Yerma (meaning 'Barren') is one of three tragic plays about peasants and rural life that make up Lorca's 'rural trilogy'. It is possibly Lorca's harshest play following a woman's Herculean struggle against the curse of infertility. The woman's barrenness becomes a metaphor for her marriage in a traditional society that denies women sexual or social equality. Her desperate desire for a child drives her to commit a terrible crime at the end of the play.

A celebration of the liberating power of consciousness—a triumphant book that lets us witness an indomitable spirit and share in the pure joy of its own survival. In 1995, Jean-Dominique Bauby was the editor-in-chief of *French Elle*, the father of two young children, a 44-year-old man known and loved for his wit, his style, and his impassioned approach to life. By the end of the year he was also the victim of a rare kind of stroke to the brainstem. After 20 days in a coma, Bauby awoke into a body which had all but stopped working: only his left eye functioned, allowing him to see and, by blinking it, to make clear that his mind was unimpaired. Almost miraculously, he was soon able to express himself in the richest detail: dictating a word at a time, blinking to

select each letter as the alphabet was recited to him slowly, over and over again. In the same way, he was able eventually to compose this extraordinary book. By turns wistful, mischievous, angry, and witty, Bauby bears witness to his determination to live as fully in his mind as he had been able to do in his body. He explains the joy, and deep sadness, of seeing his children and of hearing his aged father's voice on the phone. In magical sequences, he imagines traveling to other places and times and of lying next to the woman he loves. Fed only intravenously, he imagines preparing and tasting the full flavor of delectable dishes. Again and again he returns to an "inexhaustible reservoir of sensations," keeping in touch with himself and the life around him. Jean-Dominique Bauby died two days after the French publication of *The Diving Bell and the Butterfly*. This book is a lasting testament to his life.

When a deed to an apartment in Paris turns up in an old attic trunk, an estranged mother and daughter must reunite to uncover the secret life of a family matriarch—perfect for fans of *The Little Paris Bookshop* and *The Beekeeper's Daughter*. Hannah Bond has always been a bookworm, which is why she fled Florida—and her unstable, alcoholic mother—for a quiet life leading Jane Austen-themed tours through the British countryside. But on New Year's Eve, everything comes crashing down when she arrives back at her London flat to find her mother, Marla, waiting for her. Marla's brought two things with her: a black eye from her ex-boyfriend and an envelope. Its contents? The deed to an apartment in Paris, an old key, and newspaper clippings about the death of a famous writer named Andres Armand. Hannah, wary of her mother's motives, reluctantly agrees to accompany her to Paris, where against all odds, they discover great-grandma Ivy's apartment frozen in 1940 and covered in dust. Inside the apartment, Hannah and Marla discover mysterious clues about Ivy's life—including a diary detailing evenings of drinking and dancing with Hemingway, the Fitzgeralds, and other iconic expats. Outside, they retrace her steps through the city in an attempt to understand why she went to such great lengths to hide her Paris identity from future generations. A heartwarming and charming saga set in the City of Lights, *Lost in Paris* is an unforgettable celebration of family and the love between a mother and a daughter.
