Discover the secret Joshua gave the Israelites for prosperity and success. The Israelites finally had land and the opportunity to start anew. Their leader, Joshua, spoke wisely about how to follow God's law and how to be successful. Joshua 1:8 says, "This Book of the Law shall not depart from your mouth, but you shall meditate on it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success." The Joshua Code™ is a challenge to keep the Word in our mouths through memorization and in our hearts through meditation "day and night." The fifty-two chapters in this volume are designed to lead you on a yearlong journey by spending each week memorizing and meditating on one Scripture verse so that it becomes a living part of your very being. Topics include grace, temptation, the three levels of prayer, fruit of the spirit, and more. The outlines in each chapter can also be used by the busy pastor or Bible teacher for guiding their members. God's Word is powerful and profitable when studied and applied by anyone, the young and the seasoned believer alike. "You will both enjoy and profit from reading The Joshua Code. His emphasis upon the importance of Scripture memorization vibrates once more the lost chord of hiding God's Word in your heart." - Dr. John Edmund Haggai, Founder and CEO, Haggai Institute "The Joshua Code literally cracks the code that every leader struggles with: In these uncertain times, with uncertain outcomes, how can a leader put first things first? The example of Joshua memorizing and meditating on God's Word moves us from success to significance. Most of all, the emphasis on Scripture memory fits in perfectly with our matrix at Student Leadership University that you will be the same person five years from now, except for the books you read, the people you meet, the places you go, and the things you memorize." - Dr. Jay Strack, President & Founder, Student Leadership University "The Joshua Code is impacting our whole church as we memorize the Scriptures together. Each week the Scripture verse appears in our announcements and on Sunday evenings the verse is recited as a group and the devotional thoughts are read then discussed. This is bringing us together as a family around the Word of God." - Dr. Thomas Sherwood, Long Falls Church, Carthage, New York "Whether on the football field or the field of life you need a playbook. My friend, O.S. Hawkins' new book, The Joshua Code, is a great resource in understanding the 52 verses every believer should know. I read it regularly in my own devotions and enthusiastically recommend it to my family, friends and fans." - Roger Staubach, NFL Hall of Fame Quarterback

I was dead for thirty seconds. That's what the cop in Fall River told me. When the EMTs found me, there was a needle in my arm and a packet of heroin in the front seat. At basketball-crazy Durfee High School in Fall River, Massachusetts, junior guard Chris Herren carried his family's and the city's dreams on his skinny frame. His grandfather, father, and older brother had created their own sports legends in a declining city; he was the last, best hope for a career beyond the shuttered mills and factories. Herren was heavily recruited by major universities, chosen as a McDonald's All-American, featured in a Sports Illustrated cover story, and at just seventeen years old became the central figure in *Fall River Dreams*, an acclaimed book about the 1994 Durfee team's quest for the state championship. Leaving Fall River for college, Herren starred on Jerry Tarkanian's Fresno State Bulldogs team of talented misfits, which included future NBA players as well as future convicted felons. His gritty, tattooed, hip-hop persona drew the ire of rival fans and more national attention: Rolling Stone profiled him, 60 Minutes interviewed him, and the Denver Nuggets drafted him. When the Boston Celtics acquired his contract, he lived the dream of every Massachusetts kid—but off the court Herren was secretly crumbling, as his alcohol and drug use escalated and his life spiraled out of control. Twenty years later, Chris Herren was married to his high-school sweetheart, the father of three young children, and a heroin junkie. His basketball career was over, consumed by addictions; he had no job, no skills, and was a sadly familiar figure to those in Fall River who remembered him as a boy, now prowling the streets he once ruled, looking for a fix. One day, for a time he cannot remember, he would die. In his own words, Chris Herren tells how he nearly lost everything and everyone he loved, and how he found a way back to life. Powerful, honest, and dramatic, *Basketball Junkie* is a remarkable memoir, harrowing in its descent, and heartening in its return.
