Test which seeks to eliminate non-serious candidates from entering the Main Examination. With mere 100 questions deciding your entry into the Main Examination, the room for error in this stage is minuscule. In addition to changes in the pattern of Preliminary Test, GS Paper 1 is subjected to frequent changes in terms of the nature of the questions that appear in it. While the GS 1 paper from 2010-2014 focused on the conceptual understanding in conventional areas, in 2015 and 2016 the emphasis was on factual current events. On the other hand, the 2017, 2018 and 2019 papers tested the creative intelligence and problem solving skills of the candidates. The GS Paper 1 from 2017-19 was an interesting mix of questions ranging from epistemological understanding of important political underpinnings like liberty, equality etc to most contemporary issues like Google tax, AI, Block chain technology, UPI etc. Keeping in view the web of complexities the Exam can throw at you, we are striving to keep abreast with the dynamics of the Preliminary Test. Trending topics for IAS Exam. Subject Wise Current Affairs is an effort to make current affairs available in a more organized manner in accordance with the UPSC Exam Syllabus. Current affairs are of course the most important aspect in Civil services Exam preparation. We should always analyse Current affairs from the UPSC preliminary exam and the UPSC mains exam perspective. No matter which subject UPSC asks questions from (economics, environment, History or from polity), it makes conscious efforts to link the subject to a current affair topic. It thus becomes an imperative for us to know what the term current affairs really mean from UPSC point of view. You can get a proper understanding through the analysis of the previous year question papers. If we examine the question papers from 2013 onwards till 2019 preliminary exam, almost close to 50-60% of the questions were asked from topics that are of current relevance. The number of questions based on Current Affairs varies from year to year. The logic behind such a shift in the pattern of question papers explains the intent of UPSC and its quest to have brightest minds to govern the country. However, for the quest to be fruitful it would be appropriate from the part of UPSC to examine the candidate's awareness about the society in which he is living. Static knowledge would prove inefficient for such an analysis. Society is dynamic and is subjected to changes. A Civil Servant should have the skills of a barrister and also that of a diplomat in

order to cope with the changing society and also show the cognitive skills to coordinate, mobilize arguments and achieve consensus in regard to the execution of his duty. This analytical nature of the duty demands the UPSC aspirants to have an analytical mind and awareness of the society.
