

Tokyo Ghoul Re Vol 7

Sen Takatsuki's newest novel has hit the stands and a video of her admitting to being a Ghoul has gone viral! And if that news hasn't done enough to shake things up, the contents of her book are sowing civilian distrust of the CCG. In the world of Tokyo Ghoul, sometimes the only way to fight monsters is to become one... The Commission of Counter Ghoul is the only organization fighting the Ghoul menace, and they will use every tool at their disposal to protect humanity from its ultimate predator. Their newest weapon in this hidden war is an experimental procedure that implants human investigators with a Ghoul's Kagune, giving them Ghoul powers and abilities. But both the procedure and the newly formed Qs Squad are untested. Will they become heroes...or monsters?! Interim Bureau Chief of the CCG Matsuri Washu has gone conveniently missing, and the power vacuum has allowed the devious Furuta to step forward to take control. His erratic behavior concerns some of the investigators, but the special show he puts on for the rank-and-file CCG employees gains him their support, especially when he unveils the final act—executing Haise Sasaki as a traitor!

After completing the in-store performance that marks their final act as an active band, the members of In No Hurry go their separate ways, each seeking a path to better themselves. Meanwhile, Momo finally crafts a song that captures his long history with Nino, but can he find the courage to ask her to sing it? -- VIZ Media
