time they could finally leave this state of limbo. Yet for decades he could only watch as the people he knew both in life and death crossed over, leaving him behind. Working together to find the closure Aaron needed, he and Linda became friends along the journey. Years after that first meeting and his subsequent crossing, Aaron returned to share the full story of his life--and afterlife--with Linda. This true ghost story gives hope and inspiration to all of us. Aaron shows us that, when seen as the big picture, everything makes sense. Aaron's Crossing sheds light on the mystery of dying, reassuring us that death is never the end of the story!
